York-Freese Wedding

A very pretty wedding occurred at the Methodist Episcopal church Tuesday evening at 8 o'clock when Miss Mabel Freese and Mr. Don York were united in the holy bonds of wedlock. Many friends and relatives were present at the marriage and the summer costumes and beautiful floral decorations presented an imposing and resplendent scene.

Mr. E. H. Wescott presided at the organ while Mrs. Mae Morgan and Mrs. Clara Wescott sang a duet entitled "I Would that My Love," by Campani. Then as the heavy chords of Lohengrin's wedding march pealed out the bridal party appeared and marching down the north and south aisles took a position in front of the church where the ceremony was performed by Rev. A. A. Randall the pastor, the pretty ring service being used.

The happy couple was supported during the ceremony by Russel York, Chas. Freese, Jesse York, Zelma Tukey and Carrie Becker, while little Mable Copenhagen was the ring bearer. The bride was gowned in dainty white with veil and brides roses, the maid of honor in blue satin and the bridesmaid in white, while the groom and groomsmen wore the conventional black.

The bride is the well known daughter of Mr. and Mrs. Wm. Freese, and the groom is the son of Mr. and Mrs. J. C. York, both being well known and popular young people of this city, with a large circle of friends who will join the NEWS-HERALD in extending congratulations and best wishes for a long and happy wedded life.

Death of Jacob Stenner

The funeral of Jacob Stenner who died at his home in the west end of the city Saturday night after a long illness took place from his late home Monday afternoon at 3 o'clock. The services were conducted by Rev. Luther Moore, Pastor of the Christian Church of which the deceased had been a member and active worker for over twelve years. Rev. Moore's sermon touched upon the consistent Christian life and upright character of the deceased brother, and that the bereaved relatives would derive great comfort from the knowledge that the loved one had gone to a better reward. A quartette composed of Mrs. Mae Morgan, Miss Minnie McKay, B. A. McElwain and Geo. L. Farley, sang several hymns very sweetly, and especially "Nearer my God to Thee" a great favorite of the deceased. The remains were conveyed to Oak Hill cemetery and interred in the family lot.

The pallbearers were, J. L. Burrows, P. A. McCreary, H. M. Wilcox, Chas. Renner, Benj. Hyde, Jos. Parker. They being members of the M. W. A. of which the deceased was also a member.

Mr. Stenner was born in Germany, on December 22, 1862 and at the age of 5 years came to America with his parents who settled in Iowa where they lived for a short time, later removing to Rawlins county, Kansas, where his father was killed during the Indian raid of 1878. The family then took up their residence at Indianola, Neb., where Mr. Stenner and Miss Inez Cowles were married in 1885. Eight children were born to them, all being present at his death except one son, who is in the U. S. Navy and is at present located at Vladivostok, Russia. Besides his wife and children he also leaves four brothers and four sisters.

For the greater part of his business life the deceased was engaged in farming and stockraising and was compelled to give up a prosperous business in the southwest on his doctor's advice and move to this state for his health. He has been largely engaged in farming here and during his residence of a half dozen years in the vicinity had made hosts of friends who admired him for his straightforward qualities and who deeply sympathize with the family in the loss of their loved husband and father.

Harry L. Kruger, wife and child left Tuesday for Ferry, Okla., where they will visit for several weeks. While there Mr. Kruger will pay a visit to the state of Texas and inspect certain farm lands which parties wish to sell him.

Mrs. Amanda Brown, who has been visiting with L. B. Brown at Kenosha, for a few weeks, departed yesterday for Hartington, Kans., where she will visit her son before returning to her home in Illinois.

Does it Make Any Difference to You

Whether you have a CASE machine or not? If it don't then you are not interested in threshing machinery. It makes a good deal of difference to the thresher whether he has a CASE machine or not. And if you are a farmer it makes some difference whether the thresher has a CASE machine or not, for if he has one you will be assured of good, clean grain, which will naturally bring higher prices than indifferently threshed grain. If you are contemplating entering some business investigate threshing as a business. And while you are about it investigate CASE threshing machinery. It will repay you. A CASE steel separator will save you money as no other machine will. They are fire-proof, consequently there are no excessive premiums to pay. They are water and weather-proof saving you money in that they do not deteriorate so rapidly as a wooden machine. See me for catalogues and prices.
