A True Statement.

"I was suffering from weakness of the stomach and of the whole body," writes Mr. Tom Uhyrek of Bryan, Tex., "and gladly testify that Triner's American Elixir of Bitter Wine had almost a miraculous effect on me. For two years I was very weak, had no appetite and always felt tired. Medicines seemed to do me no good. As soon as I started using Triner's American Elixir of Bitter Wine my health began to improve, my strength returned as also my appetite and love for work. Even now, while I enjoy the best health, I occasionally take a dose of this agreeable remedy because it always braces me up. I heartily recommend it to all who have a stomach trouble." In cases of weakness, sleeplessness, nervousness and loss of a clear complexion, Triner's American Elixir of Bitter Wine gives perfect satisfaction. It contains no deleterious ingredient.
