VERY FAST TIME

NEW WORLD'S RECORD MADE BY THE HORSE DILLON.

GOOD CONDITIONS FOR RACE

Before a Large Crowd the Fleet-Footed Animal Clips Over Two Seconds From Best Time—Gait So Smooth as to Deceive All Spectators.

READVILLE, Mass.—Before a great crowd of spectators at Readville on Monday, and with track and weather conditions perfect, Lou Dillon trotted a mile in two minutes, a new world's record. So that no breeze might interfere, Millard Sanders, driver of the great mare, brought out the daughter of Sidney Dillon for the attempt early in the day.

For pacemakers there were two running horses hitched to road carts, Peggy from Paris, driven by "Doc" Tanner, and Carrie Nation, driven by Scott McCoy.

The first score was fruitless, Lou Dillon making a break just before reaching the wire. On the second attempt, however, the word was given, Starting Judge Walker rang his bell, but Tanner nodded or him to say "go" and turning to Sanders, called to him to come along.

Tanner kept Peggy from Paris directly in front of the peerless chestnut trotter while McCoy lay at her wheel. In this way the trio went to the quarter pole in thirty and one-quarter seconds. With never a skip Lou Dillon went so smooth-gaited down the back stretch as to lead those not timing the mile to believe that her speed was not alarmingly fast.

The half was clicked off in 1:00.4. Around the turn to the three-quarters pole the clip quickened, the third quarter being in 30.4 seconds, making that mark of her journey in 1:31. Faster and faster came Tanner with the runner and right with him trotted the handsome California-bred mare. Sanders was sitting perfectly still, but McCoy was crying aloud to his runner to cheer on Lou Dillon. To the amazement of all the quarter was driven in twenty-nine seconds, thus making the mile in the wonderful time of two minutes.

When Sanders jugged the mare back to the wire, those who had witnessed the performance leaped to their feet and sent forth cheer after cheer. Lou Dillon apparently was as fresh as though she had only been out for a jogging exercise. Sanders said he fully believed that before the season closes he will drive the mare in 1:59 or better.

SANTA ROSA, Cal.—Lou Dillon was bred and raised on the Santa Rosa stock farm. It is said that when a colt Lou Dillon was offered for sale for \$150, with no takers. She is by Sidney Dillon, out of Lou Milton, both local animals.

TURKS DEFEATED IN BATTLE.

Three Battalions of Troops Make Attack on Insurgent Band.

SOFIA, Bulgaria.—A fierce battle is reported to have occurred in the neighborhood of Monastir.

Three Turkish battalions attacked 1,000 insurgents and after the fight had raged for six hours the Turks were repulsed with the loss of 210 men killed and wounded.

The insurgent loss is not given. Reports received here from Constantinople and believed to be authentic confirm the previous statements to the effect that when the Turkish troops recaptured Krushevo they slaughtered the entire Christian population without exception, and it is pointed out that among those killed were the employees of the government tobacco establishments, which were under European control, as the proceeds from these establishments were assigned to the payment of the Turkish debt.

As it was Reliance sailed the thirty miles within two minutes and thirty-nine seconds of the record, which speaks wonders for its speed in the wind that was blowing. Reliance's victory, narrow as it was, would have been even smaller had not Captain Wringe, the skipper of the British boat, bungled the start, sending his craft over the line nineteen seconds after the last gun and handicapping it to that extent. At every point of sailing the defender's superiority was demonstrated. It gained one minute and fifty-one seconds in windward work, forty seconds on the run to the second mark and forty-five seconds on the close reach for home.

RELIANCE AHEAD

AGAIN SHOWS ITS HEELS TO LIP-TON'S CHALLENGER.

THE BRITISH BOAT IMPROVES

Belief of Many Experts is that the Cup is Safe—As Pretty and Hard Fought Contest as Ever Sailed Off Sandy Hook.

Reliance—Start, 11:00:36; finish, 2:15:30; elapsed time, 3:14:54; corrected time, 3:14:54.

Shamrock III—Start, 11:02:10; finish, 2:20:10; elapsed time, 3:18:10; corrected time, 3:16:13.

Reliance wins over time allowance of 1:19.

NEW YORK—In a glorious whole-sale breeze, over a triangular course, ten miles to the leg, the fleet-footed cup defender, Reliance, again showed its heels to Sir Thomas Lipton's challenger, taking the second race of the cup series of 1903 by the narrow margin of one minute and nineteen seconds. It was as pretty and as hard fought a contest as has ever been sailed off Sandy Hook, and had the wind not fallen during the last ten minutes the record for the course, 3:12:15, made by Columbia two years ago in its memorable race against Shamrock II, would have been broken.

As it was Reliance sailed the thirty miles within two minutes and thirty-nine seconds of the record, which speaks wonders for its speed in the wind that was blowing. Reliance's victory, narrow as it was, would have been even smaller had not Captain Wringe, the skipper of the British boat, bungled the start, sending his craft over the line nineteen seconds after the last gun and handicapping it to that extent. At every point of sailing the defender's superiority was demonstrated. It gained one minute and fifty-one seconds in windward work, forty seconds on the run to the second mark and forty-five seconds on the close reach for home.

Based on the magnificent showing it has made in the two races already sailed, it is the belief of many experts that the cup is safe and that it will take something better than Fife's latest creation to get it.

An assemblage of excursion vessels almost as large as that of last Saturday poured down through the Narrows and out into the broad Atlantic Tuesday to witness the vanishing glory of the challenger.

Russian Demands Presented.

CONSTANTINOPLE.—The Russian demands on Turkey, growing out of the recent murder of the Russian consul at Monastir, M. Rostkovski, were formally presented at the Yildiz palace yesterday. The Socialists Are Divided.

