WORK THAT TELLS

Plenty of It Has Been Done
Right Here In Plattsmouth.

Cures that last are cures that tell. To thoroughly know the virtues of a medicine you must investigate the cures and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Plattsmouth. People who testified years ago to the relief from backache, kidney and urinary disorders, now declare that relief was permanent and the cure perfect. How can any Plattsmouth suffer longer doubt the evidence?

J. S. Hall, South Sixth Street, Plattsmouth, Neb., says: "In 1896 I strained my back and soon after I began to suffer from kidney trouble. I had severe pains across the small of my back and on this account it was difficult for me to stoop or rise from a chair. I tried several remedies but to no avail and finally when I had the good fortune to hear about Doan's Kidney Pills, I decided to use them. I procured a box at Gering & Co's. drug store and within forty-eight hours after the first dose, I felt better. Since then, I have always kept a supply of Doan's Kidney Pills in the house, finding that they bring the best of results whenever used." (Statement given June 6, 1906.)

On December 30, 1908, Mr. Hall said: "I cheerfully renew my former endorsement of Doan's Kidney Pills. I know that this remedy is a reliable one for kidney complaint."

Pianos for Particular People

When you meet a person who is very particular in musical matters it is safe to conclude that that person owns one of our pianos. The undoubted preeminence of our pianos accounts for their adoption by the best judges of music everywhere. The action of our pianos is up to the standard. Strike a note on one of our pianos a number of times and you will get a response for every note you strike. Nine out of ten pianos will simply result in a succession of blurred tones. We do expert tuning and repairing.
