Fitzgerald's hereafter. They had a base ball game up at Columbus the other day between the docfors and lawyers, that broke up in a big row at the close of the fifth inning, the umpire having to run to preserve

his physical being from annihilation. If Mike Schnellbacher wants to learn how to handle that new baby at his house, he should have been down to the depot this morning, and have seen around there; it was a new and novel

A. G Philby, one of the B & M. force in the shops, is laving off today, on account of a severe injury to his arm r crived by a heavy piece of timber all ngarros it mar the elbow, as there were no fractures he expects to be able for work in a day or two.

Jimmy Donnelly is putting in his spare time, when off duty from the B. & M., at the Cass County Bank, learning the banking business; and James Mr. Robinson's absence in St. Louis.

Under the new postal law coming n effect October 1st, Platismouth o .fice with several thousand offices over he country is relegated to a third class office, which change will compel P. M. darshall to rent his own room; where he change will be made to and when, we are not informed.

A car load of blooded horses from England passed through Pacific Junction this morning on No I bound or Santiancisco. They were load ed in a very fine and conveniently

rranged special car. As they went over the Union Pacific they were taken to Council Bluffs.

The exposition buildings at Pitts burgh were totally destroyed by fire ves erday. The losses are very heavy as the buildings were full throughout of expensive goods; the exhibition had been but recently opened, so that but little money was in the treasury. The oss is estimated at about \$150,000.

et was started.

Johnny Bage had a little tussle with Harvey Sage the other evening, may find it to their interests to locate land bulbs, Siles, and a large assortwhich resulted in John getting Mr. S. permanently. down, but it so happened that Johnny was on the under side, friends mixed in and stopped the fraces before anyone was hurt. It is but justice to Mr. Sage to state that he was sitting down minding his own affairs when the rack-

#### Colden Wedding

Saturday Sept. 29th was the occasion of a very pleasant assemblage at the residence of Mr. Jas. Turk, near Elm wood, for the purpose of celebrating the 50th anniversary of the wedded life of Mr. and Mrs. Fruncis Williams

The ceremoy of reuniting the golden link which for half a century has bound the two loving hearts together was very touchingly performed by the Rev. Cyrus Alton, who followed the ceremony with some very appropriate and Copy for display advertisements or changes impressive remarks, concerning the history and biography, of the aged couple, and interspersed with many beautiful smiles relating to our own

We are sorry that a lack of space will prohibit us from furnishing the re-

marks entire. Mr. Williams was born in the year of 1810 and his wife in 1812 and their life has witnessed the realization of dreams which at that time would have been too fanciful and fictitious for belief.

Three times since his birth has the crimson tide of war swept across our country, and the victories achieved in every instance but renders its stability impressive; and what was then developed into the grandest civil gov- to his new home. ernment on earth.

Then but eighteen stars embellished the azure field of our flag, now over twice that number shine forth from that glorious constellation.

During the epoch of his life what wonders have been achieved in every iting relatives. field of American and foreign industries He has witnessed the success of steam, navigation; The wonders of the tele graph and telephone, the effulgence of the electric light and many other equally wonderful things which at the time of his birth were but vague conjectures of seeming impossibilities.

At the time of his marriage in 1833 there was but 23 miles of railroad in the U. S. now there are over 90,000, miles, and enough telegraph line to encircle the earth nine times.

The old people were the recipients of many beautiful and costly presents. conspicuous among which were two gold headed canes and two pairs of gold rimmed spectacles; one of the canes and one pair of spectacles being presents from their children in Iowa. After the presentation, which was also performed by Mr. Alton, the guests did ample justice to an elegant repast Two dollars per day, from this date. which had been furnished for the occasion and the festivities continued till a

The guests present were Mr. and Mrs. Jas. Turk; Mr. and Mrs. Mat. Wil-D. Hadsell, wife, and daughter Minnie, Mr. and Mrs. C. C Cowell; Mr. and Mrs. Delis and Mother. Mr. and Mrs. Wm. James; S. D. Eells and wife; Mr and Mrs. Dan Eells; Mr. Lewis Tyson; Miss Jennie Alton: Mr. and Mrs. Mc-Fall; Mr. and Mrs Mears; Mr. and Mrs. The power press in the Journal of- John Clements; Dr N. R. Hobbs and fice has been sold by Mr. Crites, the family. C. D. Clapp and family: Mrs. that a 4th of July celebration and mule owner, to Fremont parties, who are Robinson; and Mr. and Mrs. Green-

> All of whom unite in their heartiest congratulations to the bride and groom and wish them another fifty years of wedded felicity.

