

BRYAN TALKS AT DES MOINES

Lays Especial Emphasis Upon Congressional Fight.

FOR ORTHOPEDIC HOSPITAL.

Plans on Foot in State Convention of King's Daughters to Get Appropriation to Establish Home for Crippled Children—Would Have Cummins at Chicago Banquet.

Des Moines, Oct. 14.—The Democrats of Des Moines and central Iowa had their first political rally of the year here last night and it was declared to be a great success. W. J. Bryan spoke at length to a large crowd at the Auditorium. He treated his subject rather in a non-partisan way and spoke especially of the Democratic candidate for congress in this district and the candidates for railroad commissioner.

Orthopedic Hospital.

To build a home and hospital for crippled children is the aim of the King's Daughters, who are holding their state convention here. Representatives of the order will go before the legislature next winter with a plea for an appropriation for such an institution. No definite plans have been made where the hospital shall be located, but it would probably be in Burlington, Davenport or Des Moines, as the King's Daughters are strongest in these three cities. The convention was addressed by Dr. Jennie McCowen of Davenport, who talked of the public health movement.

Want Cummins at Chicago Banquet.

Senator Cummins has been invited by the Hamilton club of Chicago, one of the most prominent Republican clubs of the west, to make the principal address at a grand rally to be held by the club in Chicago sometime between Oct. 18 and 22.

President Batten of the club, in extending the invitation to Senator Cummins, tells the latter that he is "the one man we and the people want to hear."

DOLLIVER STILL IMPROVING

Absolute Rest is Now Demanded and Campaigning Will Be Abandoned.

Fort Dodge, Ia., Oct. 14.—Senator J. P. Dolliver spent a good night and is reported as somewhat improved. The swelling of the stomach, which caused the latter organ to interfere with the heart action, has subsided. Reports of a leaking of one of the valves of the heart were denied at the residence.

It seems certain that Senator Dolliver will be forced to take absolute rest after remaining in bed for at least a fortnight, and it is probable that he will do no campaigning in Indiana, Minnesota and Kansas, as he had planned.

WESTERN UNION WINS SUIT

Judge Says Bank Should Investigate the Checks.

Des Moines, Oct. 14.—Judge Brennan directed a verdict favoring the Western Union Telegraph company in the suit brought against it by the Citizens' National bank of Des Moines.

The local bank sought to recover the sum of \$500 which it paid some time ago on a forged telegram. The bank contended that the telegraph company should have looked into the authenticity of the telegram before it transmitted it. Judge Brennan held the telegraph company was not at fault and directed a verdict favoring it.

LOSES LIFE IN A CAVE

One Man Killed and Another Seriously Hurt Near Council Bluffs.

Council Bluffs, Ia., Oct. 14.—Joseph Pruitt is dead and Charles Campbell, a prominent farmer living five miles southwest of Council Bluffs, is in a hospital here as the result of a cave-in on the Campbell farm, where the two men were digging a cave. There was no one near at the time of the accident, and it was some time before they were discovered and extricated. Campbell's injuries are serious. Pruitt was about thirty years old, unmarried and resided in Council Bluffs.

SLAYER'S WIFE IN COLLAPSE

Mrs. Wilson in Critical Condition as Result of Double Tragedy.

Des Moines, Oct. 14.—As a result of the double tragedy, when Lee Wilson, a wealthy farmer living a mile south of the army post, murdered his cousin, Claude Masters, a dairyman, and committed suicide, Mrs. Wilson lies in a state of nervous collapse at the home of her brother, Frederick McKowen. A physician attended Mrs. Wilson constantly following her collapse when the tragedy was announced to her. While she may recover it is stated that she is in a critical condition. The belief that the shooting was the culmination of a quarrel between the two men over Mrs. Wilson has gained credence.

Veterans Meet at Centerville.

Centerville, Ia., Oct. 14.—The reunion of the Thirty-sixth Iowa regiment was attended by 190 survivors. At the campfire tributes were paid to departed Appanoose county officers—Drake, Sawyers, Vermillion, Gedny, Fee and President Dean. STOCK FOOD LAW HIT IN LAW SUIT

Keokuk Firm Alleges Statute is Unconstitutional.

