**YOUNG MAN HAS
NARROW ESCAPE**

**Discharge of Powder Nearly
Ruins Both His Eyes.**

Roy Lamphear, the twelve year old son of George Lamphear and wife of this city, met with an accident Saturday while visiting his cousins at Elmwood which almost had a fatal ending for the unfortunate lad. The little boy with his brother and two cousins, one of them about fifteen years of age, were playing on the premises of Roy's uncle and had some gunpowder which they were testing. About a half of a smoking tobacco sack of powder was emptied out on a board, and Roy applied a match when the entire charge flashed in his face, horribly burning his face. The accident occurred about eleven o'clock in the forenoon, and the boys boarded the first train for Plattsmouth where Dr. Cook was seen and dressed the injured boy's burns. It was feared that both of Roy's eyes were injured so that the sight would be entirely destroyed, as his eyes were both swollen shut when he arrived at the doctor's office, but Dr. Cook examined them and found the eyes, except the lids, were not injured. The little boy was on the street yesterday en route from the doctor's office and his entire face and head was covered with white bandages with no part of the face visible. The doctor hopes to bring him through but it was a very narrow escape that the little boy had from death and he is fortunate that the accident did not result more seriously.

Constipation causes headache, nausea, dizziness, languor, heart palpitation. Drastic physics gripe, sicken, weaken the bowels and don't cure. Doan's Regulets act gently and cure constipation. 25 cents. Ask your druggist.

Facts for Weak Women

Nine-tenths of all the sickness of women is due to some derangement or disease of the organs distinctly feminine. Such sickness can be cured—is cured every day by

Dr. Pierce's Favorite Prescription

*It Makes Weak Women Strong,
Sick Women Well.*

It acts directly on the organs affected and is at the same time a general restorative tonic for the whole system. It cures female complaint right in the privacy of home. It makes unnecessary the disagreeable questioning, examinations and local treatment so universally resented by women, and so abhorrent to every modest woman.

We shall be very glad to have a copy of the complete of these peculiar, effective medicine sent to you, but first we want full information as to your condition. The only means of positive cure are contained in the "People's Common Sense Medical Adviser" and you can get a copy of this up-to-date Edition, with full directions for its use, and stamps to cover cost of mailing only, or in cloth binding for 31 stamps.

**PLANS FOR BIG
CELEBRATION**

**Havelock Shops to Be Dedicated
With Festivities.**

The general committee in charge of the ceremonies and festivities to be held at the celebration of the opening of the new Burlington shops at Havelock September 3, met last evening. The committees in charge of the arrangements all reported but, with the exception of the advertising, the arrangements are still indefinite. A number of prominent Burlington officials will probably speak although the committee had not completed the arrangements. They also hope to secure Governor Shallenberger for an address in the afternoon. The addresses will be held in the new machine shop which is 600 feet long and over 200 feet wide.

Over 300 invitations have been sent out to Burlington officials and the committee hopes to have a large crowd present from Lincoln and other neighboring towns. The committee decided last night to use buttons for advertising together with large banners on the street cars.

The program will begin at 2 p. m., and close with a dance in the evening. In addition to the addresses the program will consist of a concert by the Havelock band, quartet singing and possibly some recitations by an elocutionist. Refreshments will be served by the ladies of Havelock.

The business men of Havelock are planning to decorate their places of business for the occasion. The people of the city are taking a great deal of interest in the celebration which they intend to make a big affair. It is expected that a large number of Lincoln people will be present at the dedication.—Lincoln Journal.

Served as coffee, the new coffee substitute known to grocers everywhere as Dr. Shoop's Health Coffee, will trick even a coffee expert. Not a grain of real coffee in it either. Pure healthful toasted grains, malt, nuts, etc., have been so cleverly blended as to give a wonderfully satisfying coffee taste and flavor. And it is "made in a minute," too. No tedious 20 to 30 minutes boiling. F. S. White.

Gets on the Wrong Train.

William Chunda of Omaha was in the city this morning for a few minutes between trains. Mr. Chunda boarded the train at Omaha with some friends expecting to get out at the Bluffs and did not discover his mistake until he was rounding the curve toward Gibson. He tried to bribe the conductor to stop at Bellevue but not so. The train makes no stops between Omaha and Plattsmouth so the young man came to Plattsmouth without further protest. He thought his friends had the laugh on him.

