

# WAS A PRETTY WEDDING

**Nuptials of James W. Newell and Miss Hallie Wood**

Two of Platteville's prominent young people united for life at the First Presbyterian church—large number of friends and relatives witness the ceremony.

From Wednesday's Daily.  
One of the prettiest weddings of the season was celebrated at the First Presbyterian church in this city at 3:30 o'clock this afternoon, the high contracting parties being James W. Newell and Miss Hallie Wood. Rev. W. W. Harsha, D. D., of the Omaha Theological seminary, assisted by Rev. John T. Baird, D. D., pastor of the church, performed the ceremony, in a quiet but very impressive manner. The matron of honor was Mrs. Taylor Steen of Omaha, and the maids of honor were Misses Nina Nicodemus of Fremont, Grace Bell of Omaha and Clara Green and Maud Meszy of this city. Len L. Atwood, brother of the bride, was the best man, and Calvin and Donald Atwood of Lincoln and John Coleman and France Hallance of this city were the ushers.

The church was beautifully and profusely decorated for the occasion with carnation pinks and other cut flowers and potted plants, and was crowded with a gaily attired audience of interested friends.

As the bridal party entered the church the duet strains of Mendelssohn's wedding march pealed forth from the organ, with Miss Tony Kessler presiding at the keys.

At the ceremony's conclusion Mr. and Mrs. Newell departed on the evening Burlington train for a bridal trip of some days, visiting St. Louis, Jacksonville and Chicago while enroute—after which they will be "at home" to their friends in this city where they will reside.

The bride is the comely and accomplished daughter of Mr. and Mrs. A. W. Atwood, and has a host of friends, both here and at Fremont, where the family resided and from whose high school she is a graduate.

The groom is a young man much esteemed in this city where he has resided from early boyhood. He is the son of Senator Newell, and holds a position of responsibility in the employ of the Burlington railway.

The out of town guests were: Dr. W. W. Harsha and wife, Judge G. A. Magney, Mr. and Mrs. Taylor Steen, Mr. and Mrs. C. C. Flock, Miss Frances Graves and Miss Grace Britt, Omaha; Mr. and Mrs. J. M. Roberts, South Omaha; Miss Harriette Long, Prof. J. R. Long and Russell Long, Jackson ville, Ill.; Mr. and Mrs. Thos. Rennells of Henry, Ill.; Maxwell Long of Tarkio, Mo.; Mr. and Mrs. J. W. Magney of Nebraska; Miss Alice B. Anton, Lincoln; Mrs. William Stewart, Maywood; Mr. and Mrs. S. H. Atwood, Lincoln; Mesdames E. W. Reynolds and Nicodemus of Fremont.

## OPENING BALL A GRAND SUCCESS

Columbia Dancing Club Gives Its Initial Party Last Evening.

From Wednesday's Daily.  
The new Columbia Dancing club gave its opening dancing party at Waterman's hall last evening, and if the success of the first party is indicative of those to follow during the season will be, there is certainly a great amount of pleasure in store for the members of the club. The music was furnished by the Mandolin club, including John T. Coleman's new Italian harp, and was very fine, and the floor was in excellent condition.

Among those present were the Misses Dora Swearingen, Maude Eaton, Minnie White, Maude Mason, Jessie Evans, Florence White, Mathilda Valery, Grace Britt, Clara Green, Nina Nicodemus of Fremont, and Messrs. C. G. Fricke, F. R. Ballance, Henry R. Goring, H. F. Goss, H. B. Groves, Jas. Patterson Jr., F. A. White, Lee L. Atwood, Emmons Richey, R. M. White, Don Atwood, H. E. Weidmann, J. C. Thygson, F. M. Sherman and Calvin Atwood.

## HE IS IN BAD CONDITION

From Wednesday's Daily.  
Richard Schroeder, the man who was brought up from Union yesterday afternoon, was examined by the board of insanity today. In the absence of H. D. Travis, one of the members of the board, D. O. Dwyer served. The witnesses who testified were Dr. R. B. Wallace, A. R. Smith, George Leuch and D. L. LaRue of Union.

There is no doubt as to the man's insanity, but as it was learned that his father lived in Wisconsin and was in good circumstances it was decided to notify him and ascertain if he would prefer to take care of the unfortunate man and thus save the county and state any further trouble and expense. Schroeder is also in a bad condition physically, and Dr. Cook thought that with medical attention he might get well. Nothing further will be done until the father is heard from.

