

ON THE SURE ROAD TO RECOVERY

Mrs. Alice Towle Rallies Finely After Operation Friday

Mrs. Alice Towle, into whom blood was transfused from her brother, Charles N. Sullivan, in the South Omaha hospital last Friday, is reported to be on the sure road to recovery. Her temperature was normal yesterday morning for the first time in several months and she was able to take more substantial food. Her heart action is better than at any time since she was taken ill.

Charles N. Sullivan, the brother, from whom the blood was taken, was a little weak and nervous for a few days afterwards. He is said to be as well and as strong now as ever, but will not be able to use his right arm into which the incision was made, for several weeks.—World-Herald.

Charles N. Sullivan, who is visiting for a few days with his parents in this city, is getting along all right so far as he is concerned and is little the worse for his experience. He is pale from the loss of so much blood, but aside from this, feels fine and as soon as he recovers from the weakening effects of the operation, he will be able to return to his work. He describes some of the details of the operation which are quite interesting. When the incision which was several inches in length was made,

an anesthetic was administered as this would have had an instant effect on Mrs. Towle and there was a great deal of pain attached to the operation. His head was turned away and the attending surgeons would not allow him to see what was transpiring for fear of the ill effects which might follow. He did not know how much blood was taken from him until sometime later. Aside from being weak at the loss of blood, he noticed no immediate ill effects. He will be here several days before returning to Omaha.

Mrs. Towle's many friends here will be more than pleased to learn of her recovery and return to normal health once more, and have every assurance that it will be permanent. Dr. Henry is the name of the surgeon who performed the operation which is regarded as a remarkable one in medical circles. He first heard of the idea from a newspaper item concerning a similar case in Cleveland, O., and at once took the train for that point where he interviewed the surgeon who had conducted the operation and learned from him the details. He found he would be called upon to use the process much sooner than he anticipated.

Advertising the Festival.

Three automobiles are engaged today in advertising the fall festival out in the county. These are the machines of Charles C. Parmele, which contains in addition to Pollock Parmele, the chauffeur, Chas. C. Parmele, Henry Schneider and Frank Schlater. The machine of Charles Troop, driven by Arthur Troop and occupied by Charles Troop, E. H. Wescott and John Nemetz. The machine of John Crabill, driven by the owner and containing A. L. Tidd and Doc Young. They will post bills and distribute advertising matter over a portion of the county.

The automobiles at noon had made Mynard, Murray, Union, Nehawka and Avoca, getting to Weeping Water in good shape at noon. They found that word had been sent out ahead of their coming and they were expected everywhere. They met with a hearty reception at all points and are promised big crowds for the entire week. Mr. Tidd of the committee telephoned the Journal at noon that the committee was more than pleased at the reception given them at all points and especially pleased at the enthusiasm they had encountered not alone in the towns but on the road. They leave Weeping Water at one and will go to Manley, Louisville, Cedar Creek and arrive here at about five o'clock this evening—a record breaking trip and covering more than half of the county easily.

Several Matters in Probate

In county court a petition has been filed asking the appointment of A. L. Tidd as administrator of the estate of Hannah Black, deceased. Miss Black had some insurance and also some building and loan stock which it is desired to close out. Mr. Tidd filed the petition.

A suit has also been commenced in county court against J. E. Von Dorn by the First National bank of this city for \$200 and interest on a promissory note given by Von Dorn to Wm. F. Gillespie and assigned by him to the First National bank.

A petition has also been filed in county court for the appointment of Ernest Ahl as administrator of the estate of Frank Ingram, deceased. Ingram lived near Louisville and at the time of his death was possessor of quite an amount of property which it is desired to realize on.

Spent the Day in Town.

A party of good citizens of the Manley neighborhood came down this morning on the Schuyler train and spent the day looking after business matters and visiting with friends. The party consisted of A. Krecklow and wife, John Rohrdanz, mother and sister, Mrs. Smith of Havelock. Both Mr. Krecklow and Mr. Rohrdanz are well known and popular citizens of their community and are also excellent farmers. They are well acquainted here and their many friends in the city were glad to have them make a call during their stay.

A Merchant's Letter to the Public.

It is with pleasure that I wish to say a few words to the people that have been customers at my place of business in the past, and to those that may become my customers in the future.

I must say that I have striven to be honest and upright, in my dealings with the people that entered my store for the past three and one-half years that I have been in business here, and I certainly will do so in the future.

I do appreciate the kindness of all those who have dealt with me, and would gladly greet as many more as could find their way into my store.

I have an up-to-date line of Furniture, Carpets and Rugs at prices that are absolutely right. Now, you all must admit that a merchant can not succeed in business without making a profit on what he sells.

I must say that I have not advertised the discounts that I allow to my cash customers. Only once or twice did I advertise a special discount sale.

My discounts to the cash customers are 5 and 10 per cent, according to the line they buy, which I have had in force since I am in business here, and I must say that if I could do an entirely cash business that I could cut my percentage some lower, so that I could give still better prices than I am now giving.

You are all welcome to come in and look over my line whether you buy or not. We are glad to show you all we have and give you the prices, and that is the only way that you can satisfy yourself.

In the line of Carpets and Rugs we buy only the best.

In the Furniture line we aim to have the best, with some of the medium.

We also handle the Crystal Refrigerator, one of the very best on the market. We have other styles. As it is still summer and you may be in need of a Refrigerator, then you should call in and see our line.

I also handle one of the best makes of Sewing Machines on the market, the Domestic, at prices that are right.

A few words more, and that is in regard to the Undertaking and Funeral Directing. There are times when you are compelled to have the services of an Undertaker. If we are called on, we attend to all calls whether day or night. It is our aim to give the best service possible.

Michael Hild and John P. Sattler, Licensed Embalmers.

Yours Respectfully,
MICHAEL HILD, Proprietor.

Take Out Final Papers.

Yesterday was a field day in district court when five foreign born citizens received their final papers. Those receiving them were Harry and James Greer of Alvo, Carl Anderson, Alvo; Wm. Bouchel, and Fred Bauers. The two Greers are residents of Alvo and renounced allegiance to the King of Great Britain. They are natives of Ireland. Anderson renounced the King of Sweden, where he was born. Bouchel, who lives in the west end of the county, gave his postoffice address as Waverly, and also renounced King Edward of England, where he was born. Bauers was a subject of the Kaiser and born in Germany, but he renounces Kaiser Bill. It made some work for Clerk Robertson to straightening out these worthy men.

The Pioneers of Cass County.

It is the urgent request of the Committee on Pioneer and Old Settlers day at the carnival, that all persons knowing the address of any of the early settlers of Cass county, send the same at once, to either of the undersigned. It is also desired that anyone having papers, printed during the early days, or records of any kind, or articles, associated with Pioneer days, furnish the same to the committee. We will also gladly receive suggestions from anyone, tending to make the 2nd, day of September one of absorbing interest. Act promptly.

R. B. WINDHAM, Chairman.
B. S. RAMSEY, Secretary.

Mrs. Schneider Cuts Hand.

This morning about half past 7 o'clock, Mrs. H. A. Schneider was engaged in cleaning a lamp chimney when it exploded, making two deep gashes in her hand, one down the third finger which was several inches in length and quite deep and the other down the inside of the thumb. The latter wound is also quite long. The chimney which had been washed in hot water blew up in a peculiar manner, the lower part and the extreme top of the chimney blowing off and leaving the middle of the chimney solid. The injuries while painful are not dangerous.

Miss Manota Perry is spending the day in Omaha, being a passenger for that city on the morning train.
