

**PARSONAGE OF ST. PAUL'S
CHURCH GREATLY IMPROVED**

The parsonage of the St. Paul's Evangelical church in this city has just been thoroughly repainted and repapered and now presents a very handsome appearance, both on the interior and exterior. The floors in the home have been waxed and finished in a manner that makes the rooms very cool and comfortable in appearance. Most of the work on the parsonage was done by John Vaidran and Herman Tiekeler, and their work speaks well for his ability as a decorator. The house has been painted a very handsome shade of gray on the exterior and the property adds greatly to the appearance of Vine street, where it is located. The church members may well be proud of their property, both the church, which is one of the handsomest church edifices in the city, and the parsonage, which has just been put in first-class shape.

**SOME PAINFUL ACCIDENTS
TO PEOPLE LIVING IN UNION**

Joseph Everett, residing a few miles northeast of town, was the victim of an accident last Saturday that will disable him for some time. He was riding on a load of hay and the wagon turned over, and in the falling the hay rack caught Joe and gave him some very severe bruises, one of which was a fracture of a bone below the knee and a slight fracture at the knee joint. Other injuries were not so serious, but he has enough of them to keep him "tied up" from his work for some time.

Myron Lynde and one of his mules violated the Sabbath by indulging in an exciting mix-up, in which Myron came out second best. Myron was generously serving the noon rations to the "dunks" when one of them got funny and gave him a hunch that landed him on the ground. The first and only round ended with Myron crawling out of the ring

with some bruises that made him sore in body and mind, and he vows vengeance if he ever finds that mule asleep.

Vernon Arn, butcher and ice man, thought he would murder a good fat beef cow Tuesday afternoon—then thought he wouldn't—just changed his mind after giving the bovine a race and taking a tumble off a fence. He alighted on his left foot with such force as to turn the ankle and broke a small bone. He has already learned to limp like a professional, and will keep up the practice for several days.—Union Ledger.

**STEPHEN BECKER VERY ILL
AT THE HOSPITAL IN OMAHA**

This morning Mrs. Levi Rusterholtz, accompanied by her son-in-law, M. Patterson, and Dr. G. H. Gilmore, came up from Murray in the doctor's car and were passengers on the early Burlington train for Omaha, in response to a message announcing that Stephen Becker, a son-in-law of Mrs. Rusterholtz, was not expected to live. Mr. Becker was operated on at one of the hospitals there about a month ago, and seemed to be improving and about two weeks ago was allowed to return home, but seemed to grow worse and about a week ago was taken to the Immanuel hospital, but his condition has grown worse and last evening Dr. Gilmore received a message informing him that the patient was not expected to recover and the family at once departed for the hospital.

A Good Investment.

W. D. Magli, a well known merchant of Whitemound, Wis., bought a stock of Chamberlain's medicine so as to be able to supply them to his customers. After receiving them he was himself taken sick and says that one small bottle of Chamberlain Colic, Cholera and Diarrhoe Remedy was worth more to him than the cost of his entire stock of these medicines. **IMPROVEMENTS AT THE
A. J. TRILETY HOME**

One of the pleasing improvements that has added much to the appearance of South Fifth street is the concrete wall that has been placed by A. T. Triletly along his property at the corner of Fifth and Pearl streets. Mr. Triletly, who owns the residence on the corner, is also the owner of the vacant lot on the west of his home and the new concrete wall extends the whole half block along Pearl making a very substantial improvement to the property, as well as the general appearance of the street. Such enterprise is certainly commendable and Mr. Triletly is to be congratulated on the completion of the work, which was done by McMaken & Son in their usual satisfactory manner.

**WILL CONTINUE JOURNEY
ON TO MASSACHUSETTES**

Word has just been received in this city by the Wescott family from C. E. Wescott that after a short stay in Chicago he would, in company with his grandson, Master Mason Wescott, continue their trip on to Massachusetts, the native state of Mr. Wescott. This will be a most enjoyable trip, as they will visit Montreal, Canada, and enjoy a voyage down the Hudson river to Saratoga, New York, from where they will go to Pittfield, Massachusetts, for a visit there. This will certainly be a fine opportunity for Master Mason to complete his record as a traveler, as he will have then traveled clear across the continent, as he spent last summer at Los Angeles with his grandparents, and the present trip will bring him to the Atlantic coast. There are not many young boys who are given this opportunity.

