A fine bouncing baby girl came to grace the home of John Melsinger living west of Mynard yesterday morning and in consequence that gentleman is a very happy man. Glen Vallery came in this morning from his home in the country with one of the smiles beside which that of Sunny Jim, is an incandescent light to the full moon. Philip H. Melsinger, son Carl and Ed. Tritsch, were a party who braved the windy, dusty day and drove in together this morning from their homes west of the city to look after business matters in the city. Services at Mrs. Wetenkamp's. At the home of Mrs. Martha Wetenkamp, several miles southwest of this city Sunday afternoon, Rev. W. O. Harrold of Mynard, delivered a sermon to a number of neighbors who had gathered there. His subject was "Faith" and he delivered an eloquent and inspiring address. The sermon was for the especial benefit of the invalid son of Mrs. Wetenkamp, the young man being Grant Wetenkamp. Owing to the inclemency of the weather and the fact that little previous announcement had been made of the meeting, the attendance was not as large as hoped for. They Must Clean Up. Chief of Police D. L. Amick this morning started out on his mission of notifying the merchants and business men along Main street to clean up their alleys and their lots and remove the rubbish and trash which has been accumulating there during the winter. This action is taken under orders from the council who had a report before them at the last council meeting telling of the condition of the alleys through the business center. The movement is a highly commendable one and lessens considerably the danger of fire as well as tends to make the city much more healthy. In addition it will help a greatly toward having the city present a cleanly appearance and improve its looks to the visitor. So far as can be learned none of the merchants have any objection to doing their part of the work and there is every probability that the business center will present a decent appearance within a very short time.

To Buy Machine. D. C. West, banker of Nehawka, and L. D. Switzer, commissioner of Cass county, were in Lincoln yesterday looking after the latest and best makes in road machinery. Men in that little town and in the country about have organized for good roads on new lines and the working out of the plan will be watched with interest. They propose to organize a commercial club of 350 members, or more if possible, and at a meeting held the other day about 150 men were present, a majority of whom were farmers. "Shares" are sold for \$25 each, payable in five years at \$5 per year. Eight hundred dollars of the fund so raised is to be expended toward making good roads, and \$200 is to go toward a permanent investment.—State Journal.

Stork Leaves Twin Girls. The census enumerator doesn't want to overlook the family of Tom Sedlock on his or her travels. The Stork is helping Plattsmouth and last night called at his home leaving with them twin girls. Thos. is doing his share to raise the population, to say the least. Thomas is justly proud of his new offspring and it is pleasant to note that both the young ladies and the mother are doing splendidly.

All Regret the Accident.

The Journal learns from undisputable authority that Henry Fornoff, the gentlemen whose horse was killed in the automobile accident at Cedar Creek last Saturday night, has stated that he absolves John Gauer who was driving the automobile with which the collision was had, from all blame in the matter and that Mr. Fornoff had objected to receiving reimbursement for the death of the animal. According to the reports which have been received of the accident since the publication of the matter in the Journal on Monday, Mr. Fornoff corroborates the story of Mr. Gauer and his party as to how the accident took place. The lights from the machine seem to have confused the horse and the parties got to swinging across the road. Owing to the short distance in which they had to pass, they could not avoid the collision which happened as told in this paper on the above date. All parties deeply regretted the affair which seem unpreventable, but they are heartily glad it turned out no worse and are shaking hands with themselves over the lucky escape which they had.

The Nebraska City News in connection with this matter says: Mr. Gauer of Cedar Creek, Neb., was in the city Sunday and told of an experience he had Saturday. He was on his way to this city in his car and as he turned a corner he saw a horse and buggy approaching, so he gave the "honk, honk," and turned as far out to the right as he could. The driver of the horse attempted to turn the same way, then Mr. Gauer turned to the left and so did the driver, and the result was that the horse was soon standing on the front seat of the automobile with a broken shoulder and other injuries. The horse had to be killed, and the buggy was wrecked, while Mr. Gauer escaped with a few bruises. Mr. Gauer took home with him a new Mercur from the Duff garage and will attempt to have his old machine repaired.

Remember the name —Doan's— and take no other.

If Sick Don't risk even one single penny! And I will tell you why I say this. It is because every package of Dr. Shoop's medicine is absolutely free if it fails. No one need risk even one single penny. Just think what this means to the suffering sick!

No risk, no expense, nothing whatever unless health first returns for 30 full days, and without the risk of a single penny. You can use either of my two famous medicines—Dr. Shoop's Restorative or Dr. Shoop's Rheumatic Remedy. Then why take any chance whatever?

Why purchase any medicine whose maker dare not back it just as I do by this remarkable offer? And besides, I am not a stranger to you. My "No Risk" plan has made Dr. Shoop's Restorative a name known in every drug store in the land. The people say: "We take no chance what we've here."

For twenty years Dr. Shoop's medicines have become thoroughly standardized all over America. And I have practiced honest and responsible druggists in every city and village everywhere to sell my medicine for you. These selected druggists sell Dr. Shoop's medicines with the sick—and the entire risk is mine alone. But write me first for an order.

I have an agent in almost every community—but all druggists are not authorized to grant the 30-day test. So drop me a line, please—and thus save all disappointments and delays.

Besides, you are free to consult me by letter as you would your home physician. Do so freely and fully—if you desire. My advice and the book below are yours—and without cost. Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription of personal advice plan.

Besides, the books will open up new and helpful ideas to you. They tell of my 20 years experience at the bedside in homes and in Hospitals. All phases of weakness and relief are told of here. They tell of the "hidden" "inside nerves" no larger than a pin, which give you the Heart its impulse. How the Stomach and Kidney each have their inside or power nerve. How these organs surely falter when these controlling or master nerves begin to fail. How Dr. Shoop's Restorative goes directly to these falling nerves, and rebuilds, and restores the lost tone and power. A real sure help you—if it is within the power of medicine to do so. My best effort is surely worth your single request. So write now, while it is fresh in your mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.

Impossible to be Well It is impossible to be well, simply impossible, if the bowels are constipated. You must pay attention to the laws of nature, or suffer the consequences.
