EXAGGERATED REPORTS OF OMAHA DISASTER IN CHICAGO PAPERS

That the reports of the terrible tornado in Omaha were greatly exaggerated in the eastern cities immediately after the storm occurred was demonstrated by the report that was being circulated by the newsboys in Chicago when Mrs. James Newell departed from that city for Omaha Monday afternoon. Mrs. Newell was in the city yesterday for a few hours en route home to Chicago and was very much pleased that the reports had been groundless. The Omaha News of last evening has the following in regard to the matter:

Those who boarded trains for Omaha from Chicago on Monday afternoon did so believing that they would find nothing of Omaha left. Mrs. James Newell, who was in Chicago at that time, says that the newsboys were crying in the streets:

"Omaha is wrecked; the Woodmen of the World and City National bank buildings have been dynamited to save the city from fire."

Mrs. Newell, who is the wife of the head of the auditing department of the Burlington system in Chicago, decided to come anyway, and says she experienced the surprise of her life when she arrived to find no traces of damage in the business districts.

George W. Snyder was in the metropolis yesterday for a short time taking in the sights at the storm-swept region.

Report Is Untrue.

The article that was reprinted in this paper from the Elmwood Leader-Echo in regard to B. A. Rosencrans of this city removing to Imperial, Neb., to assist in the management of a pool hall there, was without foundation, as Mr. Rosencrans had no intention of locating there and the editor of the Leader-Echo was evidently misinformed on the matter.

DEATH OF MISS BLANCHE MURRAY

Announcement of Her Death a
Great Shock to the People of
Plattsmouth.

The news came this morning with a great shock to her many friends of the death of Miss Blanche Murray at the Wise Memorial hospital in Omaha this morning at 3:35. Several weeks ago Miss Murray was taken sick at the home of her aunt, Mrs. H. M. Eck, of Omaha, and was taken to the hospital, where an operation was performed, and although her condition was not the best, she seemed to be improving until a few days ago, when she was taken with pneumonia and plueisy, from which she died.

Miss Murray was the only daughter of Mrs. John A. Murray of this city, and a sister of Alvin Murray and George Murray of Omaha, and to the grief-stricken mother and brothers the sympathy of the entire community goes out in the hour of sorrow and bereavement. There was never a more popular young lady in the city than Miss Murray, who was born here and had been reared to womanhood in our midst, and everyone knew her pleasant and kindly bearing toward all she met. In her passing, she leaves a place in the circle of her friends that will be hard to fill, and those that are left to mourn her can only hope and wait for a meeting in another land, where partings are no more.

The funeral will be held either Sunday or Monday, at the late home in the north part of the city, and will be in charge of Rev. W. L. Austin of the First Methodist church of this city.

MRS. R. W. CLEMENT ENTERTAINS BRIDGE CLUBS AT HER HOME

Yesterday Mrs. R. W. Clement entertained in a most charming manner the whist clubs of which she is a member, at her charming home in the south part of the city. The afternoon club spent a most delightful time in the playing of bridge until an appropriate hour, when a most delicious luncheon was served by the hostess, which was one of the most delightful features of the afternoon. The guests on this pleasant occasion were: Mesdames T. P. Livingston, J. A. Donelan, A. E. Gass, W. J. Streight, Misses Mathilde Valley, Dora Fricke and Barbara Gering.

In the evening Mrs. Clement was hostess to the Evening club, and the ladies passed the time most delightfully in the enjoyment of the game of bridge for several hours, when most tempting refreshments were served by the hostess, assisted by her daughters, Misses Janet and Harriett, who also served at the afternoon luncheon. The ladies present at the delightful evening meeting were: Mesdames Annie Britt, C. G. Fricke, J. A. Donelan and Misses Mia and Barbara Gering and Dora Fricke.

J. L. Smith came up this morning from his home near Nehawka and was a passenger for Omaha on No. 15.

THE BIG TORNADOS' WORK AT NEHAWKA

Frank and Vilas Sheldon Very
Heavy Losers in Stock and
Buildings.

A special from Nehawka, under date of March 26, gives further details of the tornado's work in the vicinity of Nehawka:

One other fatality, that of George McFayden, living between here and Berlin, will probably be added to the list, this man, who is quite aged, being badly injured in the storm that swept south of here at 6 o'clock Sunday evening.

All day Monday reports came in from the track of the tornado. Vincent Straub lost the upper part of barn and his house. Ernest Ahrends, Charles Chappel and C. A. Anderson had their buildings more or less wrecked.

The Fleshman and Alford places near town are the worst. All day Monday the big barns wrecked at the Alford place were pried and torn apart to let cattle and hogs, still imprisoned, escape, as many of them were alive. Here some thirty head of cattle and fifty hogs were killed or so badly injured that they had to be killed.

This farm, formerly belonged to ex-Governor Sheldon and is now owned by Frank and Vilas Sheldon. The Alford brothers had it leased, but the Sheldons owned a half interest in all the stock and their loss on this item alone will be in the neighborhood of \$5,000. They carried fire insurance on all of the buildings, but had no tornado insurance.

The Alford's automobile was wrecked completely. Also their loss is complete on farm machinery, household goods and stock. Frank Sheldon had \$1,500 tornado insurance on the Fleshman place, which will only partly cover the loss.

The storm cellar in which the Fleshmans escaped, was built about a year ago by Mr. Sheldon, Fleshman insisting that he must have it for safety.

Asks for Probate of Will.

A petition for the probate of the last will and testament of Mrs. Flora Belle Keifer, deceased, was filed this morning in the county court. Mrs. Keifer died recently in Los Angeles, California, leaving three children as her heirs. She was a former resident of near Alvo and leaves a fine 80-acre farm near that place, which is to be divided among the children. The petition asks for the appointment of L. B. Appleman as executor of the will.

A MOST BRILLIANT LIGHT DISPLAYED LAST EVENING

The pedestrians on Main street last night were greatly alarmed for a few minutes by a great light on the upper section of the street, and it was thought that perhaps some building was in flames, but on investigation it was found to be a large 500 watt Mazda electric light which had been placed in front of the office of Warga & Cecil. The lamp is the most powerful one ever used in this city and is of over 400 candle-power and gives a very brilliant and powerful light, and that section of the business district was lit up in fine shape by the lamp. Mr. Warga states that this lamp is the most powerful and takes less current than any on the market today, and the firm will have a demonstrator here in a few days to show these lamps to the public and explain the current saving advantages.

Doings in Probate Court.

From Wednesday's Daily. The last will and testament of the late Christian David Kunz of Elmwood has been admitted to probate in the county court. The estate is a very large one and is worth about \$70,000. The deceased was one of the most prominent citizens of the west portion of the county.

The last will of the late Mrs. Delia Schwab has also been admitted to probate in the court. The deceased resided southeast of Murray and was the owner of a 120-acre farm.

JUDGE TRAVIS AND SON, RAYMOND, RE- TURN FROM FLORIDA

District Judge H. D. Travis and son, Raymond, returned last evening from a trip to Florida for the benefit of the judge's health. Whiel in Florida Judge Travis contracted a very heavy cold, and this, added to his stomach trouble, made it necessary for him to return home. He is confined to his home, as the trip was very wearing on him, and in his weakened condition makes it necessary to take a rest for some time. It is to be hoped the judge will be able to recuperate his health here in the quiet home and soon be able to resume his duties on the bench.
