Shore - Drive Them Back to the Hills remain idle all fall and summer, and with Severe Loss-Other Engagements asked to be sent on active service." Looked For Soon.

* MANILA, July 14.-Lake Laguna de situation in the island acquisitions. He Bay is being patrolled by three troops said: of the Fourth cavalry under Captain Washington seems to understand why McGraw and the army gunboat Napidan, commanded by Lieutenant Lar- have no idea of the forces to which sen. The force makes its headquarters they are opposed. General Otis makes on an island, living on cascoes, in which the men are towed, and make unexpected visits to towns where there are small forces of insurgents, for the purpose of keeping the rebel* moving. On Tuesday the troops had an engagement at Mantilupa, on the south shore. of the lake. They found 500 insurgents there, entrenched near the shore. The Napidan shelled the rebels and a party of American troops numbering 135 landed and drove them by a sharp running fire to the hills, where they were too strongly entrenched for the small force to attack them. Two of the cavalrymen were wounded and the bodies of ten insurgents were found, It is supposed that the enemy's loss is thirty-five.

SCHOOL EXHIBITS AT PARIS.

Omaha Among Cities Which Will Make a Showing.

NEW YORK, July 14 .- Howard J. Howard, director of education and social economy to the United States Welcomed at San Francisco With Wild commission of the Paris exposition, said today about the exhibit being arranged for the United States:

many parts of the country will be represented in the educational exhibits. The cities which have adequate appropriations and will be adequately repre-High school are Boston, New York, Albany, Chicago, St. Paul, Omaha and Denver. Other cities are preparing work in special ways or to illustrate

ing His Mission. CHICAGO, July 14 .- Gen. Joseph H. Wheeler passed through Chicago yesterday bound for the Philippines on an unknown mission. As he put it himself, "I am ordered merely to re-FROM PLACE TO PLACE port to General Otis and do not know what I shall have to do when 1 get there. I expect to return by December, when congress meets. Being in the army, I felt that I had no right to

"I do not understand, and no one in it is our people over there seem to standing room was in demand. The anarchy spits upon our laws, insults to estimate, and you will have observed that neither General Lawron nor General McArthur makes mention of those forces in his reports. Asked it he were sont by President McKinley to make an expert report on the situation, the general ruplied; "I am merely to report to General Otis." Miss Annie Wheeler, the general's daughter, accompanies him to Manila. She goes out as a Red Cross nurse without pay, and intends to remain as long as health permits or her services are needed.

General Wheeler reiterated his statement that he would not give up his seat in congress. "That was settled in the last congress," he said, "but it probably will have to be settled again by the next. At the last setion n majority of the democrats and many republicans voted for me, and I hope they will do it again.'

OREGON VOLUNTEERS RETURN.

Enthusiasm.

SAN FRANCISCO, July 14 .- The United States transports Newport and It is impossible to estimate how Ohio, bearing the Oregon volunteer regiment from Manila, arrived here this evening. The vessels were sighted shrieking steam whistles, the clanging sented from the kindergarten to the of bells and the firing of cannon announced that the first batch of rewere nearing the shores of California. | nated for attorney general.

Kentucky Republicans Nominate Him for Governor by Acclamation. BOTH HIS OPPONENTS WITHDRAW

Harmony Prevails in Strong Contrast to the Late Convention of Democrats-No Contest Over the Platform-Text of Its Expressions, the Nominees, Etc.

LEXINGTON, Ky., July 14 .- When the republican state convention reassembled shortly after 9 a. m. today ment to the saloon. Red-handed first thing in order was the report on our flag, robs our houses, curses ou resolutions. Hon. J. W. Yerkes re- motherhood and damns our children ported the platform as a unanimous report from his committee, and it was adopted.

Before the call of districts for the nomination for governor Captain S. H. W. S. Taylor, Then Judge Clifton J. Pratt, the other candidate for governor, followed Stone in another stirring speech of withdrawal and seconded the nomination of Taylor, which was made unanimous amid the wildest demon-

SLIBLIODS. A committee was then sent for General Taylor. When the committee escorted General Taylor to the hall there was another great demonstration. General Taylor then addressed the convention, accepting the nomination. nominated for lieutenant governor. without the formality of a ballot. UNANIMOUS FOR TAYLOR OUR COUNTRY'S GREATEST PERIL. Detroit, Mich., July 12 .- Near the closing of the sessions of the Christian Endeavor meetings in this city "Missions" was the subject under discussion. One of the principal addresses in Tent Williston was by Rev. C. N. Howard of Rochester, N. Y., entitled, "Our Country's Greatest Peril." He said: "The American people are face to face with a mighty problem. It is not,

What shall be done with Cuba or the Philippines, but how shall we restore to the people the right of self-government in the United States? It would seem that democracy has given plac-

to rumocracy. The American peop have abdicted the throne of govern while we are pouring out the nation's treasure, and offering our sons to the God of war to shoot the Declaration of

Independence into the hearts of the insurgents at Monila. "The immoral condition of our great Stone took the platform and created a cities is a blot on our civilization. The Ginghams 15c per yard. most exciting scene by withdrawing his saloon runs the caucus, names the

name and presenting the name of Hon. | candidate, robs the public, and spits on the law.

"The saloon is the nation's greatest foe, because it murders its citizens in cold blood. Because it destroys the character of its citizens, the units upon which the national structure rests, Because it fosters ignorance, immorality and crime, which sap the vitals of the nation and mean death to a democracy founded upon the virtue and intelligence of its subjects. Because it defiles the ballot, entrenches the bos defies the law, and impoverishes the John Marshall of Louisville was people. NO PLACE FOR A POOR MAN.