## FUNERAL OF LAFAYETTE MINOR

The funeral of Lafayette Minor, who died at his home near McPaul, Ia., Monday evening from injuries sustained by being kicked by a horse on Sunday, was held at the Christian church at 11 o'clock Wednesday and interment was made in Oak Hill cemetery. There was a large concourse of sympathizing friends in attendance—many old friends of the deceased from the vicinity of Murray, where he lived and was highly respected, being among the crowd.

## KEEPING AHEAD OF THE TIMES.

"The News" Puts in a New Engine and Considerable Material.

THE NEWS management has been put to considerable inconvenience for some months by reason of having an engine in its office which did not produce sufficient power to run the machinery properly, and in order to handle the increasing amount of business found it necessary to put in a new engine—which was done today. The office is now equipped with one of the latest improved gasoline engines, which has sufficient power to run all its presses at once at a high rate of speed.

A large invoice of the latest faces of job, book and advertising type has also been purchased and will be ready for use in a few days, making THE NEWS office by all odds the best equipped office in the county or in this part of the state, outside of Omaha.

With these additions to the office, THE NEWS is now able to handle any job of work on short notice and in the latest style.

THE NEWS is highly pleased with the business it is receiving from the business men of Platteville, and can state that the paper will be improved very materially as a result of having new material to work with.

## LIVELY SHOOTING TOURNAMENT.

Large Number of Sports Participate in Today's Tournament.

From Wednesday's Daily.  
There was quite a lively shooting tournament held on the east side of the Burlington tracks today. The tournament was under the supervision of T. M. Patterson, and was participated in by some of the crack shots of western Iowa, Omaha and Platteville.

At the time of going to press six events had been pulled off, the total score of each man being as follows:

## RAILROAD NOTES AND PERSONALS

From Wednesday's Daily.

William Smith, employed in the Burlington tin shop, had the misfortune to injure one of his eyes quite badly this morning. He was cutting a piece of tin when a small piece struck the eye ball, cutting a gash in it. The injury was most painful and blinded him for a time. He went to Omaha this morning to consult an oculist.

Mike Maury, foreman of the Burlington blacksmith shop, made a visit to Omaha today.

The rush of business on the roads at present is heavier than ever before. The car famine is not so noticeable as it has been in the past, but the reason for this is shown in the fact that the roads have more cars, and that they haul larger trains at a more rapid speed, and thus dispose of business faster than formerly. Cars are a very scarce article on Nebraska roads now, and a great many more could be used if they were obtainable.

Jack McCarty departed today for Alliance, where he will assist in the construction of bridges for William Noville on the new line.

John Corey of the Burlington coach shop of this city has been temporarily transferred to the Alliance shops.

Charles Vesley, who is employed in the Burlington paint shop, had a surgical operation performed for rupture in Chicago a few days ago. J. W. Bookmeyer returned from Chicago this morning and reports Mr. Vesley getting along nicely.

## GRAND CHAPTER OF P. E. O.

CHICAGO, Oct. 15.—Two hundred delegates representing chapters in Illinois, Iowa, Nebraska, Washington, Michigan, Kansas, Missouri and other western states were present at the opening of the fourth biennial meeting here today of the supreme grand chapter of the P. After an address of welcome the various sub-committees were appointed and short talks on the growth of the society were delivered by past presidents. Three sessions will be held daily until Friday when the convention closes with election of officers.

Mrs. C. C. Parmele is a delegate from Plattsmouth.

## REV. S. A. DONAHUE

Testifies to the Good Qualities of Chamberlain's Cough Remedy.

On the 10th of December, 1897, Rev. S. A. Donahue, pastor M. E. church, South Pl. Pleasant, W. Va., contracted a severe cold which was attended from the beginning by violent coughing. He says: "After resorting to a number of so-called 'specifics,' usually kept in the house, to no purpose, I purchased a bottle of Chamberlain's Cough Remedy, which acted like a charm. I most cheerfully recommend it to the public." For sale by all druggists.

The many friends of Professor C. F. Tucker will be pleased to learn that he has secured a lucrative position as accompanist in the Chicago Musical college and will depart the first of next week for that city. His friends are sorry to lose him from the musical circles, but are pleased to hear of his good fortune in getting a position for which he is so eminently fitted.