Joseph Wurga and Bride Serenaded.

Joe Wurga and bride departed for Nebraska City, last evening where they will spend two days with relatives, after which they will depart for their home at Denver. Mr. Wurga and his wife spoke warm words of praise for the excellent music given by the M. W. A. band on the lawn of Mr. Wurga's father, in honor of the young married couple Monday evening. The entire neighborhood are under obligations to the band for the fine serenade given at the time.

Find Corn Crop Favorable.

A. A. and F. B. Rullman, traveling salesman for the Rullman electric and hand power washer, arrived in Plattsmouth this morning, having left Hiawatha, Kas., day before yesterday, making the trip by auto. They made as high as ten towns a day en route, and made close observation of the cornfields and were surprised to find crop conditions much better than they had expected. The corn from Hiawatha to Plattsmouth on the route taken by the travellers which zigzagged back and forth to the Missouri river to a line north of Hiawatha, is in pretty fair condition and will make much more corn than a great many of the farmers claim. At one place on the Nebraska side near the south line they observed that the stock had been turned in to the corn field, while the field just across the road looked as if it would yield forty or fifty bushels of corn per acre.

Crops Good at Pekin, Ill.
George and Adam Friedrich who have been the guests of their cousin, Commissioner M. L. Friedrich for a short time, departed this morning for Pierce county, Nebraska. Adam Friedrich resides at Pekin, Ill., and is engaged in farming there. Mr. Friedrich says the corn crop there is in a fair condition and will yield more per acre than corn in this locality. But in case the rains are not sufficient from this time on the yield will be considerably reduced.

**FORMER CITIZEN
DIES IN CALIFORNIA**

**Well Known Among Burlington
Employees In This City and
At Pacific Junction.**

The following account of the death of a former well known character of Pacific Junction, and well known among the Burlington employees in this city, was taken from a special from San Bernardino to a Los Angeles, California paper:

C. W. Lackey, a Santa Fe railroad man from Winslow, Ariz., was found dead in his bed at the Commercial hotel this morning. Upon his face was a handkerchief saturated with chloroform, and covered with a pillow. Death was evidently accidental. The deceased had been troubled for many weeks with insomnia. All effort to secure sleep failed, except by the use of chloroform.

Two days ago he was last seen alive. As he failed to appear this morning an investigation was started, with the result of finding him dead. Among his effects were numerous bottles of chloroform.

Lackey was a lay preacher, and frequently held services among the railroad men far out on the desert, when his train found itself removed from civilization on Sunday. He was popular, and regarded by all his fellow railroad men as sincere in his religious professions.

He leaves a sister, Mrs. H. B. Wire, residing at Long Beach, and a son, Charles Lackey, a resident of Sioux Falls, S. D. The remains will be taken to Grinnell, Iowa, by a delegation of Brotherhood of Railroad Trainmen. R. L. Holmes, Santa Fe station agent there, has charge of arrangements.

When the Stomach, Heart or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach—nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come to you. Sold by all dealers.

Used Good Bait.

William DeesDernier of Elmwood was in the city today looking after business at the court house. William had some large fish stories on the reel today as he was returning from Union, where he and W. B. Banning had been fishing on the Missouri river last evening and the fish they caught were whoppers.

Entertains Jolly Eight Card Club.
Miss Rose Mumm entertained the members of the "Jolly Eight Card Club" at her cozy home on Fourth and Vine streets yesterday afternoon in a very charming manner. The time was very pleasantly spent in playing a rather unique game. As only six of the regular members of the club were present, six-handed high five was played and this created much merriment. The score cards were kept until the next meeting as the prizes are only given at the second meeting of the month. There was a delicious luncheon consisting of cake, ice cream, coffee and fruit served at 4:30, which the ladies found delightfully appetizing and pleasant, and which took some time to consume. The members of the club present to enjoy Miss Mumm's hospitality were: Mesdames Lutz, Crossary, Waddick, Burdick, Henrichsen, Misses Rose Mumm and Nellie Julian. The next meeting is to be held with Mrs. John Lutz Wednesday, August 31st. All members must be there as there is to be important business transacted. By request of the president.

Weak women should read "Book No. 4 for Women." It tells of Dr. Shoop's Night Cure. Tells how these soothing, healing, antiseptic suppositories, bring quick and certain help. The Book free. Address Dr. Shoop, Racine, Wis. All dealers.
