TOO MUCH ANTIPOISE TISSUE

The Great Ball Game Between the Fats and Leans Results in a Victory for the Fats.

There was a sight for the Gods to gaze upon yesterday at the ball park. For many days the city has been stirred to its utmost depths by stories of the coming battle and many a family has been broken and seared by a vague feeling of unrest. For days past have W. L. Brown, Mike Murphy, Kelly Fox, D. C. McGinty, C. W. Sherman, Byron Clark and Ed Oliver and others of their ilk been boasting of the triumph that was to be; and yesterday they earned a noble victory. They way-laid and sand-bagged an elongated swindle-shanked mass of humanity and a cold unfeeling crowd wept not, neither did it wait. To picture it—Mike Murphy, weight 356, Bill Brown, 372; McGinty, weight 359; W. Kelly Fox, weight 357; Byron Clark, weight 352; Billy Weber, weight 349; Claus Breckenfeld, weight 347 plus 12 pounds of voice; Ed Oliver, weight 347 net; Bill Bushing, 306 in the clear; C. W. Sherman, 1260 candle power; Frank Carruth, weight 300 18 karat, and sundry other heavy weights pitted against Matt Gering Weight 3 lbs and 6 oz.; H. C. Hackney, weight 5 lbs 4 oz.; Frank Dickson, weight 9 lbs even; H. N. Dovey weight 7 lbs 6 oz., McKinley scale; R. B. Windham, weight 6 ft 11 in. South scale; Fred Lehnhoff, weight 6 feet 2 in.; Fred Herrmann, weight 610 majority; W. C. Showalter, weight 85cts docket fees; Frank Morgan, weight 76cts special clearance sale; W. A. Humphrey, 6 ft and 11 in. hom ocephatic dose, and divers other persons of greater bulk and less weight. It was indeed a masacre. Ami Todd, armed to the teeth, officiated as umpire and by rank decisions forever blasted his prospects for the county treasurership. He was notoriously in favor of the fats and dark rumors of corrupt practices and growlers were numerous.

McGinty went into the box for the fats and pitched a fine game, Councilman Browne with awe, essayed to catch but owing to his great corposity and the slimness of the protector and in a measure to his great brain cap and such a small mask he was forced to retire to second left field. His inability to hold McGinty's sharp in and out drops greatly amused the audience. He distinguished himself, however, at the bat pounding Dickson all over the lot. In the first inning he knocked the ball over the fence for a home run bringing in Lumber Deal Bill Browne in front of him. The race from third to home was very exciting. Dave also made a marvelous catch of a high hit fowl after a long run winning wild applause. In the midst of the uproar some villain in the grand stand started to whistle "Down Went McGinty," and he now sleeps beneath the daisies. Mc went into catch in the fourth inning and W. Kelly Fox pitched the game out. Kelly will have to brace up and put more English on 'em or Dickson will knock him out of the box this fall.

Henry Bons had an exciting collision on first base with Hackney of the Riley hotel and the slim man got first blood. Mike Murphy and Bill Cushing did the principal base running for the fats and their slides to bases were immense.

Claus Breckenfeld officiated as coacher and his violent demonstrations at times caused apprehension among his colleagues.

Buck Adams played second but for fear of being protested called himself Byron Clark. He fielded in marvelous style.

Dickson and Gering pitched for the leans and Gering has signed as change pitcher with the Nonpareils He has a good head and when he thought that the batsman meditated hitting the ball he gave him his base on balls. At one time he became enraged at the umpire and Todd had to press him with his little finger to restore the equilibrium of his mind.

Dr. Humphrey and Roe Craig both became afflicted in their lower limbs during the game and fell to the ground with unusual speed and vigor.

Frank Morgan became abstracted during a delay in the game and tried to coax Showalter to buy a new hat of him. Showalter was rescued after a great loss of wind and played the game out under police protection.

Fred Herrmann tried to use Ed Oliver's ear for a tax receipt in the third inning and greatly amused

the spectators.

Windham on first played the game of his life.

Unruh, Oliver and Carruth and numerous others of the fraternity request that no mention be made of their short-comings and we gladly comply with their request. Carruth was a little weak at the bat and when he faced Matt Gering he was visibly affected. Oliver played professional ball and gave the lean pitchers a choice roast. Unruh will get his work in today. Score.

Almost a Wreck.

Last evening about 7:45 as the fast stock train No. 64 was passing the depot it narrowly escaped a disastrous wreck caused by the derailing of three cars. The train was composed of eighteen palace stock cars loaded with cattle and hogs for the eastern market. As the train passed through just ahead of passenger No. 8 the platform was full of people, who barely escaped being hurt as the train was running at the rate of about fifteen miles an hour when it struck the switch at the north end of the depot where three cars in the middle of the train derailed and tried to go down the track east of the depot while the rest of the train passed on the west side, but a rail breaking on the east track allowed the cars to be pulled back along the side of the main track tearing up the platform for a distance of nearly one hundred feet. No further damage was done more than delaying traffic for about two hours while the cars were being put back on the track.

The cause of the accident is supposed to be a defective wheel under the first car derailed and that the switch was not quite closed. No blame is laid to anyone for the accident. It is the prevailing opinion that had the train been making the speed it generally makes the results would have been attended with great disastrous results.

Fire.

At 3 o'clock this morning our citizens were aroused by the alarm of fire and in a short time hundreds of willing workers were at the scene. The fire started in the rear of the building occupied by the "Racket Store" but it was soon under control. The goods were but little damaged by fire but were a total loss by water. The origin of the fire is a mystery, as no fire was kept in the room during the day.

The insurance on the goods was \$1,500 which will probably cover the loss. The front of the building was considerably damaged.

Come in To-day and examine the shoes offered in our sample sale. Wm. Herold & Son.

Thos. Bolan, a farmer living near the city, indulged to too great an extent last evening and grew hilarious. Officer Fitzpatrick started him home but he returned and drove down Main street at a rapid rate. He started to drive across the track when Officer Fitzpatrick stopped him. The police believe that if he had been allowed to go he would have driven into the river.