P. A. Horn of near Mynard was in the city yesterday, and while here called at the Journal office and renewed his subscription to the daily for another year. Mr. Horn is one of the live farmers who believes in keeping in touch with the news of the day.

Past Chiefs Are Entertained.

The Past Chiefs of the Degree of Honor were entertained in a most delightful manner yesterday afternoon at the home of Miss Teresa Hemple, and one of the most enjoyable entertainments of the season was indulged in by the ladies and the hours passed by very pleasantly in a general social good time among the different members of the order present. During the afternoon a very tempting luncheon was served by the hostess, which proved one of the most delightful features of the pleasant afternoon.

**RAY MILLBURN STEALS
MONEY AT PACIFIC JUNCTION**

From Friday's Daily.

We note the following among the Pacific Junction items in the Glenwood Tribune: Ray Millburn, a Plattsburgh youth, charged with stealing a pocketbook, was captured the first of the week by Marshal Johnson after he had chased him down the Burlington tracks south seven miles. The young man acknowledged the theft and preparations were being made to arraign him in a juvenile court when it was learned that he was from the Nebraska city and that he had already been sentenced to a term in the Nebraska state reform school at Kearney. The young man entered a residence in the north part of the Junction and stole a purse containing \$8.35. The loss was soon discovered and through quick work on the part of the local officer the young fellow was caught. He was immediately turned over to the Nebraska officers.

**HALLIE PEERY INJURED
WHILE PLAYING BALL**

From Friday's Daily.

Last evening Hallie Peery, while practicing base ball at the Booster park, received an injury that will interfere with his playing for some time at least. Hallie was playing second base and was fielding the balls which were being batted to him, and as a grounder struck the diamond in front of him attempted to catch it and misjudged the direction the ball was going to take, with the result that it struck him just above the right eye and cut a gash several inches long, which required the services of a physician and several stitches to close. He will wear his eye in mourning for some time as a result of the accident.

**RILEY, THE INSURANCE AGENT
MAKES GOOD HIS SHORTAGE**

Some time ago D. K. Riley, an agent for the National Fidelity & Causality Co., was working through this county soliciting insurance and secured a large number of policies and he failed to turn in the money secured on a number of them and left this part of the country. The insurance company, as soon as they learned the truth of the matter, at once got busy and the man was apprehended at Nelson, Neb., and brought back to this city and lodged in jail to answer to the charge of embezzlement. He was arraigned in the county court a few days ago and received a fine of \$25 and costs, which he settled for, as well as the sum of \$100 which he turned over to the company at Omaha, and he was released. The company has made every policy written by Riley good and the policy-holders have not lost a cent on the trouble of Riley.

Mrs. John Sharpe Better.

The many friends in this city of Mrs. John Sharpe, formerly of this place, will be greatly pleased to learn of her having successfully passed through an operation for cancer at one of the hospitals at Tacoma, Washington. Mrs. Sharpe was reported as getting along nicely, which will be most gratifying to the old friends of the family here. Mr. and Mrs. Sharpe removed from this city about a year ago to Tacoma and are greatly pleased with their new location on the Pacific coast.

INQUIRY ABOUT A BOOK PUBLISHED HERE YEARS AGO

One of our local attorneys has just received a letter from parties in Kansas City inquiring whether it would be possible to secure a copy of a book supposed to have been published in this city which contained the lineage of the family of James Spencer. The book was published in this city, it was claimed, by James Spencer Matthews, who resided here several years ago, and a copy is greatly desired by the Kansas City parties, as they are desirous of printing a sketch of the Spencer family and the work contains some very valuable facts needed by them. A diligent search at the public library failed to unearth the volume, but the parties writing the letter thought that a number of the books had been disposed of among the citizens here.
