ANDY TOO MUCH FOR THE ROBBER

Andy Thomsen Gives Big Buck Nigger to Understand That He Tackled the Wrong Man.

The Omaha World-Herald of this morning contains the following:

"James Thompson, a negro, of South Omaha, is in the city jail here following a particularly bold attempt Wednesday at highway robbery. Andy Thomsen, white, of Murray, Neb., is detained as complaining witness.

"According to the latter, the negro approached him on North Fifteenth street, near the Webster street depot, and suggested a place where Thompson (white) might go to spend his money. The latter says he ignored the information, and the negro attacked him in an effort to extract his pocketbook, containing \$60.

"Thompson grabbed his assailant and whirling him to the sidewalk after a brief struggle held him there while some bystander called the police. Thompson was slightly injured by the negro."

The gentleman referred to as being from Murray is none other than Andy Thomsen of Cedar Creek, and after viewing the build of Andy, the negro had considerable grit to tackle him. He is a powerful man and not afraid to

defend himself when approached by such highwaymen as sometimes roam the streets of Omaha "seeking whom they might devour."

Joe McCaffery, Mgr. Schlitz Hotel, Omaha, and Vice President in Nebraska of "Greeters of America," writes: "I recommend Foley's Honey and Tar Compound as a sure cure for coughs and colds. I have used it myself with good results, and have recommended it to many others, who have since told me of its great curative power in diseases of the throat and lungs." For sale by F. G. Fricke & Co.

Visits His Father.

J. D. Hopkins of Ord came to South Omaha with a load of hogs yesterday and took advantage of the opportunity to visit his father, Isaac Hopkins, in this city. When Mr. Hopkins arrived he learned that his father had departed for Omaha on the afternoon M. P. train. Mr. Hopkins, sr., has been in quite poor health lately and his physician advised a change of scene, and it was decided to make a short visit with Omaha relatives. J. D. went to Omaha this afternoon to see his father.

FARMERS TRY TO SAVE DIKE ON EAST SIDE

Farmers' Dike Along the River Near Hinton Station Breaks Sunday Night.

From parties residing in Pacific Junction it was learned yesterday that the farmers' dike along the river near Hinton Station, the first stop north of the Junction on the K. C., broke Sunday night, letting a large volume of water in on the bottom, and a rather swift current has since been running through west of the Junction, the water reaching to the village limits.

For over a week the farmers and all of the men they could get at the Junction have been doing all they could to save the dike and prevent the water from going through that way. Men slept right on the job, a school house near there being used as headquarters, where meals were served to the workmen; a telephone was put in and every facility for aiding the men was put to work. The water has run down in the main channel two and a half feet, and the worst of the trouble is believed to be past.

FOR AGED PEOPLE

Old Folks Should Be Careful in Their Selection of Regulative Medicine.

We have a safe, dependable and altogether ideal remedy that is particularly adapted for the requirements of aged people and persons of weak constitutions who suffer from constipation or other bowel disorders. We are so certain that it will relieve these complaints and give absolute satisfaction in every particular that we offer it with our personal guarantee that it shall cost the user nothing if it fails to substantiate our claims. This remedy is called *Rexall Orderlies*.

Reflux Orderlies are even just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity. Three sizes, 10c, 25c and 50c. Sold only at our store—The Rexall Store. F. G. Fricke & Co., Union Block.

Candidate for Reform School.

Bradley Billings, a boy of about 11 or 12 years of age, yesterday committed the criminal act of opening mail belonging to Frank Dunbar and abstracting a check of \$25 and other valuable papers. The check was taken to the Bank of Cass county and presented for payment, but the cashier refused to pay it and Mr. Dunbar was notified at once. The check and other papers were at once recovered. The youth escaped to the country and Mr. Dunbar does not think he will take the matter up with the authorities, although it would probably be better for the boy to go to the reform school than to be allowed to go unrestrained.

Work Discontinued.

