CASS COUNTY DEMOCRATIC CONVENTION

To Meet in Plattsmouth Saturday, July 27, and Every Precinct Should Be Represented.

The excellent prospects for democratic success this year, from president down to road overseer, should encourage every democrat to be up and doing. This being the case it is very essential that every precinct in the county be as fully represented as possible in the convention on Saturday, July 27, 1912.

Democrats should not depend too much upon the disruptions in the republican party for success in Nebraska. National politics may cut but little figure in state matters, and we must organize and get the party in good working order in not only every county, but in every precinct in the state, and the democrats of Cass county should begin right now by every precinct sending a full delegation to the county convention on Saturday, July 27.

The county convention is for the purpose of sending seventeen delegates to the state convention at Grand Island, and it is very necessary that Cass county be fully represented. And the way to get the county fully represented is for each precinct to pick on some man who wants to go, and will go, to the state convention. Heretofore it has been too much the case of selecting delegates who did not go, and therefore the county was not fully represented. You have someone in your precinct who would accept the honor, and he is the one to center upon. And by all means endeavor to get a full attendance at your pri-

maries and send full delegations to the county convention in Plattsmouth on Saturday, July 27. Don't forget the date.

Wedding Bells.

Yesterday afternoon the county judge issued a marriage license to Mr. Harry H. Marquardt, 23, of Avoca, Nebraska, and Miss Eolia E. Francis, 24, of Dunbar, Nebraska. The groom is the son of Mrs. J. H. Marquardt, Avoca, and the bride is the daughter of Alex Francis of Dunbar. Both of the contracting parties are well known in Nebraska City, and have many friends here. The groom did not appear at the court house for the license; instead, he swore to the affidavit before Joseph C. Zimmerman, a notary public in Avoca, and the license was filled in from the affidavit.—Nebraska City Daily Press.

Underwent Surgical Operation.

Gus Pein, who has been suffering from blood poison from the effects of a cut from a rusty nail, had the index finger of his right hand amputated at the second joint last Saturday night. Dr. Cummins performing the operation. The right arm was swollen so much that it was found necessary to lance it to relieve the pain. Gus is having a serious time with what appeared at first to be only a trifling wound. It is hoped now that the trouble will be relieved and that his hand and arm will rapidly recover.

Frank Janda, sr., was a passenger to Omaha on the morning train today, where he went to take treatment for rheumatism. Mr. Janda expected to return today, as he found \$80 per week rather expensive. He may go and return every day if arrangements can be made.

FORCED OUT BY HIGH RENT.

This is our exact position at the present time, and owing to our method of selling goods on a very small profit we cannot afford to stand an increase of 50 per cent in rent, which our present landlord has demanded of us, so we are compelled to give up the west room of our department store and consolidate the two stores in my own building on the east. I have decided rather than to stand the increase in rent, to build on and extend my own building to the alley, making it 142 feet in length, and use the upper and lower floors for salesrooms. When this is completed this store will contain more floor space, accommodate more merchandise, with greater selling capacity than any other building in the city of Plattsmouth.

Before commencing the necessary alterations we are going to place everything in our department store, especially the clothing and gents' furnishings departments, also shoe department, on sale at the greatest reductions ever heard of in this community. In fact, the entire stock must be reduced at once, in order to accommodate the remainder in one room, awaiting the completion of the new addition.

This change will also necessitate the removal of Mr. Zucker's residence quarters from the second floor. Any person owning or knowing of a modern cottage close in for rent will confer a great favor by calling at Fanger's Department Store and informing Mr. Zucker. Watch for our later announcements.

FANGER'S DEPARTMENT STORE.

Goes to Soldiers' Home.

Mrs. John Shelton of Avoca, who has been in the care of Deputy Sheriff Manspeaker for a time, was taken to the Soldiers' home at Grand Island today, Sheriff Quinton accompanying her. Mrs. Shelton is 72 years of age and in poor health, and it was thought by some that she was unbalanced mentally, and a complaint was lodged with the commissioners of insanity, who examined her mental condition, but found her sane. Her husband died some years ago and Mrs. Shelton has no close relatives on whom she can lean in her declining years. She is a sister of the late David Foltz of this county.

Ward Primaries.

The democratic voters of the city of Plattsmouth are requested to meet at their usual places of voting on Saturday evening, July 20, for the purpose of selecting delegates to the county convention to be held in this city on Saturday, July 27. Each ward is entitled to the number of delegates as follows:

First ward	7
Second ward	13
Third ward	13
Fourth ward	5
Fifth ward	4

Let every democratic voter remember the date—Saturday evening, July 20, at 8 o'clock—and make it a point to attend his ward primary.

Accepts New Position.

J. E. Carmack, who has been traveling salesman for the National Packing company of Omaha, has resigned his position and accepted a lucrative position with Swift & Company of South Omaha. John is an all round good salesman and Swift & Company are very fortunate in securing his services. Mr. Carmack left for South Omaha this morning to assume charge of his territory.

May Move to Texas.

H. S. Austin has severed his connection with the Burlington store house and Sunday departed for Austin, Texas, where he has been tendered a fine position. Mr. Austin has gone to look the situation over, and if it is as represented he will accept and later may move his family to the Texas capital.

Mr. Langhorst Honored.

L. F. Langhorst, head of the Langhorst department store here, has been honored by appointment to the office of chairman of the ways and means committee of the National Retail Grocers' association. Mr. Langhorst is the only member of the committee in this state, and Elmwood is therefore the only place represented.—Elmwood Leader-Echo.

Notice to Weed Owners.

All farmers residing in road district No. 10 are hereby notified to cut the weeds along the public highways adjacent to your premises. Those who fail to do so will have the expense of the same charged up to their lands, as provided by law, and the road overseer will have the weeds cut. Ben Beckman, Overseer Road District No. 10.
