**Eagle**  
From the Beacon.  
Charley Smith formerly of Eagle was married last Thursday at Nebraska City. Last Saturday Will Pennington broke one of the bones in his foot by a fall. He was taken to Dr. Thomas' office where the bone was set; he was taken to the hotel. While this is not the season of the greatest numbers of the victims of Cupid he gets in his work occasionally. The latest victims of his arrows that bring joy to so many hearts are Mr. John L. Wood and Miss Mae E. Miller who were united for life by Rev. Heckler. The ceremony that coupled together the fortunes of these happy young people was performed at the beautiful country home of the bride's parents two miles south of Aivo on Wednesday at 2 p. m. The ceremony was witnessed by about fifty of the relatives of the contracting parties. These young people are the children of old residents who by hard and honest toil have amassed considerable wealth together with their good names, so that as they begin the journey over the eventful road of life they are well fitted to go forward.

**Louisville**  
From the Courier.  
The Commercial club is in favor of buying the old school house and making an auditorium out of it. Help in the good work and improve your town. Jim Terryberry's shoulder is still so stiff and sore that he can't hold the gun but he still shoots a little left handed. His many friends will be glad to hear that his arm is still improving. The bank robbers left an empty whisky bottle in the oak bin at the mill. It was a very fine grade of whisky. The empty bottle will be kept as a means of identification. Quite a number of people are disappointed since the B. & M. changed time. It makes it bad for those who want to go to Plattsmouth as they can't make connections here now. Mr. Tennant, whom Dr. Anison operated on for cancer last week died yesterday morning. The funeral was held today, conducted by Elder G. W. Mayfield. Obituary next week. Tom E. Parmele was in town Wednesday looking after his banking affairs. He will make extensive improvements on the bank and try to avoid another robbery. He has already, as stated last week put another safe in the bank and everything is moving along in good shape. The Commercial club held their annual meeting in the council chamber Tuesday night. Several matters of interest to the town were discussed. A committee of three, consisting of H. E. Pankonin, C. A. Richey and Wm. Wade was appointed to investigate the moving of the old school house. The following officers were elected: President, J. P. Ellis; first vice-president, C. A. Richey; second vice-president, H. E. Pankonin; secretary, S. A. Morrison; treasurer, Geo. Frater. Miss Louise Guthman returned to her home at Plattsmouth Wednesday after a two months visit with her sister, Mrs. Will Krecklow.

**Greenwood**  
From the News.  
Mr. and Mrs. Al Rhoden's baby that has been sick with lung fever is getting better. Greenwood is trying to keep pace with her neighbors even in sensational matters. A suicide last week and an elopement this week does not leave her far behind in the race. Last week's news contained a statement from Mrs. Josie Cline of this city, to the effect that one Joseph Whitaker who had been rooming at her home and was indebted to her for room rent, had slipped in at night, took his effects and skipped out without paying his bill or leaving her the keys. Mrs. Cline informs us that since said article appeared in the News, Whitaker came back, paid the bill and delivered her the keys. Mrs. Cline has no desire to do injustice to any one neither has the News, hence this additional statement of the facts. Mr. Wm. A. Knicey and Miss Ada Craig surprised their many friends here by driving to Ashland Wednesday noon and taking the two o'clock flyer for Council Bluffs where they were married at 4 p. m., so the News is informed. The young couple are well and favorably known in this town and vicinity. Mr. Knicey is the eldest son of Mrs. S. A. Knicey, who recently moved to Greenwood and is engaged in the mercantile business here. He is an energetic, ambitious young man of good business qualifications; while his bride is the beautiful and accomplished daughter of Mr. and Mrs. E. B. Craig of this city.

**Nehawka**  
From the Register.  
Born—Saturday, Jan. 10th, to Mr. and Mrs. Lewis Jensen, a son. Born Tuesday, January, 6th, to Mr. and Mrs. J. R. C. Gregory, a son, 11 lbs. This should have appeared in last week's paper, but we did not hear of it until after we had gone to press. Prof. Vanscoyok has had patented an invention that is a smoke consuming and fuel saving device. He assured us that from experiments made, it will consume three quarters of the smoke and soot. In addition to this it only requires one quarter of the fuel to give a certain amount of heat. If he can get as much heat out of 25 per cent of wood or coal as the rest of us get out of 100 per cent, he has a fortune in sight. Hon. E. M. Pollard manager of the Nehawks Fruit Farm, reports that they have done a very satisfactory business this season.

**RUTS**

The walking sick, what a crowd of them there are: Persons who are thin and weak but not sick enough to go to bed. "Chronic cases" that's what the doctors call them, which in common English means—long sickness. To stop the continued loss of flesh they need Scott's Emulsion. For the feeling of weakness they need Scott's Emulsion. It makes new flesh and gives new life to the weak system. Scott's Emulsion gets thin and weak persons out of the rut. It makes new, rich blood, strengthens the nerves and gives appetite for ordinary food. Scott's Emulsion can be taken as long as sickness lasts and do good all the time. There's new strength and flesh in every dose.

