**WORK THAT TELLS**

Plenty of It Has Been Done  
Right Here In Plattsburgh.

Cures that last are cures that tell. To thoroughly know the virtues of a medicine you must investigate the cures and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Plattsburgh. People who testified years ago to the relief from backache, kidney and urinary disorders, now declare that relief was permanent and the cure perfect. How can any Plattsburgh sufferer longer doubt the evidence?

J. S. Hall, South Sixth Street, Plattsburgh, Neb., says: "In 1896 I strained my back and soon after I began to suffer from kidney trouble. I had severe pains across the small of my back and on this account it was difficult for me to stoop or rise from a chair. I tried several remedies but to no avail and finally when I had the good fortune to hear about Doan's Kidney Pills, I decided to use them. I procured a box at Gering & Co's. drug store and within forty-eight hours after the first dose, I felt better. Since then, I have always kept a supply of Doan's Kidney Pills in the house, finding that they bring the best of results whenever used." (Statement given June 6, 1906.)

On December 30, 1908, Mr. Hall said: "I cheerfully renew my former endorsement of Doan's Kidney Pills. I know that this remedy is a reliable one for kidney complaint."

**Wise talks by the office boy**

Some one sent the boss a bunch of books entitled, "Business Nuggets," "The Road to Success," "The Man in Front" and such like. I think he's been looking them over, for when I came to work this morning he handed me this: "Everything comes to those that wait, and the lazy boy waits to greet it; but success comes on with a rapid gait, to the man that goes to meet it." I had to laugh, because he's the boss; but to tell you the honest truth, a boy on this job doesn't get any chance to apply these wise hunches. Actually it's no credit for a fellow to be industrious here, because he can't be anything else. If he lets up for an hour he wouldn't get his orders out and then there would be people coming in and saying lots of fierce things, but nothing about "business success" or the "lazy boy waits to greet it." Have you tried Curtis Brothers Janis. Retains all the fine natural flavor. Great Picnic size, 25c. Don't forget to order a sack of Goods Best Flour with your next order.
