W. H. Porter and family spent Sunday with his brother, John, near Murray.

Born to Robert McQuin and wife on Wednesday the 15th, a daughter.

Born to Benjamin Noel and wife, Monday, the 13th, a son. Mother and son doing nicely.

Born on Monday, May 13th, to Mr. and Mrs. C. A. Duckworth, a son. Mother and son both doing well.

M. G. Kime went to Omaha Tuesday evening to be present at the lecture of Senator Tillman of South Carolina.

W. H. Porter is building an addition to his residence. He has his house pumped for gas and when completed it will be as cozy as can be.

Joseph Malcolm was summoned to Weeping Water to attend the bedside of his mother who is dangerously ill Monday evening. Tuesday evening her condition was no better and Mrs. Malcolm went up to help care for her.

Frank Boedecker was working away in the bank Tuesday when the stove pipe that has been slowly overdrawn its account, separated and fell to the floor with a crash. There was a fire in the stove at the time, and J. M. Stone and the assistant cashier were compelled to move a red hot stove. Dust and ashes over the bank was the only damage done, but for once the assistant cashier earned his salary.

When your back aches it is almost invariably an indication that something is wrong with your kidneys. Weak, diseased kidneys frequently cause a break down of the entire system. DeWitt's Kidney and Bladder Pills afford prompt relief for weak kidneys, backache, inflammation of the bladder and all urinary troubles. Sold by F. G. Fricke & Co.

Changed His Mind.

Fred Voughtman, who Monday thought that he was not in a state of intoxication at the occurrence which took place in Happy Hollow Sunday afternoon, and so plead not guilty when arraigned, has, after due consideration, changed his mind. He now sees where he was mistaken and comes to Judge Archer saying that I was really drunk and will pay the penalty, therefore, rather than try to prove the contrary. Then probably it is cheaper.

When your food has not been properly digested the entire system is impaired in the same proportion. Your stomach needs help. Kodol for indigestion and Dyspepsia not only digests what you eat, it tones the stomach and adds strength to the whole body. Makes rich, pure blood. Kodol conforms to the National Pure Food and Drug Law. Sold by F. G. Fricke & Co.

Ask the Judge About it.

The Burlington pile driver which is driving some piling in a little bridge near the coal chutes, has such a charming little whistle which sounds, Oh! so much like that which is one of the chief characteristics of the merry-go-round, that many of our citizens were seen wending their way down along the track, as if in search of something. No doubt they had a ride and the merry tunes which the organ plays, in their minds. Just who they all are we cannot say but you can ask Judge Archer, he can tell you.

DeWitt's Carbolized Witch Hazel Salve does not merely heal on the surface; it penetrates the pores and promptly relieves pain, caused by boils, burns, scalds, cuts and skin diseases. It is especially good for piles. Beware of imitations. Sold by F. G. Fricke & Co.

"IN A BAD WAY"

Many a Plattsmouth Reader Will Feel Grateful for this Information.

When your back gives out; becomes lame, weak or aching; when urinary troubles set in, your kidneys are "in a bad way." Doan's Kidney Pills will cure you. Here is local evidence to prove it:

Mrs. L. A. Newcomer, of 609 Gold street, Plattsmouth, says: "As soon as I would lie down my back would commence to ache and I could hardly lie still. I would try one position then another and another and was all the time changing to find some way in which I could lie and find relief. This was my condition every now and then for three years or longer. During the day or when on my feet the trouble was not noticeable. The trouble would come when I was trying to get some rest. Friends told me that my kidneys were undoubtedly affected which was the cause of my suffering. Seeing Doan's Kidney Pills so highly recommended, I got a box at Gering & Co.'s drug store. I used about one-half of them and my back ceased to ache and I have not been bothered scarcely at all since. My experience with Doan's Kidney Pills warrants me in saying they are true to their representations."

For sale by all dealers. Price 50 cents. Foster-Milburn Co. Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Unfair Treatment.

Now that the supreme court has decided that it is discretionary with the county commissioners whether or not they shall repair the Platte river wagon bridge there seems little chance of ever having the structure put in repair by the commissioners. Louisville takes its defeat gracefully. It feels, however, that it has been treated shabby by the commissioners in the matter, but this defeat has not dampened our enthusiasm, and as the Courier goes to press there is strong talk of organizing a stock company and putting in a toll bridge. This, the Courier believes, is the proper thing to do. We believe that it would not only be self-supporting but would pay a liberal dividend to the stockholders.—Louisville Courier.

Good Words for Chamberlain's Cough Remedy.

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy. Mrs. Edward Phillips of Barclay, Md., writes: "I wish to tell you that I can recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is two years old, has been taking this remedy whenever she has had a cold since she was two months old. About a month ago I contracted a dreadful cold myself, but I took Chamberlain's Cough Remedy and was soon as well as ever." This remedy is for sale by F. G. Fricke & Co. and A. T. Fried.

For a cough or cold take Kennedy's Laxative Cough Syrup. It is better than any other cough remedy because its laxative principle assures a healthy copious action of the bowels and at the same time it heals irritation of the throat, strengthens the bronchial tubes and allays inflammation of the mucous membrane. Contains Honey and Tar, pleasant to take. Children like it. Conforms to the National Pure Food and Drug Law. Sold by F. G. Fricke & Co.

Ask His Attorney.

Judge Sullivan of Plattsmouth, was in the city yesterday. A Press man asked him if he came down from Plattsmouth over the Missouri Pacific railroad. He replied: "I will have to consult my attorney before answering." When further pressed regarding his pass over the Missouri Pacific, he replied: "I will have to ask my attorney." The judge was feeling fine.—Nebraska City Press.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

There is probably no medicine made that is relied upon with more implicit confidence than Chamberlain's Colic, Cholera and Diarrhoea Remedy. During the third of a century in which it has been in use, people have learned that it is the one remedy that never fails. When reduced with water and sweetened it is pleasant to take. For sale by F. G. Fricke & Co. and A. T. Fried.

Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Balance of Trip on Bicycle.

C. W. Timmons, whose home is in Bloomfield, Indiana, but who has been in the west for the past five years, came in last night from Denver on the late Burlington train, and stopped at the Perkins. He left for his home in Indiana this morning, and will make the trip on a bicycle, passing through Iowa, Missouri, Illinois, and into his own state near its southern extremity. Mr. Timmons says he was in San Francisco from September to the first of April, and that on his arrival there everything was in ruins, and that during the six months that he remained there, that a new city sprang up so quickly that it would even astonish an American who was accustomed to such magic changes.

A little Kodol taken occasionally, especially after eating, will relieve your stomach, belching heartburn. J. B. Jones, Newport, Tenn., writes: "I am sure three one dollar bottles of your Kodol positively cured me of dyspepsia, and I can recommend it as that was three years ago and I haven't been bothered since with it." Kodol is guaranteed to give relief. Sold by F. G. Fricke & Co.

Relief From Rheumatic Pain.

"I suffered with rheumatism for over two years," says Mr. Roland Curry, a patrolman, of Key West, Fla. "Sometimes it settled in my knees and lamed me so that I could hardly walk, at other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store here and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by F. G. Fricke & A. T. Fried.
