### Worst of All Experiences.

Can anything be worse than to feel that every minute may be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years," she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For liver, kidney, stomach and bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by F. G. Fricke & Co., druggists.

### DENEEN IS NOMINATED.

Long Deadlock in Illinois Republican Convention is Ended. Springfield, Ill., June 4.—By making a combination with Charles S. Deneen, L. Y. Sherman, Howland J. Hamlin and John H. Pierce, Governor Yates broke the deadlock in the Republican state convention and brought about the nomination of Deneen for governor. The nomination was made on the seventy-ninth ballot, which stood: Yates, 1; Lowden, 522½; Deneen, 957½; Warner, 21.

The combination was the result of a series of conferences, which were participated in by Yates, Deneen, Hamlin, Sherman and Pierce. The parties to the combination finally agreed upon Deneen as the candidate. When the convention reconvened, Yates, Hamlin and Sherman withdrew their names from the consideration of the delegates and urged their friends to vote for Deneen.

When the seventy-ninth roll call was ordered and Adams county led off with "one vote for Yates and nineteen for Deneen" the wildest excitement prevailed. As the roll proceeded it became evident that the new combination in Illinois politics would win, but the original Lowden men for the most part remained firm and went to defeat with him. When the roll was completed Lowden moved to make the nomination unanimous and Chairman Cannon declared the motion carried. All of the pent up enthusiasm of the delegates manifested itself as Deneen came to the platform and briefly thanked the convention for the honor. In response to the demands of the assemblage, Colonel Lowden made an address, pledging his support to the ticket. In the meantime the parties to the combination who had nominated Deneen met at the executive mansion and prepared a slate for the remainder of the ticket. L. Y. Sherman of McDonough was nominated for lieutenant governor, James A. Rose of Golconda for secretary of state, Len Small of Kankakee for state treasurer, J. C. McCullough of Champaign for state auditor and W. H. Stead of Ottawa for attorney general. The following nominations were made for university trustees: Mrs. Mary E. Busey of Champaign, Charles Davidson of Chicago and W. L. Abbott of Chicago.

### THIBETANS OPPOSE BRITISH.

Concentrate Forces in Two Places to Meet Younghusband Expedition. New York, June 7.—A dispatch from the correspondent of the London Times at Gyantse, Thibet, says a letter from Colonel Younghusband of the British mission to the Thibetans, demanding that the Amban come to Gyantse with qualified authority to settle the outstanding differences before June 25, has been returned unopened and without comment.

The Thibetans have, therefore, says the correspondent, deliberately chosen war. The Thibetans are now concentrating in the monastery and the town of Gyantse. Another concentration is rumored between Ralung and Khang Ma. The present intention of the Thibetans is to prevent Brigadier General MacDonald from arriving at Gyantse, and it is possible that recent experiences have taught the enemy to make his advance a matter of greater difficulty than it was the first time.

British Advance on Lhasa. London, June 8.—The correspondent of the Daily Mail at Stmia says that the British advance on Lhasa has been ordered for June 26.
