

OFFICIAL PAPER OF THE CITY. A. Salisbury, Dentist, Rockwood Building, Telephone No. 35. Dr. Withers, Dentist, Union Block.

CITY CORDIALS.

The Riddle house is being decorated in front with a twenty-foot sidewalk. James B. Higley and Miss Nannie Turner were granted license to wed Saturday afternoon. The ladies' aid society of the M. E. Church will meet Tuesday afternoon at 2 o'clock at the residence of Mrs. S. A. Davis, on Pearl street. The Christian Endeavor will meet in the Methodist church this evening. A full attendance of members desired as it is a business meeting. Robt. A. Mitchell, who went to Denver last week, returned to Plattsmouth yesterday, in search of his wife, who accompanied him to Omaha and there deserted him. A professional mover was seen on the street today. He had his canvas backed wagon sealed with oil cloth and gunny sack, and securely set in the front part of the wagon was a small wood stove. The infant child of J. L. Minor, of South Park, died Saturday afternoon after a severe attack of diphtheritic croup. The funeral occurred from the residence at 10 o'clock this morning. Rev. H. B. Burgess, officiated. The concert to be given by the Philharmonic society (formerly the Zithera club) will be the event of the week. The entertainment will be given Friday evening April 5, at Rockwood hall. Admission, adults 25 cts., children 15 cts. What do you think of the whole republican ticket? "It is as good a ticket as was ever submitted to the people to vote on," is the general reply that comes from political wise-heads, and that is what the voters will say tomorrow also. The Presbyterian church will be occupied this evening by the members for the purpose of transacting business in connection with the purchase of a church lot. For that reason the Young People's Society of Christian Endeavor will meet in the M. E. church. Ladies, you can vote tomorrow—provided you are a taxpayer or have children of a school age. If interested enough to go to the polls you will have the privilege of voting for two members of the school board. See republican candidates elsewhere. "Shadows of a Great City," a play illustrating all phases of life in New York City, and depicting their worst and best forms thoroughly true to nature, is to be played by a good company with scenic effects Thursday, Friday and Saturday afternoon, at the Grand opera house, Omaha. Saturday evening at 5 o'clock at the residence of Joseph McCoy, corner Main and Fifth streets, occurred the wedding of Miss Maud L. McCoy and Albert V. Kellogg. Mr. Kellogg is an engineer in the corps of engineers for Rosewater & Christie, of Omaha, and since leaving Plattsmouth last fall has been employed at Hastings by that company. W. L. Breen, business manager for "The Little Nuggets" company was in our city today completing arrangements and billing his company which appears at the opera house next Monday night. For fun this company can not be excelled, besides having a very fine band and orchestra. Tickets on sale tomorrow morning at the usual prices—35, 50 and 75 cents. In district court this morning the case of Thos. B. Gordon vs. Edward A. Ryder, suit to obtain judgment on a mortgage, was heard and \$1,899.46 found due plaintiff. W. S. Wise for plaintiff and Corvell, Polk & Beeson for defendants. The divorce case of Ellen Metzgar vs. Gottlieb Metzgar followed. The parties are from Louisville and the following were in court as witnesses: P. Boedaker, Mary Boedaker, James Hoover, Geo. W. Mayfield, Andrew Detrick, Frank Detrick, Frank Standler, John Bringman and Marion Ruby.

McCourt has just received a car load of choice eating and seed potatoes. Will be on hand April 1, did you get fooled?

PLACED BEFORE THE PEOPLE. Two Worthy Republicans Receive the Nominations for Members of School Board.

A Harmonious Convention. The city convention in Rockwood hall Saturday night of the republican ward delegates to place in nomination two men as candidates on the republican ticket for members of school board, was a short and quiet one. The Fifth ward was not represented. Order was called at 7:55 by A. N. Sullivan, who said, "Gentlemen of the convention, according to call the convention is convened for the purpose of nominating two men for the school board. What is the pleasure of the convention?" On motion of D. K. Barr, M. B. Murphy was unanimously elected chairman. Motion from Judge Newell for H. C. Ritchie as secretary carried. On motion the chairmen of the various delegations were authorized to present the credentials to the secretary. The names of the delegates were read as published in THE HERALD, and on motion of Judge Newell the names as read were accepted, including proxies. On motion from Waterman, amended by Barr, the convention proceeded to nominations. Wm. Ballance, of the Fourth ward presented the name of Wash. Smith. D. A. Campbell, of the First ward presented the name of J. I. Urruh. P. D. Bates, of the Second ward presented the name of Capt. L. D. Bennett. A. B. Todd and Robt. Donnelly were appointed tellers. The first informal ballot resulted: Wash Smith 47, L. D. Bennett 29, J. I. Urruh 22. On motion of D. A. Campbell, Mr. Smith was declared one of the candidates. The next ballot resulted: Urruh 27, Bennett 22. The chair announced that Mr. Urruh having received the highest number of votes was nominated. S. C. Green moved that the choice of Wash Smith and J. I. Urruh be made unanimous, which motion was unanimously carried. The question of city central committee then came up and D. A. Campbell moved that Judge Sullivan be elected chairman. Carried unanimously. The wards reported their members of the committee elected as follows: First ward, J. H. Waterman; Second ward, P. D. Bates; Third ward, S. C. Green; Fourth ward, L. S. Hasson. On motion the members of the committee as given were accepted. Convention adjourned at 8:20. With the Y. M. C. A. Yesterday afternoon the rooms of the Young Men's Christian association were again crowded to standing room. A street meeting was held on Fourth and Main at 3:30. Several songs were sung accompanied by the cornet; followed by a short address and a hearty invitation to the crowd which gathered to come to the rooms and attend the gospel meeting. The rooms rapidly filled up and one noticeable feature of the attendance was the presence of Cass Lode No. 146, I. O. O. F. At a meeting of this lodge last Tuesday evening it was decided to attend the gospel meeting for men yesterday, and about thirty of the members met in their hall in the afternoon and marched to the rooms in a body, where seats had been reserved for them. A song service was heartily entered into for about fifteen minutes. The meeting was led by Mr. Alick Clark, who made a pointed and plain talk. A little time was given to testimonials and Secretary Bothwell closed the meeting with an address to the Odd Fellows present, from the gospel of St. John, on the fundamental principles of their order—Friendship, Love and Truth. The presence of the lodge as a body was a mark of respect and interest highly appreciated by the association. In the evening the young men of the association, in response to an invitation from Rev. Burgess, went in a body to the Episcopal church. Rev. Burgess has been giving a series of lectures Sunday evenings on the "Prodigal Son," and last evening made a special effort on that subject, which was highly appreciated by the young men.
