### ENDORSED AT HOME

#### Such Proof as This Should Convince Any Plattsmouth Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Plattsmouth adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

W. M. Barclay, proprietor of restaurant, Main street, Plattsmouth, Neb., says: "I have not had a single symptom of kidney complaint since Doan's Kidney Pills cured me several years ago. I am glad to verify the statement given in 1908 endorsing them. I had an extreme lameness across my loins, when I began using Doan's Kidney Pills. This remedy soon corrected the trouble." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