A Miner in the Klondike Urges All to Wisconsin Democrats Soured on Free Silver.

CHICAGO, July 14 .- A special to the Times-Herald from Seattle, Wash., says:

The Humboldt brings a iditional reports of drowning on the Yukon. Conrad Mayberg and J. W. Rhodes were river on a raft. Their residences in the east are not known here. No details of the disaster have been received here. C. Rondeau of Tacoma, was drowned at Seventy Mile river June 7. He was working on the bluff overlooking the river, and plunged over the edge by a misstep. His partner tried to save him and nearly lost his life.

C. A. Vostkeller of Chicago said tothe Yukon country:

'Warn poor men trom Dawson. Hundreds will have to be sent out of the country, and many others are drifting down the river epxecting the American government to 'orward them to their homes from St. Michaels, Wages have fallen to 50 cents an hour. Even at the height of the clean up I had men to spare at that price. The Klondike's output for this year is a question. The real output will never be known. Miners are again succeeding in defrauding the royalty laws. and will not tell how much they have. The 10 per cent penalty encourages this. I think twenty millions is a conservative estimate.'

Senator Jones Will Not Resign. WASHINGTON, July 14 .- The Post says: Senator Jones of Arkansas will not resign his position as chairman of the democratic national committee. This can be stated authoritatively. once for all. Two letters were received from him in this city yesterday, in which he not only makes clear his intention of remaining at the head of .he committee, but outlines work upon which he intends to engage as soon as letters were dated at towns in Switzerland and reported the senator as improving in health. He was then preweek or more, "and," he says, "I hope to come home entirely well." He will secution." States flag pulled down. man G. W. Peck said:

Stay Away.

MILWAUKEE, Wis., July 14.-That the democrats of Wisconsin are still divided was mainly shown by a canvass of the political situation today.

While the state central committee fafors the nomination of William Jendrowned while crossing the White nings Bryan as a presidential candidate, National Committeeman Edward C. Wall does not favor the 16 to 1 issue, and many gold democrats are with him. Mr. Wall is quoted as saying that as far as his position on the natioarl democratic committee is concerned, if the democratic convention declares for the coinage of silver at 16 to 1 he would not care to serve on the committee. Speaking for the dem-

day regarding matters of interest in

members agree with me, that Mr. Bryan should be nominated and that he will be nominated. They cannot, in their position, advocate his nomination now. If he is nominated they will do all in their power to elect, believing him to be the best man in the world today. Individually the memnomination or the nomination of another as they may see fit, but their official work comes when the nomination is made.'

Washington from Cuba, called at the White House today, General Rosser 1y. has been mustered out and is on his way home to Virginia. When asked about Cuban affairs he said: "Man; things are moving along smoothly, but there is almost universal complaint about the enforcement of tariff rules and laws at Havana. The trouble, of course, is that military men have not been trained in these matters. The different officials fix different duties he returns to the United States. His on goods. When asked about the sentiment for annexation General Rosser said: "No man on the island with a dollar's wort's paring to go to Geneva to spend a States flag pulled down. They know ward. the administration of a republican in." president, and we congratulate the country that in the suppression of injurious combinations republican legislation has had in the past, as it will have in the future, due regard for the interests of legitimate business, the purposes of such legislation being the remedy for wrong and not embarrasament to industry, enterprise or thrift. We endorse, without reserve, the ad-

ministration of President McKinley and congratulate the American people upon the condition of prosperity and happiness resulting from the wisdom and patriotism which he has brought We declare our confidence in the politablish progressive governments in and we pledge him our continuous support until these objects are fully attained.

We reaffirm our adherence to principles and to policies proclaimed by the last national republican convention except as to civil service. We regard it as settled beyond dispute that the maintenance of a sound currency through republican administration and legislation is the foundation upon which rests the most remarkable period of industrial progress, commercial activity and general prosperity within the experience of the people of the United States. We commend the present amendment

of civil service rules by the president and declare our belief that further modifications of existing civil service legislation may be made with advan-tage to the public service.

Paris Strikes a Pier.

FALMOUTH, Eng., July 14 .- On entering the tidal harbor today the steamer Paris, recently aground on the bers may join clubs to bring about his Manacles, under the influence of the wind and tide, became temporarily unmanagable. The stern swung around and struck the end of a wooden pley upon which a large crowd of people had assembled. The pier shook from end to end, the spectators became panic stricken and made an ugly rush to escape. Ultimately control of the ship was regained and it was auchored safe-

Superintendent Aisbett of the wrecking company gave a representative of the Associated Press today a contribution of a startling nature to the controversy as to the cause of wrecks on the Manacles. He said: "In bringing the Paris to Falmouth it narrowly escaped the big Manacle rock. It was ebb tide, with northerly wind blowing. which would naturally take the vessel south; but we found it getting nearer and nearer the Manacles until within 400 yards of them, whereas we of property ever wants to see the United ought to have been a mile to the south-

American Beef in Belgium.

WASHINGTON. July 14 .- Acting Secretary Brigham, of the agricultural department, had a conference with the president this morning. Both the agricultural and state departments have received information that Belgium has removed some of the restrictions as to the importation of American heef cattle and beef. The agricultural department has been informed that Germany, upon learning of Belgium's action, immediately issued a decree untavorable to the beef products of Belgium, thereby preventing American beef from reaching Germany by reshipment from Belgium. Secretary Hay said this morning that the state department had not yet received advices as to Germany having taken the action charged.
