## Boy Takes a Tumble.

Last Saturday morning Philip Wollen, son of Mr. and Mrs. March Wollen, was playing with some boys in A. E. Jameson's new house. There is a large opening in the first floor for a fireplace and the boy tumbled in. Below is a cement foundation, but there happened to be a piece of lumber on which the boy fell. He struck on the left side of his head above the ear and on his side. The concussion rendered him unconscious for a time, but later he recovered and was in considerable pain, bleeding at the ear and was badly bruised. He was taken to the home of L. J. Lane and in the evening to his home in the country.—Weeping Water Republican.

## SIMON MAYER OF LINCOLN VISITS PLATTSMOUTH

Simon Mayer, one of the brothers of the well known Mayer Brothers, in the clothing business at Lincoln so long, and who recently sold their business in that city, was in Plattsmouth a few hours today, meeting and shaking hands with old friends. Mayer Brothers were in business in Plattsmouth long before they went to the capital city, and they have many friends here. Mr. Mayer says he expects to visit England in a few months, where he has a daughter living, and after that he will be at leisure to visit the old town more frequently. He says all the brothers possess a very warm spot in their hearts for Plattsmouth and the people who have lived here so long.

Mr. Mayer started in the clothing business in Plattsmouth thirty-three years ago. When he first opened his store it was in the one-story frame building now occupied by Jacob Henrich's restaurant. Mr. Mayer did not have counters at that time, but for the first year utilized the boxes in which his goods were shipped for counters. After the first year he found his business prospering and removed to the corner about where C. E. Wescott's Sons store is, where he did business for years.

## METHODIST LADIES ENJOY PLEASANT AFTERNOON

The ladies of the M. E. church held a delightful social meeting at the pleasant home of Mrs. J. M. Hall, in the west part of the city, yesterday afternoon. An excellent program, consisting of some very charming vocal and instrumental solos, interspersed with splendid readings, entertained the large number of ladies in attendance a portion of the afternoon and was most thoroughly enjoyed. The program consisted of instrumental selections by Misses Violet Freese and Marguerite Porter, readings were furnished by Miss Ellen Windham, Mrs. A. J. Bacon and Mrs. L. A. Moore, while Miss Ferris York and Mrs. C. S. Johnson contributed vocal solos. A few moments were devoted to social conversation and other diversions and then delicious refreshments were served. During the afternoon an offering was taken, from which a neat sum was realized. There were about sixty ladies present.

## PRESBYTERIAN SUNDAY SCHOOL PICNIC YESTERDAY

A most enjoyable time was had at the Presbyterian Sunday school picnic yesterday, there being a turnout of about 100 boys and girls and older ones as well. Games were indulged in by the children, while the others visited and had a social time. Plenty of lunch was provided, with lemonade and cake, fried chicken, deviled eggs, pickles, hot coffee, sandwiches and the like. One of the pleasant features of the occasion was the automobile ride given the picnicers both going and returning. The picnic was held in Mr. Tom Wiles' pasture, an ideal place, with plenty of shade and blue grass, so that all could be comfortable. The school is indebted to Clay Rosencrans, John Bauer, jr., and John Wehrbein for their kindness in taking the children to and from the grounds in their automobiles. Charley Warner very kindly brought a load of the picnicers in the evening. Mr. Warner was threshing that day or his automobile would have come in in the morning.

## A VERY BEAUTIFUL AND MOST IMPRESSIVE WEDDING SERVICES AT M. E. CHURCH LAST EVENING

Miss Etha Nell Crabill, one of Plattsmouth's Popular and Accomplished Young Ladies, United in Marriage with Prof. Wiley Glen Brooks, of Caldwell, Idaho, which was Witnessed by a Large Circle of Friends and Relatives

Last evening at 8 o'clock, in the First Methodist church, occurred the marriage of Miss Etha Nell Crabill to Mr. Wiley Glen Brooks of Caldwell, Idaho. The sacred ceremony came just at the close of an almost perfect summer day. The sun, lately sunken into a sea of golden splendor, had left the trees and hill-tops tinted with a lovely twilight glow. The half-orbed moon arose and cast a silver radiance which fell as a mantle of peace and benediction upon the scene.

At the appointed hour the ceremony was introduced by the singing of Nevin's "Captive Memories" by twenty-six members of the Euterpean Glee club, assisted by Mrs. William Baird, reader, and Mr. D. C. York, baritone soloist. These, with Mrs. E. H. Wescott, leader, and Mr. Wescott at the piano, having taken their places in the choir loft. "Captive Memories" is an exquisite song cycle, portraying in measures of delicate harmony and sweetest verse the emotions of courtship, entreaty, love and marriage. It was most artistically rendered and served as a very fitting prelude to the marriage ceremony.

Immediately at its close the strains of Lohengrin announced the entrance of the bridal party, who advanced from the rear of the auditorium down the center aisle, led by Messrs. R. A. and Dell Brooks, brothers of the groom. Following were four little girls, attendants of the bride—Clara Mae Morgan, who sang very sweetly the favorite lines "Faithful and True;" LaVahn Lenhoff and Lorine Northcut of Omaha and Muriel Streight. Little Helen Wescott came next, bearing the ring, and following her the bride, handsomely dressed in white voile trimmed in insertion. She carried a beautiful bouquet of white rose buds. She was joined at the altar by the groom, attended by Rev. Will Brooks, his brother.

