Mrs. Shryock Wins Her Lawsuit.
Mrs. W. B. Shryock of this city brought suit against the Modern Woodmen Accident association at Lincoln for the value of a \$3,000 policy of insurance held by her late husband. The case was twice tried in the lower court, and the last time she recovered judgment for the full amount of her claim. The case was appealed by the association to the supreme court and this morning's State Journal brings the good news that the judgment of the lower court has been affirmed and Mrs. Shryock will get her money. She has another suit pending for \$5,000 against the National Masonic of Des Moines. The last case is in the federal court at Omaha and Mrs. Shryock's many friends hope she may be equally as fortunate there as she has recently been in the supreme court.
