

WATCH FARM DEVELOPMENT IN WYOMING

The Board of Army Engineers appointed to apportion the Reclamation Fund to the various projects, has set aside \$2,000,000 from the special fund, and \$2,185,000 from the regular fund for use in the North Platte Valley project in Wyoming and Nebraska, and \$2,000,000 from the regular fund to complete the Shoshone project in the Big Horn Basin, Wyoming, making a total of more than \$6,000,000 that will be spent by the Government upon these two projects, in making desirable homes in Wyoming for our citizens.

CAREY ACT PROJECTS

SEVERAL MILLION DOLLARS will be spent by private companies in Wyoming, and many of the projects will be pushed rapidly to completion.

Just think what the expenditure of SEVERAL MILLION DOLLARS for irrigation is going to mean to the State of Wyoming. It means work at good wages for many people, many new opportunities to get valuable farm homes, more new growing towns and business locations.

Last Friday evening, on the invitation of Mrs. V. P. Sheldon, about twenty friends of Mr. Sheldon met at the residence of D. C. They succeeded admirably although he insisted he knew something was in the wind from the abstracted and mysterious manner with which his wife had been acting for several days. The evening was most pleasantly spent in games and incense burning to old Nicotinus, at the proper time Mrs. Sheldon served them with a dainty three-course luncheon. The guests departed about midnight, unanimous in the belief that Mrs. Sheldon knows how to entertain.

PERHAPS THE OLDEST MAN IN NEBRASKA

Mr. H. F. Swanback returned to his home at Greenwood this morning, having attended the telephone meeting last night. Mr. Swanback holds the belt for age and activity over any man in the state, we think. He will reach his 96th birthday next month, and he has not had any sort of ailment this winter, although doctors say this has been an unusually unhealthy winter. Mr. Swanback has been a resident of Cass county for 32 years, just one-third of his lifetime. Mr. Swanback has been a stockholder in the Plattsmouth Telephone company almost from its organization, and is an alert and active man despite his years.

BOUND FOR SUNNY TEXAS

W. E. Rosencrans Departed This Morning With a Party for Falfurrias Texas.

From Tuesday's Daily
W. E. Rosencrans left this morning on Burlington train No. 4 for sunny southwest Texas in company with Messrs. Joe Halmes, Ross Nichols, John Schroder, Harry Schroder, George Erickson, Elmer Mathias, all of Greenwood, James J. Nowacek, L. G. Larson, C. F. Vallery, of Plattsmouth, and J. Matheson Bell, sale manager for Burton & Danforth, of Falfurrias, Texas.

The party made a pretty jolly crowd and from all appearances, "Rosey" and "Jim" Bell will have their hands most awfully full when the round up time comes after being in San Antonio a day or so.

They leave Kansas City tonight at 5:30 on the Katy Limited and arrive in San Antonio at 7:45 Wednesday p. m. Arrive at the thriving little city of Falfurrias Thursday night, and will spend a few days looking at lands at Parrita Ranch. On the return trip they will take in Corpus Christi, then over to Arkansas Pass by water in Burton & Danforth's "land boat." Visit several of the larger and important places of interest in the state, making a trip of about 10 days.

The parties who go down with W. E. Rosencrans & Son in the future, will have the opportunity of making this 48-mile trip by water, from Corpus to Arkansas Pass, being driven over the various cities and land propositions in autos at Burton & Danforth's expense.

Mr. Bell informed us this morning, that arrangements were being made for a special combination Pullman car, to be filled with Plattsmouth people and run all over southwest Texas, out of her Tuesday morning March 21st. The car will carry its own cooks and porters and will be stocked with provisions Monday. It will require 18 people, at least, to enable the company to run this special car, and Rosencrans & Son have succeeded in obtaining nearly this number. This will be the time to make the trip, take your wife and kids along as you will be right at home every minute in your own car, every one on the car will be a Plattsmouth representative and one that you know. All you will have to do will be to smile, eat, sleep and keep on smiling. You will get back in the same car you started with, in about 10 or 12 days, feeling as fresh as a newly laid egg.

A message was received this morning from Commissioner C. R. Jordan, who is at an Omaha hospital taking treatment for his eyes, informing the clerk that he could not attend the board meeting today. Commissioner Switzer was at home sick this morning, and in consequence the meeting of the board to canvass the bids on bridge work had to be postponed. It was thought that the meeting would be held tomorrow.

PETITION FOR THE ADOPTION OF A NINE-YEAR-OLD BOY

From Wednesday's Daily.

A petition was filed in the county court today by Nelson Berger, for the adoption of his nine-year-old half brother, Raymond Shepherd. The petitioner alleges that his mother, Mrs. Mollie A. Berger, was divorced from her husband, William U. Shepherd on the 17th of December, 1907, and that the custody of the child was given his mother, on proof that the father was an immoral man, a gambler and so on. His mother is now in declining health and that if she should die the father of Raymond Shepherd would be entitled to his custody, which would be against the interests of the child. The prayer of the petition is for the adoption of the child. The father being an inhabitant of Oklahoma, service by publication is requested.

Just Like Chicago.

Our good friend, John Schiappacasse, whose residence is located on North Fourth street, in the new paving district, has but one complaint to make over the new pavement. Before the new pavement was laid he could go home most any hour in the day or night, and sleep in perfect peace, but now even in the wee small hours of the morning he is disturbed by the passing vehicles that are making use of the newly improved highway. He says it reminds him of the days when he lived in Chicago.

Notice.
