### Holding for Insanly.

Sheriff Quinton last evening brought in from Nehawka, one John Donohue, who was suspected of being insane and who was examined last evening before the insanity commission. From the evidence before the commission, it appeared that Donohue who was a native of Williamsburg, Iowa County, Iowa, was found prowling about the barn of George Switzer, a prominent citizen of Nehawka.

Asked as to what he was doing there he replied that he was looking for his "pal." His conversation indicated plainly that he was mentally unbalanced and it was determined to have him looked after. His relatives live at Williamsburg, Ia. He is a man about 36 years old and after the examination by the commission, it was readily apparent that he was suffering largely from excessive drinking. The commission after investigation decided to hold

him here until his relatives could be communicated with and if possible he will be returned to them. He was much better this morning. This makes the third case since the first of the year where parties have been picked up as insane here who were found afterwards to be residents of Iowa and in each case they have been returned to their homes for care and treatment.

There are two principles that we establishing in our new store.

One is that nothing except good merchandise can come into our place; and by that we mean such lines as Stetson hats, Barker collars, Interwoven and Everwear Sox, Manhattan, Wilson Bros. and Ferguson-McKinney shirts, Mentor and Cooper union suits, Carbartt gloves and working clothes,

### Hart Schaffner & Marx Clothes,

and other strong lines, are finding their place here.

The other principle is that we are going to sell these good things as low as it is humanly possible. When we mark our goods we don't think of how much we can make on an article, but how low a price we can put on it, and still make an honest profit.

We think that we'll make more money by practicing such principles, because we'll sell more goods. "True merit always wins."

H. S. & M. Suits \$18.00 to \$30.00
