which was enjoyed by all.

Mrs. Chapman told us of "Chicory; Its Manufacture and Uses."

Mrs. Munger presented a paper on "The Beet Sugar Industry," which was listened to with attention.

Mrs. Stoutenborough gave us some valuable information in regard to the expected. state of Nebraska. Mrs. Isabel Richey then read her

poem on "Nebraska," which was appreciated by all. Mrs. Powell, president of the Woman's club of Glenwood, Ia., res-

ponded to Mrs. Stoutenborough's invi- entirely. tation with a few well-chosen remarks. Light refreshments were then A Bill Presented to the Legislature served. Many expressed themselves as having enjoyed this department

very much during the past winter. Mesdames Powell, D. L. Heimsheimer, Ia., were the guests of the club. *

His descriptive powers are good, and with such a subject as "Yellowstone Park," with its myriads of natural wonders, his lecture is certain to prove intensely interesting.

Nebraska Cityites Got It, Too. The air-ship epidemic, which has afflicted Nebraska and Kansas for several weeks, struck Nebraska City night before last, as is evidenced by the following from the News of that place: "R. M. Taggart, his niece, Miss Seeley, and a number of others saw the mysterious air-ship last evening about 9 o'clock. It appeared southeast of the city in the heavens with a red and white light, and, passing over the city, disappeared in the porthwest. This is the second or third time it has been seen in this vicinity, and in every case about 9

o'clock." "A Scrap of Paper."

A NEWs reporter had the pleasure of attending the rehearsal last evening of the above piece, by the senior class, and we can say that the work done was simply surprising. A real treat is in store for our people who enjoy a comedy, as this will be put on far better than is usually done by amateurs. Mrs. Geo. Dovey has had the class in training for several weeks and they show the effect of her skillful management. They have their lines perfectly, their stage presence is good and some members of the class will sarprise their friends by showing dramatic ability of a high order. The piece will be rendered at White's opera house, Monday evening April His infinite wisdom, to remove from R. F. Dean, boarding paupers

Large Life Insurance Policy.

SAN FRANCISCO, April 9 .- Mrs. Leland Stanford today signed the contract by which her life is now insured for \$1,000,000. The policy is said to be the largest ever issued.