Rev. Arthur Brooks, pastor of the First Methodist church at Hastings, also a brother of the groom, pronounced the sacred ceremony which joined these two in the holy bonds of matrimony. His tones were clear and distinct and most impressively employed in this, the holiest office of his ministry. A simple ring service sealed the solemn vows uttered by the contracting parties, and the Lord's Prayer, by all, concluded the ceremony. The happy couple left the altar in step with Menhelo's wedding march.

The church was filled with guests and was most artistically decorated in golden rod and as-

paragus fern, which was the handiwork of friends of the bride, who delighted in whatever service they might render to one they loved so dearly, but whose departure from the city causes them deep regret. Especially will Miss Crabill be missed from her activities in the church of which she has been a faithful member. Having been identified with the Sunday school work and also a charter member of the Euterpean Glee club, to which organization her assistance and fidelity have meant much. Her circle of friends has been ever widening. She has endeavored herself to many in the community through her works in music, art and photography.

The groom is well known to many Plattsmouth people, as he served two years, 1907-08, as principal of the High school. He is at present superintendent of schools in Caldwell, Idaho, where he returns for the third year—having spent the past six weeks in special work at Columbia university. His preparation, ability and experience are fast winning for him recognition in his profession, and his rapid advancement has been a well earned reward of merit.

Mr. and Mrs. Brooks departed some time (?) last evening for their future home at Caldwell. However, they were not, at the time of their departure, surrounded by a host of friends to shower rice and good wishes upon them, as they had skillfully planned and successfully executed a secret escape, the details of which were unknown to even the nearest friends. They are followed in spirit, however, by their many devoted friends, who wish them all the good things of life which they wish for themselves.

One unusual and delightful feature of the ceremony was that the ushers and officiating pastor were brothers of the groom.

The out-of-town visitors upon the occasion were: Mrs. L. H. Brooks, mother of the groom, of Guthrie, Oklahoma; Rev. Arthur Brooks of Hastings, Neb.; Rev. and Mrs. Will Brooks of Nelson, Neb.; R. A. Brooks of Chicago; Dell Brooks of Guthrie, Oklahoma; Mr. and Mrs. Benjamin Crabill and Ella Crabill of La Harpe, Ill.; Mr. Isaac King of Superior, Neb.; Mrs. George Lenhoff and daughter of Omaha; Mr. and Mrs. Harry Northcut and daughters of Omaha; Mrs. John Boos of Blue Hill, Neb.; Miss Alice Davis of Lincoln, Neb.; Miss Mabel Trussler of Kansas City, Mo.; Mr. and Mrs. W. S. Soper of Nebraska City.

## GEORGE HALL INJURED IN M. P. SHOPS AT FALLS CITY

George Hall of Falls City, son of Mr. and Mrs. Julius Hall of Plattsmouth, while in his regular line of duty in the Missouri Pacific shops at Falls City Monday forenoon dropped a heavy iron on his foot, crushing it badly. On examination by the company physician it was found that two bones were broken and the injury was quite serious. He was taken at once to the company's hospital at Atchison, Kansas, where he will be kept for two weeks or longer until he recovers. George's parents did not learn of the accident until Monday evening on account of the wires being down between Falls City and Plattsmouth.

## Vote to Increase Capital Stock.

At a recent meeting of the stockholders and directors of the City National bank, it was voted unanimously to increase the capital stock from \$25,000 to \$50,000. The past few years the business of this bank has increased rapidly and warrants the added capital. Before an increase can be made permission has to be granted from Washington, but we understand that plenty of capital awaits a favorable order.—Weeping Water Republican.

C. F. Harris and wife of Liberty precinct were Omaha passengers on the morning train today.

## RETURN FROM THEIR TRIP TO THE OLD COUNTRY

L. N. Enberg, wife and daughter, Miss Olga, arrived on No. 15 this morning and will visit Mrs. Enberg's sisters, Misses Gertrude and Alpha Peterson, and Mrs. A. L. Anderson. Mr. and Mrs. Enberg are just returning from a trip to Europe, while Miss Olga has visited friends at Burlington, Iowa, during their absence. The travelers left Plattsmouth the first of June and visited Mr. Enberg's former home in Sweden, which he had not seen for thirty-two years. He found buildings and grounds very little changed from what he remembered of them. They enjoyed their trip hugely, had a delightful ocean voyage both ways, while their trip on land was most interesting. Mrs. Enberg had not been in Europe prior to this time and she saw much to admire along the route. After visiting a short time here Mr. and Mrs. Enberg and daughter will return to their home at Sheridan, Wyoming.

## En Route to Red Oak.

John Long, editor of the Nehawka News, accompanied by his wife and family, passed through Plattsmouth this morning, en route to Red Oak, Iowa, for a few days' visit with relatives and friends. They were making the trip via the automobile route.