## PROLONGED ENGAGEMENT OCCURS.

Boers and Britishers Do Some Fierce Fighting Near the Town of Mafeking.

The Conflict is Marked by Many Deeds of Daring Among the Soldiers.

LONDON, Oct. 17.—A special dispatch from Pretoria dated October 14, by way of Delago Bay, says: A cyclist dispatch was received from Ottohoep, near Malmait, at 6 p. m. asserting that heavy firing had been in progress all day long north of Mafeking. The British troops on board an armored train acted as a covering force to military engineers engaged in repairing the track. A Maxim gun on the train kept up a continuous fire.

Conspicuous bravery was displayed on both sides, but it soon became apparent that the rifles were ineffective against an armored train. The latter, however, was once forced to retreat before a particularly strong assault, but it soon returned, accompanied by a British mounted contingent and the fighting was renewed fiercely.

Fighting still continues, the Boers holding their positions well. A dozen Boers were killed or wounded, but the British casualties cannot be ascertained.

Heavy firing can be heard south of Mafeking, where General Cronje's command is operating.

A corps of experienced continental engineers has left Pretoria for the southwestern border with an escort of picked Boer shots. It is intended, it is alleged, for dynamite operations.

A large force of Boers is said to be in the vicinity of Ladysmith.

The forces of Commandant Lieutenant Vays are reported on a mountain overlooking Dundee, from which point they will be able to observe the movements of the British troops.

## Firing All Along the Line.

LONDON, Oct. 17.—Rebated dispatches from the scene of action in South Africa throw little light upon the situation. The Boers appear to be strengthening their position in Natal and biding their own time for attack.

A special from Capetown says that 300 Boers and eighteen British have been killed in a battle at Mafeking.

The Orange Free State burghers are threatening to invade Cape Colony by way of Novalpaal and Allwalton, both of which are at their mercy, if they possess artillery.

So far as is known the only British force stationed at Allwalton is a detachment of the Royal Berkshire regiment.

Today's news from the western border reduces the alleged heavy fighting at Mafeking to ordinary proportions. The earlier sensational story originated in the skirmishes between the armored train and small detachments of Boers, although since then much may have happened to the little garrison.

It is difficult to understand how refugees arriving at Lorenzo Marques should have come into possession of news of serious Boer losses at Mafeking. At the same time it must be remembered that much news from Transvaal is likely to come by way of Delago Bay, as most other channels are strictly censored.

CAPTOWN, Oct. 17.—It is reported here that the Boers have had an engagement with another armored train from Kaodesia.

A special dispatch from Mafeking says that all was intact there up to Saturday night. At that time the Boer artillery was being brought up, but it had not been placed in position. According to these advices the British have blown up the Hopetown railway bridge over the Orange river, with a view to checking the Boer advance southward.

It is expected that the Boers will cut off Kimberley's water supply, but the DeBoers dam contains enough for a considerable period.

The archbishop has issued a pastoral earnestly reminding the clergy and laity that men of honor and integrity equal to their own espouse the opposite side, seeing that warm friends and even families are divided in this crisis. In concluding he says: "I beg you all to avoid rash talking and to endeavor to pave the way to a durable peace and to friendly relations, when, by God's mercy, the war shall be a thing of the past."

Allwalton, Cape Colony, is now isolated. From Colesburg came persistent reports of the report that the Boers have attacked Mafeking, having been thrice repulsed with heavy losses.

Smallpox has broken out among the natives from Johannesburg. Eight cases have been discovered.

## Big Hunt for Speculators.

MINNEAPOLIS, Oct. 17.—Reports from Duluth state that timber speculators have discovered a way to get possession of about all the best unsurveyed government pine bearing lands in the northern part of the state with old forestry scrip.

These scrip holders are looking up the best land and plastering it with their forestry scrip, for which they have paid \$2 to \$3 an acre. As pine land is worth at least \$20 an acre, the size of the profit is apparent.

For all fresh cuts or wounds, in either the human subject or in animals, as a dressing, Ballard's Snow Liniment is excellent; while for sores on working horses, especially if slow to heal, or suppurating, its healing qualities are unequalled. Price, 25 and 50 cts. F. G. Fricke & Co.
