for itself and prejudice against the Republican of that city by making claims that the latter is not loyal to the republicans. However, the Advocate's assertions will not have much weight, as Mr. Keithley has been a good, square republican too long to be charged with disloyalty.

THE report of the treasury officials show that the exports from this country exceeded the imports by \$530,356,-037 for the past year. The total imports were \$697,077,388, of which about \$200,000,000 came in duty free. The imports of gold for the year amounted in round numbers to \$88,954,603, the exports \$37,522,086, a difference of \$51,-432,517 in favor of this country.

THERE is a noticeable and constantly real purpose touching silver, says the increasing demaad for good roads. New York Sud. Mr. Morrison is one of the ity throughout the west, which come from democrats and republicans alike. have a disheartening effect on the democratic leaders. It means a sweep-

ing victory for the republican party in 1900. FOREMOST FIGURE AT CHICAGO.

Undoubtealy Mr. Bryan expressed true political philosophy when he said at Chicago on Thursday evening that the democratic party was "going out to fight" in 1900 on the Chicago platform, and that it was not "going to ask 'Is this thing popular?' but 'Is

this thing right?" By that he meant that the democracy would go into the fight with a square declaration of its A bold and straightforward policy is

the first requisite of a party in national politics. Courage, of itself, attracts

sent no principle which they dare as sert and defend. They call themselves "gold democrats," and generally they

voted against him in 1896, on the ground that the silver issue represented by him invites appalling disaster and even infamy for their country, and the maintenance of the gold standard is essential to the national pros perity and national credit, but now they are abandoning that ground with a pusillanimity unexampled in na-

tional politics. Not one of them dares to demand or advocate or even to suggest in a whisper that the democratic platform in 1900 should be favorable to the gold standard.

nents of Mr. Bryan was expressed posi- justice of the supreme court, \$29 a day. tively and courageously in the platindustry is more or less responsible form of the so-called national democratic party, adopted at Indianapolis, to this effect: "We insist upon the
