Curious Seal Is Unearthed. A unique piece of jewelry has recently found an owner in Chicago after a precarious existence among the years by the chains of disease is the pawnshops. It is an old seal, fashscription and almost hieroglyphic insignia cut into the stone imbedded in the bottom of the queer pyramidal pendant. A secret spring sends part of the gold casing flying upward with a jerky notion, revealing an interior cavity, with two additional secret seals of different stones. One is inscribed in the odd cabalistic design of the outer intaglio, but the tiny one is left blank. The whole design is so strikingly antique and unusual that the interval the Chicago owner is exercising her imagination trying to make up an interesting story to reply to the questions of her friends.

If you are suffering from drowsiness n the day time, irritability of temper, sleepless night, general debility. headsche and general want of tone of the system, use Herbine. You will get relief and finally a cure. Price 50 ets. F. G. Fricke & Co.

Lightest of Liquids. Additional experiments by Professor

Dewar have shown that liquid hydrogen is by far the lightest of ail known density that hydrogen in the gaseous state bears to air. Heretofore the lightest liquid known has been liquefied marsh gas, which possesses about two-fifths the density of water.

Constipation means the accumulation of waste matter that should be discharged daily, and unless this is marks of the pencil on the slate can- done the foul matter is absorbed and Thousands of men and women suffer not be followed without straining the from piles, especially women with feeyes; that the pressure which it is bring about regularity of the bowels.