Notice was served on Frank White yesterday to the effect that the 3 frame structures between B. A. McElwain's jewelry store and the Donat saloon had been condemned as dangerous fire traps, and unless removed within 30 days the city would proceed to have appraisers appointed and appraise and remove the buildings according to the ordinance and law in such cases provided. Walter White, who was looking after the matter for his brother, at once discontinued the work which had been commenced the day before.

GASOLINE LAUNCH FOR EXCURSION PURPOSES

Will Be Launched Soon and Ready to Accommodate River Excursionists in Fine Shape.

Ed Mason will soon have ready for the water and soon to be christened a fine pleasure boat with a capacity of carrying fifteen passengers. He is installing a ten horse-power gasoline engine and a fifteen-gallon gasoline tank will furnish the fuel. The boat is to be equipped with electric lights front and aft of six volts, with brilliant reflectors, making a powerful light. The length is 20 feet long with a 6-foot beam and 36 inches deep. A 16-inch propeller will be used at first and if that does not give the boat sufficient speed a 20-inch propeller will replace the first. The boat is being fitted out with all of the latest devices for speed and safety and will be one of the largest and swiftest boats on the river. Mr. Mason will be prepared to take excursionists to the island or any other nearby point for picnic purposes.

Charles Manning, Middle Branch, Neb., gives his report on Foley Kidney Pills. He says: "I had trouble with my kidneys, so bad that I passed blood. Doctoring did me but little good, so I tried Foley Kidney Pills. One large bottle entirely cured me of my trouble, and I cheerfully recommend Foley Kidney Pills to anyone suffering with kidney trouble." For sale by F. G. Fricke & Co.

Fifth Wedding Anniversary.

The home of Mr. and Mrs. William Weber was the scene of a most enjoyable occasion last evening, when relatives and a few intimate friends were entertained in honor of the fifth wedding anniversary of Mr. and Mrs. Frank Schiele of South Omaha, Mrs. Schiele being a daughter of Mr. and Mrs. Weber. For the entertainment of their guests Mr. and Mrs. Weber had arranged a number of games and amusements and these were entered into with enthusiasm and from which the guests derived much merriment. Mr. and Mrs. Schiele were made the recipients of many handsome gifts. Just previous to the close of this delightful evening's entertainment a delicious luncheon was provided. Mrs. S. Steffins of Omaha, another daughter of Mr. and Mrs. Weber, was also present.

Mrs. Frank Schiele and children, who have been visiting the former's parents, Mr. and Mrs. William Weber, for several days, will return to their home at South Omaha on the evening train over the Missouri Pacific this evening.

Insanity Board Meets.

Dr. E. D. Cummins, J. M. Leyda and James Robertson, commissioners of insanity of this county, held a session at the jail this morning and examined into the mental status of William Vietmeier, a young man of 32, who was brought in from Murdock last night. There is no insanity in Mr. Vietmeier's family, but in August, 1910, he received a fall and injury in his head, from which he has not fully recovered. His hallucination is that he is married, but someone is about to cheat him out of his spouse. His father and mother are living somewhere in Iowa. The board found, after hearing the man talk, that he was a fit subject to be restrained at the hospital for the insane at Lincoln and made such order.

HEARS ROOSEVELT SPEAK IN OMAHA

A Large Crowd in Attendance, Probably as Many as Buffalo Bill's Wild West Would Draw.

George Falter returned last night from the Roosevelt meeting, which filled the Auditorium at Omaha. An hour and a half before the time for the meeting to open the seats were all taken. When the distinguished speaker came upon the platform the applause started and was kept up for ten minutes. Mr. Falter said he never saw anything like it. Men stood on their chairs, threw up their hats, yelled, stamped and whistled.

When the tumult had partially subsided the chairman of the meeting arose to introduce Colonel Roosevelt, when the cheering began again. And through the address at the slightest provocation the audience got hysterical. When the Colonel had spoken, as he thought, long enough and took out his watch, an enthusiastic listener shouted to him to put it up, as the crowd would stay with him until morning. Among those attending the meeting were Matthew Gering, C. A. Rawls, George

Falter, Bent Livingston, C. L. Wiles, Stephen Wiles, Joe Wiles, A. J. Beeson and others.