3 Letter of Interest. ED. HERALD:-I see a publication in HERALD of September 26th, copied from the State Journal in regard to Nellie Swanson. Most people could not help thinking there must be a hard class of Swedes in this city judging from that article, but let me state for the benefit of a lew at least, why they friends took pains to assist him in Brother Connor handle a little baby did not call on the g'rl, was simply be- gathe ing his crop of walnuts; but by cause they were refused to see her some mischance left his card, As Mr. the place she was stopping at while sick, want for his own use, he would request thee," feel that my lot was Indeed cast was not explained to most of them who | published. called, and it was generally believed it crime she was charged with, that they return this week. were not permitted to talk with her. explanation at the coroner's inquest teacher. had she been well enough at the time. #### Elmwood Letter

Several of our citizens attended the Mate fair this year and express themserves as well pleased with the display in every department, and that it was such as any state might well feel proud | north last evening.

Mrs. Eva Clapp while visiting at the fair was the guest of Mrs. C. D's who resides in Omaha. Mrs. Robinson returned with her from Omaha and is now spending a very pleasant week

Elmwood still continue to grow; the last building erected being a store building put up by G. W. Hylton, as a boot and shoe store. We understand that Mr. Hylton designs to carry a compiete stock in his line and will also turnish a first class workman to make and repair anything in his line. We are glad to see some one so enterprising take hold of this business, and to see our business prospects brighten up. We wish him success.

Louis Loutenstager, one of the old settlers in this neighborhood, has exchanged his farm here for 160 acres of land near Wahoo, in Saungers county. We are sorry to lose an old friend and good citizen as Louis has proved himself to be, and our best wishes, and an infant in the cradle of nations has those of num rous friends go with him

L. R. Tyson, the affable clerk who has just returned from a progracted tion but Friday we have always with tour through Nebraska and Kansas, where he and his mother have been vis. grand and his olfactory nerves very

He reports crops in Kansas good, he says corn will average fifty bushe s to the acre, in the portion of the state which he visited, and wheat went from 25 to 35 oushels per acre.

He expresses himself as surprised to see the western portion of our state so thickly settled, and a class of buildings erected which he says should shame the eastern portion of the state. We learn from Mr. Tyson that he has quit his former position with Mr. Clapp, and that he will teach school in district

Nearly everyone in the vicioity is pleased with the harmony and quietness which prevailed at our Icoun y convention, and express themselves as satisfied with the nominations, and our neighborhood feels proud that it is rep- gold watch, appropriately engraved as resented there so forcibly by two as a token of the esteem in which he secprominent citizens as Mr. Alton and retary is held by the men who have Mr. Clements. All teel confident that five days last past. the bailot will fully substantiate the Mr. Wilson was completely surprised, popular manner in which they were

nominated at the convention. Lewis Tyson was around recently with a box of the fragrant, and the liams; Mr. and Mrs. Will Williams; M. boys all smoked on the supposition that he was a married man; and many were the congratulations he received from his old companions; but by hook or al and enterprising board of directors all "buncombe," and they say now he wants to look out, as they nave a cyclone brewing for his especial benefit as soon as he takes a better half, and won't compare to the racket they'it

We are pleased to see so many of our neighbors erecting beautiful and commodious houses and barns this fall, It speaks well for their financial procperity, and adds much to the appear

ance of the neighborhood. Among these who are building we may mention the following: Dr. N. R. noubs, a fine barn; George Towle, a house and barn; James Miller, a barn,

and George Hess a gue house. . A few days ago some of Mr. Tyson's while she was staying at Mr Pearson's, T. had no more wainuts than he would it was on account of her critical conei. the party to return the nuts and get tion that they were refused, but such his card; otherwise the card will be

From the Denver News we clip the following which occured on the closing day of the Denver Exposition. Frank evidently has a host of friends around the building where he has had his sum-

Yesterday morning the employes of the Exposition invaded the secretary's office, and before Mr. Frank H. Wilson the secretary, had time to recover from the surprise of seeing them enter his apartments in a body, one of the invaders began a neat little speech, concluding by handing Mr. Wilson an elegant been under his charge for the seventy-

but as will be seen from the following speech was equal to the emergency.

He said Fellow Co laborers:-This is indeed a surprise, and esteemed not so much as an evidence of my worth or ability as the crowning act of kindness from those who have labored under me early and late, under the directors of a libercrook the boys found out that it was to present to the world the va.uable resources of our country. It is not an easy task to carefully guard and protect the valuable property embraced within the Exposition grounds, and the verdict of visitors from every section at this year's Exposition pronounce the equipment and orderly appearance, from the lofty flagstaff to the foundation stone, from the north wing to will find every comfort and conven ence south, from east to west, with in the Exposition enclosure complete and systematic in every particular and every way suitable and proper for the accom modalion of exhibits and the public in Colorado's Natinal Exposition, That this is so is in no small measure a re salt of your earnest and intelligent labors, and your intercourse with our charges and take them a way. exhibitors and visitors has been marked by courtesy and urbanity. I am grateful for the assistance you have rendered me and the true and earnest work you have done; making my labor ight and intercourse with you pleasant and in years to come it will give me pleasure to extend a hearty grip to my associates in the executive department of the Exposition of 1883, and with the sincere satutation, "Heaven prosper among friends.
