A New Deputy Sheriff.

Frank E. Schlater, for the past two years deputy sheriff under Sheriff McBride, has concluded to resign the position and will step down and out as such about the 9th of December. The vacancy will be filled by Ed Tutt, son of J. D. Tutt, one of Plattsmouth's oldest and most respected citizens. It is with considerable regret that Mr. McBride parts with such a faithful assistant as Mr. Schlater, as their associations for the past two years has been most congenial and brother-like. Mr. Schlater has private business affairs that needs his direct attention, making it imperative for him to step down and out of the sheriff's office. Mr. Tutt is a young man of excellent business qualifications, who is liked by all, and we know of no one who is better fitted to step into the position vacated by Mr. Schlater than Ed Tutt.
