

The Columbia Tennesseans
AT THE ELMWOOD CHAUTAUQUA

The Association takes pleasure in announcing that we will be able to present this splendid company on our platform the last three days of our Chautauqua. This company has been carefully selected, and as there are many other companies of high standing in the field, we have no hesitancy in offering this as one of the best now before the public, both from a musical standpoint and that of intellectuality, sobriety and morality.

Special From
Murdock

An enterprising citizen of Murdock begs to make the following suggestion to his fellow townsmen, who we realize have been very busy helping to handle the business and industries of our little town.

But we fear some of us in the rush of business have neglected the care and beautifying of our individual properties, also have neglected to think properly of our health and the sanitary conditions of above mentioned properties. Let us now gently bring to mind those tall, rank weeds in our back yards also as we walk along our fine cement walks, how far from pleasant to over hanging weeds brush our clothing.

Have we ever stopped to think in connection with the prevailing epidemic of fever which is going through our town that fever germs thrive and multiply rapidly in just such places as the aforementioned.

Now let us all get busy, take a few hours or a day from our business, get a scythe and a rake and go after this rank growth of weeds and let the God Blessed Sun Shine on the ground round our homes.

This will make a great improvement in the appearance of our town as well as prove highly beneficial to the sanitary conditions of Murdock.

For a Cleaner City.

Charley Martin, the Main street tinsorial artist, has a scheme for the beautifying of the city which he thinks should be of interest to every business man on the street. In sweeping his sidewalk twice a week he sweeps the street to the center. He has already interested John Bauer, the hardware man, and there is no doubt that the result is a great improvement. They argue that it would be a small chore for each individual owner to sweep to the middle of the street twice a week, and the result will be an improvement that would many times repay the slight effort put forth in its accomplishment.

Admitted to Bail.

In the Supreme court Tuesday John Clarence was admitted to bail in the sum of \$15,000 pending the appeal of his case to that court.

Death of
Conrad Heisel

Conrad Heisel, pioneer resident and mill owner, died last evening at his home in this city after an illness covering a period of several years. Mr. Heisel had been suffering from an old wound on his foot and gangrene was the immediate cause of his death.

He was born in the village of Dell, province Hesse, Darmstadt, Germany, on April 24, 1830, and was 79 years of age at the time of his death. He came to America, Aug. 6, 1856.

He had been in the mill business here for a good many years, being compelled recently, however, to turn its management over to his sons.

Miss Lucile Bates left Tuesday for Grateville, Iowa, where she will visit for some time with an uncle.

WOULD FUSE WITH THE ORIENT.
Writer Declares That Out of Action Would Come a Better Race.

In many respects the orientals are our antithesis, and if our ideals, principles, and institutions are more beneficent, we are under obligation to present them. There should be no collision between the Mongol and the Anglo-Saxon races, but instead there should be a fusion. Out of this fusion there should emerge a better race. We can learn much from the various people of the orient which would be beneficial to ourselves, and while we receive from them we are able to contribute the one great principle of the Anglo-Saxon race, namely, liberty. Every race that has come into power and prominence has stood for some great, overmastering idea. That for which we stand and which is the great touchstone of our great national life is liberty. It is for our nation, as the great western wing of the Anglo-Saxon race, to join in the extension of this principle, and also to bear the message of peace.—Mason S. Stone, Commissioner of Education of Vermont, in *Losie's Weekly*.

in the town of westford, Mass., many children are brought to the public schools in barges from the surrounding country, and warm soup and cocoa is furnished them by one of the townswomen, Mrs. John C. Abbot, who appreciates the fact that, leaving home so early, they need something warm with their luncheon at noon.

Doing
Their Duty

Scores of Plattsmouth Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty.

When they fail to do this the kidneys are sick.

Backache and many kidney ills follow; Urinary trouble, diabetes. Doan's Kidney Pills cure them all. Plattsmouth people endorse our claim.

P. M. Lindsay, Marble Street, Plattsmouth, Nebr., says: "Off and on for about two years I suffered from pains in my back and while at work, a dull, steady ache through my loins greatly disturbed me. I had reason to believe that the trouble was caused by disordered kidneys but I was unable to find relief from the remedies I used. Finally Doan's Kidney Pills were brought to my attention and I procured a box at Gering & Co's. drug store. The results that followed their use showed that I had at last found the right remedy for my trouble and thus encouraged, I obtained another box. In return for the great improvement Doan's Kidney Pills have made, I heartily endorse them."
