The Plattsmouth Journal.

PUBLISHED WEEKLY AT PLATTSMOUTH, NEBRASKA.

R. A. AND T. B. BATES, PUBLISHERS.

HAVEN'T we had about enough of Mark Twain? There are others.

THE elections this year means a great deal for Democracy in 1904

THE monument erected to the memory of the late Hon. Richard P. Bland, at Lebanon, Mo., will be unveiled next Tuesday, at which instance addresses will be delivered by W. J. Bryan and Ex-Governor ippines, resurrects the parable of

come to be live political issues and make a right." elections will go as public opinion goes in these matters. It is a certainty that the sentiment of the people is against trusts and for the abolition of tariffs for trusts.

THERE was a time when the United States could have bought lustrious dead and favor the Re-Cuba from Spain for \$90,000,000 but thought it a bad bargain. Now the island has cost us over \$400,000, 000 and much American blood, and it is not ours after all.

THE business of the Committee on Appropriations in every Congress is of the sort "you tickle me and I'll tickle you" variety. The fact the business is in the tickling business Burkett acted too much like the six year old school boy who was tickled in the ribs by the schoolmarm who replied: "Ma don't low any one to tickle me only home islation that has for its object the

people.

THE question for the Republi cans to answer is whether the ac cusation against Smith and others like him are true or not; and not whether lynching is a more, or a less brutal crime.

ALL real democrats are united for the success of the party in the Congressional elections of this year and the Presidential contest of 1904. The issues are clear and when you find a man "out of harmony" you will also find that his democracy is only skin-deep.

ROOSEVELT in referring to lynching in the United States, in connection with cruelties in the Philthe mote and the beam, and seems to lose sight of the equally old and TRUSTS and tariff revision have true adage that "two wrongs do not

Anheuser-Busch Brewing Ass'n, (

A Neat Restaurant.

One of neatest restaurants in the city is that owned by Perry Utterbeck, on the south side of Main street, between Fourth and Fifth. He is prepared to furnish meals at all hours. day or night, and in any style desired. His tables are supplied with the best that the market affords, and his prices are the most reasonable. So when you are in Plattsmouth, don't forget to give Mr. Utterbeck a trial. He has just renovated his restaurant throughout, and is better prepared than ever to give his friends and patrons a most cordial greeting, and plenty to eat.

Low Rates to Twin Cities.

Via Burlington route. Round trip tickets to St. Paul and Minneapolis on sale from Plattsmouth, Neb., June 16 to 30, and July 1 to 7, at rate of \$13.21. Liberal return limits. A splendid opportunity to visit any of the ten thousand beautiful lake resorts of Minnesota. Special round trip rates to these points from St. Paul and Minneapolis. Ask the nearest Burlington route agent, or write, J. Francis, general passenger agent, Omaha, Nebraska.

Gospel Meetings.

Services still continue at the tent, The preaching of Mr. Smiley has aroused an interest among the unconverted and it is hoped that many more will enlist themselves in the army of Christ's church. Prof. McKinsey has pleted in about two weeks. organized a personal work class among the young people, and at each service christian workers are speaking to their the city clerk and treasurer, and unconverted friends who have never made a profession.

DETAILS OF TRAIN RUN.

Something about the Power Demanded by a Burlington Fiyer.

A railroad man with a penchant for figures has just produced some statis-tics on the Burlington's Chicago special which are not at all dull. He finds that The board will sit as a board of on the daily 1,046-mile journey of this equalization beginning Tuesday June train from Denver to Chicago via Oma-30 10th, at 10 o'clock a.m. and continuing sume 81,567 pounds of coal, more than from day to day up to and including forty tons, and 57,150 gallons of water

June 26th Sundays not included. - quite enough to supply the wants of a good-sized community To prevent hot box on the cars as a result of the fast running, 176 pounds of cotton wast and 704 pints of lubricating oil are necesary every day in the year. This means that in the twelve months more than thirty-two tons of used. The figures given are taken from carfeul observations on the run of the

> are approximately correct for the Chicago-Denver run. The engines make an ordinary speed of from fifty to sixty miles an hour, while bursts of sixty-five or seventy miles per hour are every day occurences. The railroad with the pencil figures that this train expends an energy while running at its usual speed as much as 1000 horse power. If this enormous energy in a flight of the train across the country, could be harnessed it would furnish more than enough

power to run all the trolley cares Omaha.
