"Pittsburgh Perfect" Fence

Save Money on your rencing by Putting up the Style Made to Meet your Requirements

It's downright foolishness to buy light chicken wire to put around your bull pasture-and you know it.

But some people do it because they don't think beyond the price-ticket on the roll of fence—at least not until they've had to patch the chicken wire a dozen times or so where that bull went through.

Then they put up a brand new stock

There's no economy in that kind of fence-buying. The right fence in the first place costs less.

Our free catalogue tells how to buy fencing economically, effectively, wisely. Get it today and save money.

Made in Different Styles for FIELD, FARM, RANCH, LAWN. Every Rod Guaranteed CHICKEN, POULTRY and RABBIT YARD and GARDEN Every Rod Guaranteed

Ask your dealer for "Pittsburgh Perfect" and insist on his furnishing it. Do not allow him to persuade you that some other fence is just as good. If he doesn't sell it, write us direct.