Keokuk, Ia., Oct. 14.—In the district court the K. K. K. Medicine company of Keokuk filed suit against W. B. Barney, state food and dairy commissioner of Iowa, asking that he be enjoined from enforcing the provisions of the act passed by the legislature in 1907 looking to the prevention of fraud in the sale of agricultural seeds and concentrated commercial feeding stuffs, and further asking that the act be declared unconstitutional and void. It is claimed that it is in contravention of the constitution of the state of Iowa and of the United States. The plaintiff alleges that its remedy is a medicinal preparation, and not a foodstuff, that the act is not a general one, but unequal in its effect, that the state commissioner discriminates in his prosecutions and the collections of fees, that the \$100 annual license fee is excessive and unreasonable and that the act is not uniformly enforced.

NEEDS IN MISSIONARY FIELDS

Those Who Work in Foreign Lands Tell What is Being Done.

Boston, Oct. 14.—Personal experiences in and reminiscences of the mission field of Africa, Turkey, Japan and India were related by a number of missionaries who are here to attend the centennial celebration of the founding of the American board of commissioners for foreign missions, being observed in connection with the triennial meeting of the National Council of Congregational churches.

"The most urgent need is for a training school for teachers and evangelists," declared Rev. Henry A. Neiph of the West Central African mission, "for Africa must be evangelized by her sons."

Speaking of the needs of Turkey, Rev. Herbert M. Irwin, a missionary in that land, said they might be summed up in the words "The gospel." "Much talk and advice," he continued, "is as so much whistling in the winds. One of the great needs in Anatolia is a farm, school, where, for a term of years, the impressionable youth may have better methods of agriculture ground into them."

SUMMER WHITE HOUSE EMPTY

President Taft Will Close Vacation Season by Playing Golf.

Beverly, Mass., Oct. 14.—A comparatively long list of callers at the summer White House marked the end of the season at Beverly, practically so far as business engagements are concerned. Today and tomorrow have been left free of engagements for President Taft, who will devote them to golf and motoring.

Secretary Norton departed for his home in Chicago to register. This president will go to Cincinnati to vote on Nov. 8.

Work of Humane Conference.

Washington, Oct. 14.—The American International Humane conference in session here, having completed its discussion of the treatment of children, took up consideration of the problems connected with infant mortality. The subject of vivisection, it is expected, will be taken up in the proceedings.

Detroit, Oct. 14.—A woman in a stylish dress of black velvet and the latest in fur trimming tumbled down the Shelby street steps of the post office. It was the hobble skirt again. The young woman was assisted to her feet by three men. She managed to replace two patent leather pumps.

Found No Chanler Property.

New York, Oct. 14.—The execution obtained by William Barnes, a Fifth avenue tailor, for \$1,062, claimed to be due for clothes bought by Robert W. Chanler, husband of the singer, Mme. Lina Cavalieri, was returned in the city court by the sheriff's office marked unsatisfied.

Depart For California.

Tomorrow afternoon the following party will depart for California, a part of them to Long Beach and others to Los Angeles: Mr. and Mrs. T. E. Todd, Clyde Adamson, Steven Buzzell and Frank Johnson and wife. Mrs. Johnson will be joined at Omaha by her cousin, Mrs. Foresyth, of Chicago, who will also make the trip. Mr. and Mrs. Todd, and Clyde Adamson go to Long Beach, while the rest of the party will go to Los Angeles. Mr. and Mrs. Todd go only for the winter, while the rest of the party will make California their future home.

Mr. Buzzell and Mr. and Mrs. Johnson are old time residents of Plattsmouth, and the Journal regrets that Plattsmouth must lose such good citizens as they, but what is our loss will be a gain for the city to which they remove.

Mr. Johnson came to Plattsmouth in 1869 when it was but an infant city, and could boast of but one or two brick buildings. For years he and his brother, J. F. Johnson, were contractors and builders, and had contracts for a great deal of the carpenter work which was done in Plattsmouth, and when the frame buildings along Main street were being replaced with bricks, this firm placed the fronts in the greater part of the buildings. Mr. Johnson has watched the city grow from a town of wooden store buildings to one of brick and stone. The Fitzgerald block, now called the Coates block, was constructed after Mr. Johnson was a Plattsmouth citizen.
