**Weeping Water**

Tracy Leyda has purchased the north-east quarter section of the Ed Tighe farm paying for it \$75 per acre. The work on the Methodist church will probably be discontinued until spring as the weather is too cold for spreading mortar. Owing to a scarcity of cars the elevators here have been loaded to the brim with corn and unable to receive any more for a few days. Dr. J. B. Hunsage received his commission Thursday, from the governor, appointing his assistant surgeon of the First Nebraska, with rank of First Lieutenant. Mrs. Traffic Rector, of Arapahoe, James Rector of Ulysses, Byron of Havelock, Simeon, Oien and Miss Lena of Lincoln, were in attendance at the funeral of Samuel Rector. Dan Bourke has purchased of John Tighe the elevator he had at Springfield. We were in hopes that Dan would get into something a little closer to Weeping Water, but he says he will be here Saturday nights. Miss Bertha Richey returned to Plattsmouth Friday, accompanied by Marion Dickson. She left the measles boy here to recover, and took Marion over so that when he took the disease it wouldn't interfere with Mrs. Dickson's trip to Plattsmouth to spend the holidays.

Born—to Mr. and Mrs. Orris Drum, a daughter, Monday, December 15, 1902. Cards are out announcing the marriage of Mr. Will Holden to Miss Maud Teodorski at the home of the bride's parents, Mr. and Mrs. B. W. Teodorski, of Louisville, at high noon on Christmas day. Mr. Calvin Russell sustained a serious fall last Wednesday, and has been confined to his bed ever since. Mr. Russell has been feeble for a number of years and his fall has been a great shock to his system. Chas. Gilmore did a little canvassing among our citizens this week in the interest of his electric light plant, and met with favorable success wherever he called. He says that if he can now make satisfactory terms with the manufacturers in the purchase of the plant, he is ready to go ahead and put in the machinery. G. H. Olive came near having a serious fire last Friday evening at their home on the south side. Mrs. Olive struck a match and the head flew off, setting fire to the fringe on a sofa, which was soon all ablaze. It took some quick work on the part of Mr. and Mrs. Olive to extinguish the flames. The loss was estimated to be \$20 fully insured. A young Kansas claim to have shucked 126 bushels of corn in six hours and eleven minutes. The work was done on a wager of \$50 a side between himself and a fellow laborer, with \$10 added by the owner of the corn. If this Kansas champion will come up here we will put Roe Berryman up against him.

**Union**  
Ray DuBois and wife and Theo. DuBois and wife arrived Tuesday evening from Unadilla to attend the funeral of their cousin, the late Hiram DuBois. Attorneys H. D. Travis and D. O. Dwyer were down from Plattsmouth yesterday, settling up the Brendel-Gilmore controversy in Justice LaRue's court. The change of postmasters took place on Monday, at which time Will DuBois began writing a big "p. m." after his name and selling stamps at the same old price. He is already familiar with the work, and handles it in good shape. J. W. Gerking of Fairplay, Missouri, has been here the past two weeks with his daughter, Miss Belle, who has been very ill with typhoid fever at M. H. Shoemaker's. Mr. Gerking resided near here several years, and has many friends who are very glad to meet him again. The case of Brendel vs. Gilmore, a suit to recover the sum of \$55, alleged to be due on account, was on trial in Justice LaRue's court on Thursday of last week, and was adjourned for one week. Yesterday the plaintiff filed a dismissal of the suit, and thus the matter ends. The Missouri Pacific officials inform us that plans have been drawn for additional tracks at this place, one of which will be a pass-lug track 2,500 feet in length, but will not be put in until spring. Early in the spring the old depot is to be raised and put in good shape and other substantial improvements will be made about the railroad property.

**Elmwood**  
From the Leader-Echo.  
Mrs. Neely and Mulr, of Alvo, operated on the two-year-old girl of Charles Ingerson, Tuesday for strangulated hernia. The Plattsmouth telephone exchange commenced doing business Monday morning with 35 phones in operation. Telephone cards will be out in a few days. At time of going to press Mr. Gamble's little girl, who was operated on Sunday, is doing well and there is a good chance for her recovery. John Mauer, the man who lost his leg in a corn sneller accident, is also doing splendidly. Mrs. Neely and Bobannan, of this place, and Dr. Cameron, of Palmyra, operated on Bertha Gamble, the six-year-old daughter of Mr. and Mrs. James Gamble, Sunday afternoon, for abdominal tumor, removing a tumor weighing four pounds. The little girl did not complain of feeling badly until Wednesday of last week, being in the best of health prior to that time, and her illness was not deemed serious enough to call a physician

until Sunday. The patient stood the operation as well as could be expected, but is very low at time of writing, Monday. Her condition was very serious, the tumor being almost in a gangrenous state, in spite of the fact that she had then complained but a few days.

