Mrs. Morgan says her sister, Miss Edith Duncan, and her mother have been very sick the past month with what the doctor at Hartington says is the chickenpox, but from the symptoms Mrs. Morgan is inclined to think it is what we have called smallpox in this part of the state. Miss Edith has firmness comes to the soft ands can testify to that. Mrs. C. B. There is a law prohibiting boys from been almost entirely blind for the heads. greater part of her sickness and is far from well at this time.

Last Thursday morning Will Marshall was taking his sister-in-law, Mrs. Browne, to the depot to take the train for home. When near E. F. Matshail's elevator the horse frightened at an en- childhood. gine and whirled around, upsetting the buggy and throwing the occupants out. Mrs. Browne lit on her head, and for a time it was feared she was seriously in jured. She was taken to Dr. Rickard's residence and had her wounds dressed and then taken back to Mr. Marshall's home, where she remained until Saturday, when she left for her home at Giltner, Neb. Will came out without a scratch, and he thinks it was very fortunate all around.

William Sperry and wife last week sold 150 acres of their farm, one and a tis. half miles west of town, to Pool & Colbert for \$7,500. Mr. Sperry retains about thirty-five acres of the original farm for a home for himself and family. About three years ago Mr. Sperry bought the 180 odd acre tract for \$3,-650. Since closing the above deal Pool & Colbert have traded the farm to Thomas Lucas, the Wabash merchant, leaving Charlie to keep house while evening, May 24. for a 15 room hotel, 14 town lots, and she visited with friends and relatives a building and \$4,000 stock of general in Herrington, Kan. merchandise. The stock of merchanvertisement in this paper, is being tion, has completed planting his 150 friends here. closed out at actual cost. Mr. Sperry acres of corn. "Tuck" will enjoy eathas the use of the farm for this year, ing hog and hominy next winter. and Mr. Lucas will move his family to
