Ralph Johnson, stepson of Henry DeCluse, had a team get away from here Saturday night, and the runaway that resulted might have been serious had it not been for the cause that made it. Funny? Well, Ralph and Eugene Gressinger, after the supping they had gotten their team out of the barn preparatory to going home when they saw a chance to get some work done at the barber shop. They tied the team up and went in and in the meantime it began to storm, the team evidently got loose and ran away. The boys went home thinking the team had beat them to it, and not finding them came back. The next morning the team was found near the lumber yard, loose from the buggy, with their backs to the storm and the lines fast and this fact is probably responsible for them being caught without any more damage.

Hotel at Pacific Junction.

From the Glenwood Opinion we learn that A. F. Hunger, formerly of this city, has traded his restaurant in Glenwood for the Pyten House at Pacific Junction. Mr. Hunger took possession of the hotel Saturday. He has proven an up-to-date restaurant man and we believe will prove equally as successful as a landlord. Pacific Junction needs hotel accommodations, and the right man can make it go. The Journal wishes Mr. Hunger success.

JUSTUS LILLIE CELEBRATES SEVENTY-FOURTH BIRTHDAY

Our esteemed townsman, Mr. Justus Lillie, enjoys the distinction of having been born on Abraham Lincoln's birthday, and, accordingly, on last Sunday, the 12th inst., Mr. Lillie proceeded to celebrate his 74th birthday. The occasion was fittingly observed by prevailing on his good wife to prepare a sumptuous dinner, to which were invited their sons and families and Miss Mary Kaufman and her mother. Those present beside Miss Kaufman and her mother were Albert Lillie and family and Frank Lillie and family. Mr. Lillie was the recipient of a fine easy chair and other valuable and useful gifts. Mr. Lillie has been a Cass county citizen since 1871, he and wife having removed from Michigan to Cass county almost forty years ago and settled on a farm near Cedar Creek. He resided there for twenty years, when he sold his possessions there and purchased another farm in Rock Bluffs precinct, where he resided until a few years ago, when Mr. Lillie turned the farm over to his son, Frank, and came to Plattsmouth. Mr. Lillie has been one of the progressive farmers of the county, a successful business man and a valued citizen, with hosts of friends throughout the county.