**Louisville**  
From the Courier.  
Miss Annie Sherman is getting along nicely and is now able to sit up. Jim Williams and family and Mrs. Julia Ragoss went to Oklahoma Tuesday to visit friends and relatives. Dr. Schilder, the dentist has gone to Blair where he will practice his profession. He was a good dentist, but didn't find business as good as he desired. He accepted a position at \$150 per month. The M. W. A. lodge elected the following officers Friday evening: V. C. S. A. Morrison; W. A., J. A. Dawson; Banker, H. E. Pankonin; Clerk, J. P. Woods; Escort, L. C. Scott; Watchman, C. F. Rath-bun; Sentry, J. M. Delezene; Manager, W. C. Dorsey; physicians, Dr. Peters and Worthman. What came near being a serious accident happened at the quarry Tuesday. Some dynamite took to exploding without any apparent cause. George Waldron threw some of it out of the office in time to save his life. As it was the office was torn to pieces, but fortunately no one was badly hurt. No one knows what made it go off. The election for a new school house has been postponed until January 6, 1903. All voters should be out and vote for what is the best interests of the district. Remember you must have been assessed in 1902 either real or personal property or else have children of school age. A wife has no right to vote because her husband owns property nor has a husband a right to vote because his wife is a property owner.

**Nehawka**  
From the Register.  
Edgar Mark holds the championship on killing jack rabbits. He killed four Tuesday. R. B. Stone and wife from near Murray were visiting relatives and friends at this place. Sylvester Shanklin and wife departed Tuesday night for Hicksville, Ohio, to visit relatives and friends. A couple of young men from Sweden, by the name of Johnson, arrived in Nehawka Wednesday and went to work at the quarries. They are both sons of Peter Johnson. Born—to Mr. and Mrs. Otto Albin on Thursday, December 11th, 1902, a son; to Mr. and Mrs. Robert C. Lyle, on Wednesday December 17th, a son nine pounds; to Mr. and Mrs. William Ketch, on Thursday, December 18th, a daughter; on Wednesday December 17, to Mr. and Mrs. Henry E. Duclos, a son, 12 pounds.

**Maple Grove**  
Special Correspondence.  
James Fleming was a Maple Grove visitor Thursday. Those who attended the Schafer-Hennings wedding from this locality were: William Puls and family, Mr. and Mrs. W. H. Puls, Mr. and Mrs. Ed Gansmeier and Alfred Gansmeier. Mr. Julius Bock, from Wyoming, visited with his parents Mr. and Mrs. John Bock last week. Ernest Young left Sunday morning for Lincoln, where he will visit for a few days. J. R. Cathey has just completed a new cob house which is a dandy. Henry and August Engelkemier visited with Mr. and Mrs. W. H. Puls Sunday. Mr. and Mrs. Alf Egger, of Gage county, Nebraska, were visiting with Mrs. Schafer and family last week. Christmas will soon be here, but no Christmas tree for Maple Grove so we will spend our Christmas in other towns.

**Greenwood**  
From the News.  
B. G. Wurl, of Wurl Bros., Plattsmouth, was here on business Saturday. Mr. and Mrs. J. S. Foster left Monday for a two weeks visit with friends in Tauma, Iowa. W. F. and E. E. Hartsook delivered 2,200 bushels of wheat here last week of their own raising. Madame Bumor says there will be several weddings in Greenwood and vicinity before the new year begins. Jack rabbits retail here at 15 cents a piece, which is cheaper than beef at 15 cents a pound. Mr. and Mrs. W. A. Farmer, four miles north of town, celebrated their twentieth wedding anniversary the 12th inst. The News printed cards this week announcing the marriage of Miss Edith Birdsall to Mr. J. G. Kimberley on the 24th, and extend congratulations to them. Mrs. Wm. Armstrong with some spring chickens in advance of her neighbors, she has a brood of young chickens which were hatched by one of her fine Plymouth rock hens on the 15th of December in a bunch of grass under a foot of snow, in the orchard, where some boys hunting rabbits found the hen and her little chickens. This is the first time we ever heard of chickens being hatched in a snow drift.

**Fight Will Be Bitter.**  
Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. B. Beall of Beall, Miss. has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by F. G. Fricks & Co., Druggists. Price 50c and \$1.00. Trial bottles free."
