Talk About Diamonds
Their brilliant glitter scarce overalls the polish you can put on a Murzuff shoe. Good leather, well-tanned leather,—that's the reason. It does more than shine—it wears, it fits, it "feels good" whether you walk across the street or across the continent. It's a shiner, a stayer, a soother. Costs money? Of course—not as much as you'd think, though. Put one on and give its tongue a chance to talk. You'll do the talking after you've worn a pair and we'll sell a lot more.

AGEE AFTER ASSETS.
For the Seth Thomas Clock Company.
WANTS THE COUNTY TO PAY
The Town Clock Judgment is What He's After—The Commissioners Obdurate—Last of the Paddfoots.

A. W. Agee of Ogden, Utah, attorney for the Seth Thomas Clock Company, is in the city today and has been in consultation with the commissioners regarding the pay for the court house clock, a judgment having been rendered in favor of that company against the county by a reversal in the supreme court of the findings of the lower court. Mr. Agee wants the commissioners to put up, but an attorney of this city having offered to beat the company in a new suit for a fee of \$250, the county board is hesitating what to do in the premises, whether to pay this unjust claim or go into the courts again and make another effort to secure justice for the county. The News would suggest that the county stand out for its rights and defeat if possible this outrageous claim.

A Dramatic Feast
The opera house was comfortably filled again last evening to listen to the rendition of the two farces comedies, "That Rascal Pat" and "The Two Paddfoots." These taking part had gained a little more confidence and tried the stage "as if to the man born." The comedies in themselves are most amusing, and the different parts were taken with a spirit and vim that was a revelation to the audience, many of whom were unaware that so much dramatic talent existed in Plattsmouth.

The sum realized from the sale of tickets will materially increase the finances of the city library, which is sadly in need of books and periodicals. Very much of the success of this splendid entertainment is due to the untiring efforts of Miss Ollie Jones, the city librarian. To particularize regarding the performers in this entertainment would perhaps be partial. The dramatic personnel consisted of Messrs. Guy Livingston, Leo Atwood, Frank Van Horn, Demie Hlad, Misses Rose Myers, Lulu Liest and Phyllis Feltz, with black face specialties by Mr. Tollif. This event was every way successful and let us hope these talented young people will favor us again with some funny and interesting performance.

A Fire Alarm
Last night about 8 o'clock a fire alarm was turned in and the department responded promptly and hurried to the scene from whence the alarm emanated. It proved to be a burning dwelling owned by Joe Sherry, near the west fourth ward school house. The dwelling was unoccupied, save by a horse and a mule. The brave ladies rescued the mule and put out the fire just as it burned out the south end—not of the horse, but the house.

There was no insurance and not much loss. The origin of the fire is unknown.

Still Continue to Do Good.

The gallery has been enlarged and will be able to accommodate the large crowd that will be present tonight.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
