CASSIDY ON TILDEN.

Miscellaneous News of the Day.

The Pacific Coast Visitation.

Washington May 19.—Representative Cassidy, of Nevada, today said the visit of the Pacific coast delegation to Tilden some weeks since has given rise to many erroneous impressions throughout the country. This resulted, he said, from the fact that all sorts of alleged interviews were published broadcast, which never took place at all, with any member of the delegation. Continuing Cassidy said: "The visit to Gramercy park was

PURELY SOCIAL, and originated in this way: Representative Spriggs, of Utica district, N. Y., is an old and intimate friend of Governor Tilden. Judge Spriggs being about to go to New York, invited me to accompany him and we went together to pay our respects to the distinguished statesman. Later the party was enlarged to include a portion of the delegation from California. As the visit was purely social and wholly non-political, as a sense of propriety it was demanded that the delegation should refrain from rushing into print, but the object of the visit having been misinterpreted and widely misrepresented, I feel it is simply just to disclose

ALL THAT TOOK PLACE. Governor Tilden received the party with great cordiality and the interview lasted nearly an hour. While it is true that one of his arms is afflicted his general health is remarkably good, not too robust. The governor threw back the heavy folding doors in presence of visitors and moved about with as much activity as a man of forty. His mind is as strong and clear as ever before in his life; as to his ability to stand the fatigue and excitement of the campaign, I think his chances in that direction will be as good as those of any other man. The only reference made to

POLITICS was when the member of the delegation, addressing Tilden said: "Governor, we are all your friends. We are all Tilden men, as are all democrats on the Pacific coast." In reply the governor said: "I am not a Tilden man," which was construed by some of the visitors as a declaration that he would not be a candidate for the presidency. For my own part, I left Tilden in a firm conviction, judging from all surroundings that he

WOULD GLADLY ACCEPT the nomination if tendered him by the Chicago convention. I may be mistaken about it, but certainly came away with that opinion." Columbus, O., May 19.—A heavy wind and rain storm visited the village of Earlton, Pickaway county, this afternoon. About thirty houses were unroofed, being nearly the entire village. Fences were blown down and trees uprooted. A man named Karshua was dangerously hurt by a falling blacksmith's shop. The same storm passed in the vicinity of Lancaster, Fayette county, where several buildings were unroofed. The amphitheatres at the fair ground and the racecourse were destroyed. Several horses were killed by falling barns

THE NORTHERN PACIFIC GRANT. Washington, May 19.—The bill relating to the forfeiture of the Northern Pacific lands, introduced today by Dolph, provides for the immediate restoration to the public domain and to the operation of the public land laws, that portion of the grant lying contiguous to its main line between Wallula Junction and Portland, a distance of 214 miles. It also provides for the forfeiture at the end of five years from the passage of the bill, all lands adjacent to that portion of the Cascade grant which shall then be unbuilt, in effect giving the road 5 years to build the Cascade branch. The bill proposes to authorize persons in possession of any of these lands to buy 320 acres if so much had been improved by them. The railroad company is required to file its assent to the conditions of the bill so as to avoid all question as to title of forfeited lands.