We will be glad to send you a few doses free. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy. **SCOTT & BOWNE, Chemists, 409 Pearl St., N. Y. 50c. and \$1. all druggists.**

**Weeping Water**  
From the Herald.  
Born—to Mr. and Mrs. Justin N. Ranney, Friday, January 8, a boy, regulation weight. The Miss Jennie and Dora McMurrin accompanied Roy Barrett on his trip to Oklahoma last week. Dan Burk bumped his head up against a horse's leg last week and peeled his face quite badly. Don C. Despain of Plattsmouth, was in town Saturday. Mr. Despain is seeking a clerkship in the bureau of labor. Norman Coon was born in New York, Dec. 15, 1828, and died in Weeping Water, January 10, 1903, aged 74 years and 26 days. Mr. and Mrs. Emmor T. Marshall mourn the loss of their three months old baby girl, which died last Saturday. The little one had been sick almost since the date of birth not being able to digest its food. Charles Murphy and two sons, Humphrey and James, went to Falls City Saturday, where the boys will attend school at the convent. Mr. Murphy has numerous friends there that he visited several days. Mr. Stohman residing one-half miles west of the Catholic church was found unconscious in the yard last Friday, and Dr. Rickard was called to attend him. Heart trouble was the cause of his illness, and reports last heard were to the effect that he is improving some.

**Mynard**  
Special Correspondence.  
Isn't this fine winter weather? Is a common remark. Bert Fickler was a Mynard visitor Tuesday; Bert Satchell, likewise; R. W. Long, likewise; K. K. Parmele, ditto; many others (ditto). J. H. Cook sr. is very ill at the home of his son, J. F., west of Mynard. Mr. Cook is about 82 years of age, and his chance of recovery is considered very slight. His son George from Aivo, is at his bedside. Measles are raging in our vicinity in some families—R. L. Probsts, Bert Satchell, and Allen Lands. Mr. Land is having rheumatism for himself, and is having plenty of suffering with it. Dr. Brendel being called to his home on Tuesday. Phil Cook's baby boy was taken sick on Monday night, and Dr. Brendel was called. We are glad to note its improvement. C. H. Vallery wants us to apologize for the article we wrote a few weeks ago in regard to the wife beater. He says he is the only man in that region who can whip his wife, but he is good to her. Maybe this will do for an apology. I think Coon is good to his wife. Poor puny little men around Coon's "better look a leadle out," when your women folks hear about this. J. R. Vallery and D. F. Kiser's families have measles in their homes also, and this we almost overlooked. Our car famine is still on without any prospect of abatement. Remarks are in order that people in general are disgusted with the present state of affairs. No coal to be had, no

**Union**  
From the Ledger.

Attorney H. D. Travis came in from Plattsmouth Wednesday evening on legal business, and left via Weeping Water for Omaha yesterday morning. Geo. H. True and wife are the proud parents of a fine daughter weighing only 12 1/2 pounds, which arrived at their home Sunday evening, Jan. 11. "Judge" ought to furnish us a whole week's smoking on account of such an event. Harry Thommas and A. Robotham of Eagle passed here on the noon train Wednesday enroute to St. Louis to enter a school of telegraphy for a thorough course. Harry was formerly a Union boy, and he has many friends here who wish him success in his chosen profession. One characteristic of the newspapers is their willingness to make corrections until they get things as they ought to be, especially as to births. We reported a birth at the home of Charles Woodard Dec. 5, and had it correct except as to sex, it was a boy instead of a girl. Let us have two guesses and you can't fool us on such items. Rev. G. W. Ayers, the great pastor of the Methodist church of this village, certainly has a fascinating way of adjusting the matrimonial noose, judging by the fact that he was called upon Thursday evening of last week to officiate at the wedding of a couple who came from Auburn, Mr. David McFarland and Mrs. Olevia Ellen Sage, both residents of Auburn. The wedding took place at 4 o'clock p. m. at the Methodist parsonage in the presence of a few invited guests. The bride and groom departed that evening for Omaha to visit relatives a few days, then returned to their home near Auburn.

**Elmwood**  
From the Leader-Echo.

A ten pound daughter was born to Mr. and Mrs. Cordy Brittell Wednesday Jan. 14th. Charles Gerberling and family left this week for Detroit, Oklahoma, where they will make their future home. John Lean left Tuesday for Medford, Oregon, to look at the country with a view of locating there if it suits him. Dr. J. M. Neeley and bride returned Saturday morning from their wedding trip, and will be at home to their many friends after February 1st, in the Bird Critchfield residence, recently purchased by the doctor. Bert Reed and family left Tuesday for Roseburg, Oregon, where they expect to make their future home. Their many Elmwood friends unite with the Leader-Echo in wishing them health, happiness and success in their new home. At the home of the bride's parents, in Elmwood, on Wednesday evening, January 14, 1903, at 8 o'clock, Rev. A. M. Perry, of Ashland, officiating, Mr. Roy B. Cox, of Murdock, was united in the holy bonds of wedlock to Miss Grace, youngest daughter of Mr. and Mrs. L. P. Horton. Dr. Dearing left Monday morning for Lushton, where he is practicing.

**The Ins and Outs of Soda Crackers**

Soda crackers fresh from the oven are good—delicious—  
—if exposed to the air they quickly lose that goodness—  
—much of it in a few minutes—most of it in an hour—  
—all of it in a day.  
—That's why the common kind, the paper-bag kind, have lost their flavor before you get them.  
—In Uneeda Biscuit there's a difference—a big difference because they are packed at the oven door in the famous In-er-seal Package—the package with red and white seal—an invention for preserving the goodness of biscuit; an airtight and germ proof covering which holds within the oven-fresh flavor of Uneeda Biscuit—and keeps without the undesirable flavors of all other things—that's one reason why millions buy Uneeda Biscuit Another reason is the price—