BERLIN.—The socialists are entitled to have appointed from their party one of the three vice presidents of the reichstag on account of their increased representation, and the other parties appear willing to concede this. TURKS SLAY WOMEN.

Wholesale Massacre Reported from Twenty Villages.

SALONICA, European Turkey.—An insurgent movement is afoot in the vilayet of Salonica. It is feared that it threatens Vodena, forty-six miles from here, Salonica and other towns. Well informed persons here share in the general disquietude. Large bands are reported to have been organized by Bulgarians, who, it is expected, at a given signal, will resort to general incendiarism. The Turkish population is resolved, should great disturbances occur, to exterminate all the Bulgarians in this city. Consequently, a number of Bulgarian residents are leaving Salonica.

VIENNA.—The Neue Freie Presse's Constantinople correspondent telegraphs that a band of Bulgarians has attacked the Turkish town of Urgas, south of Inada, on the east coast of Turkey, and has blown up the government buildings with dynamite. It is reported that 200 persons were killed.

STRENGTHENS CHAMBERLAIN.

Death of Salisbury Contributes to Tariff Policy.

PARIS.—The death of Lord Salisbury made considerable impression here. Although the late statesman had retired from politics, the feeling prevails here that his disappearance will contribute to strengthen the position of Colonial Secretary Chamberlain, which circumstance is not thought likely to promote friendship between the two countries. The ability, prudence and moderation of the former premier are frankly recognized, though some of his sarcastic utterances are recalled. It is acknowledged that while he firmly upheld Great Britain's interests, at the same time he always strove to prevent a rupture with France, and it is admitted that the Fashoda incident would have been far more dangerous had any other statesman been in power.

Regarding the Chicago political situation, the mayor said that as far as he was concerned he was through. GREAT MAN CONE

DEATH WINS THE STRUGGLE AT HATFIELD HOUSE.

LORD SALISBURY IS NO MORE

End Comes Peacefully to Former British Premier—Unconscious to the Last—Members of Family Gathered at Hatfield House.

LONDON.—Lord Salisbury died peacefully at 9:05 Saturday night. During the past forty-eight hours the end was seen to be inevitable, the great frame of England's ex-premier being sustained only by the constant use of oxygen, which at last became ineffectual.

The village of Hatfield, which still retains many features of the feudal period, was filled with anxious residents awaiting the news of his lordship's demise. The great Hatfield house, hidden behind the screen of pine trees, was lighted at every window, and gave no sign of the approaching fatality. Groups of watchers clustered under the Elizabethan arch and of the lodge gates anxiously questioning each latest passer from Hatfield house.

Finally the news came, when a hatless servant rushed down the gravelled roadway saying as he passed, "He has gone," and then disappeared in the church. Soon thereafter the bell from the tower above tolled slowly and the villagers at the street corners uncovered in acknowledgement of the passing of their neighbor and friend, England's great statesman.

Viscount Cranborne, who now assumes the title of marquis of Salisbury, immediately notified King Edward and Queen Alexandra, the Prince and Princess of Wales and others, including Lord Edward Cecil, the soldier son of Lord Salisbury, who is now in Egypt, and whose was the only child of the marquis absent from the deathbed. Soon messages of condolence began coming in and the little telegraph office at Hatfield was swamped with unprecedented business.

The death of Lord Salisbury occurred on the fifteenth anniversary of his entry into a public life as a member of the house of commons for Stamford.

When death became imminent the attending physician summoned the waiting members of the family, who gathered at the bedside and took farewell of the dying man, who, however, was unconscious of their presence.

It is understood that Lord Salisbury recently expressed a wish to be buried beside his wife at Hatfield. A proposal will undoubtedly be made to bury him at Westminster abbey but this will be declined by the relatives in accordance with his lordship's wishes.

THE BEST BOAT WINS.

First Blood for American Reliance in International Contest.

NEW YORK.—In a splendid twelve to fifteen knot breeze, over a windward and leeward course of thirty miles, the gallant sloop Reliance Saturday beat Shamrock III in commanding style by exactly nine minutes actual time, or seven minutes and three seconds, after deducting the one minute and fifty-seven seconds which the defender concedes to Sir Thomas Lipton's third challenger on account of Reliance's larger sailing plan as at present measured.

It was a royal water fight for the ancient trophy which carries with it the yachting supremacy of the world, and by a strange coincidence the first victory in the cup series of 1903 occurred on the fifty-second anniversary of the day on which the old schooner America captured it in her famous race around the Isle of Wight. Reliance beat the British boat three minutes and twenty-four seconds in the three to windward and five minutes and thirty-six seconds in the run down the wind.

More Rioting in Croatia.

VIENNA.—A fresh outbreak of rioting has occurred in Croatia. At Zaresio, upon the occasion of the celebration of the birthday of Emperor Francis Joseph today, 1,000 peasants gathered in the town and destroyed a Hungarian banner. The rioters were resisted by the gendarmes, who shot three men and wounded many others. At Komesina the peasants pillaged stores and killed two persons.

Massacre Women and Children.

LONDON.—According to a Belgrade dispatch to the Daily Mail, the Turkish troops, under the pretext of pursuing revolutionary bands, have destroyed the villages of Arsenka, Arphrohi, Letschani, Peckopanje, Neklazi, Zelach, Patelic and Banitza, massacring the women and children. The male inhabitants fled to the mountains and joined the insurgents, who are especially numerous in that locality.

At Mourning Hatfield.

HATFIELD, Eng.—Lord Salisbury's coffin has been finally closed. The servants and family will act as pallbearers at the funeral, which will be held at the end of the week, when Lord Edward Cecil, military secretary of the Egyptian army and fourth son of the deceased statesman, shall reach England from Egypt. Ambassador Choate telegraphed to Hatfield, expressing the American sorrow at the death of Lord Salisbury.
