SAM HINKLE APPOINTED CHIEF CLERK IN THE GOVERNOR'S OFFICE

Samuel Hinkle of Havelock was on last Saturday appointed chief clerk in Governor Morehead's office and assumed his position Monday morning.

Mr. Hinkle is a very capable man, having for some years been employed in the offices at the Burlington shops. Since leaving the shops he has been engaged in the real estate and insurance business and for several terms was mayor of the city of Havelock. Last fall he was a candidate for the nomination to the office of railway commissioner on the democratic ticket and took considerable interest in Governor Morehead's campaign.—Havelock Times.

The news of Mr. Hinkle's appointment to this position in the office of Governor Morehead will be most pleasant news to the many friends of Mr. Hinkle in this city, where he was a resident for a number of years, and the governor will find him a most capable and efficient man in his office.

How the Trouble Starts.

Constipation is the cause of many ailments and disorders that make life miserable. Take Chamberlain's Tablets, keep your bowels regular and you will avoid these diseases. For sale by all dealers.

Express Their Thanks.

The T. J. Social society desires to express their deep appreciation of the generous patronage of the public during the tournament in this city and also to the citizens who decorated their places of business for the event as well as to those who so kindly placed their automobiles at the service of the committee for use in taking the visitors from the Burlington station to the hall and to Superintendent Baird for his courtesy shown the committee.

SPLENDID DISPLAY OF PENMANSHIP

The following clipping is taken from the Nebraska City Press and is in regard to the penmanship department at Otoe County Teachers' Institute, which was held at Nebraska City last week. Miss Marie Kaufmann of this city had charge of this department.

As proof of the efficacy of the Palmer system of penmanship as a means to good writing Miss Kaufmann yesterday exhibited some specimens of plain and fancy writing by ten-year-olds in the Plattsmouth schools. They are surely remarkable examples of good penmanship, especially when the ages of the pupils are considered.

M. Tritsch, refracting optician, at Gering & Co.'s Wednesday and Saturday evenings. Examination free.

ADOLPH GEISE AND PARTY MEET WITH ACCIDENT NEAR ROCK BLUFFS

While out motoring yesterday Adolph Geise and wife experienced a narrow escape from very serious injury in an accident that befell their automobile. The party were running up a hill on the Rock Bluff road near where the John Wurga farm is situated, and when almost to the top of the hill the axle of the car broke and the machine at once began to run backwards down the steep incline of the hill, despite the efforts of Mr. Geise, who applied the brakes to the machine, but this failed to hold the car and the automobile backed into a small ditch along the roadside and fell over on its side and it is almost miraculous that the whole party were not seriously injured. Mr. Geise escaped from the car without injury, while Mrs. Geise was thrown out of the back of the automobile and if the car had turned a little farther over would have been crushed to death. Jake Lutz, who was in the party was also thrown out of the machine, but without serious injury. The automobile was quite badly mashed up in the accident, one of the wheels being broken, as well as the glass windshield and the broken axle, which will cause it to be in the repair department for a few days before it can again be used by Mr. Geise.

Costly Treatment.

"I was troubled with constipation and indigestion and spent hundreds of dollars for medicine and treatment," writes C. H. Hines of Whitlow, Ark. "I went to a St. Louis hospital, but no cure was effected. On returning home I began taking Chamberlain's Tablets, and worked right along. I used them for some time and am now all right." Sold by all dealers.

Improved Machinery.

The machinery display at the Nebraska state fair, September 1-5, will be the best in the United States. The automobile, farm implements and tractor exhibits are without equal anywhere. Then, too, the best of amusements have been provided. Liberati's band, assisted by ten grand opera stars, will furnish free music. Five state bands will also give free concerts.

The Famous O. I. C. Swine.

Among the first of this popular rapid growth swine that has been brought to Nebraska can be found in the herd of Mr. Samuel Parker, south of this city. They grow very rapidly and will reach the market point sooner than any other breed of swine, consequently consuming less feed. Mr. Parker has the agency for this county, and will be pleased to have all breeders call at his place and inspect the animals he has.

HANDSOME WEDDING AT THE HOLY ROSARY CHURCH THIS MORNING

This morning at the Holy Rosary Catholic church in the west part of the city occurred the marriage of Mr. Anton J. Koubeck and Miss Frances Navratik, the ceremony that united this worthy couple being performed by Rev. Father John Vleck, the priest of the church and the beautiful nuptial mass of the church was used the music being furnished by the choir of the church under the direction of Mr. Cyril Janda. The church was beautifully decorated for the occasion with flowers and plants and made a very artistic setting for the wedding ceremony. The bride and groom were attended by Mr. August Bayir as best man while Miss Anna Jerousek served as bridesmaid. The church was thronged with the friends and relatives of the contracting parties who after the wedding ceremony showered the newly wedded couple with their best wishes for a long and happy married life.

Remarkable Cure for Dysentery.

"I was attacked with dysentery about July 15th, and used the doctor's remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief," writes B. W. Hill of Snow Hill, N. C. Sold by all dealers.

Returns From Chase County.

Mr. and Mrs. Frank Cook returned home yesterday from a visit to their farm in Chase county. Mr. Cook brought with him a sample of the corn grown this summer in the vicinity of his farm and it looks fine. He says that there has been much more rain in Chase county than we have had here. Mr. and Mrs. Cook made a trip to the mountains in Colorado during their vacation.—Havelock Times.

WELL DESERVED

The Praise That Comes From Thankful Plattsmouth People.

One kidney remedy has known merit. Plattsmouth people rely upon it.

That remedy is Doan's Kidney Pills.

Plattsmouth testimony proves it reliable.

Charles L. Bates, farmer, Ninth and Walnut streets, Plattsmouth, Neb., says: "Kidney complaint seemed to come upon me all of a sudden. I attribute it to a heavy cold which settled on my kidneys and made them weak, causing the kidney secretions to pass too frequently. I often had pains across the small of my back. When I stooped sharp twinges darted through me. I felt languid and had little ambition. When someone advised me to try Doan's Kidney Pills, I got a supply from Gering & Co.'s Drug Store. They soon benefited me and two boxes made a permanent cure. I can certainly recommend this remedy to anyone who has kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Some Fine Corn at That.

One of the Journal's mighty good friends from south of Murray had occasion to pass the corn field of Nick Friedrich last Saturday, and seeing that the ears were looking pretty fair he stepped the first four rows in the field and pulled the first four ears he came to. These ears were brought to this office Saturday, and we think look mighty fine considering the long drouth. This gentleman is a pretty good judge of a corn field and he thinks the field will average better than 35 bushels to the acre. Of course such fields are very few and far between.

Minister Praises This Laxative.

Rev. H. Stubenvoll of Allison, Ia., in praising Dr. King's New Life Pills for constipation, writes: "Dr. King's New Life Pills are such perfect pills no home should be without them." No better regulator for the liver and bowels. Every pill guaranteed. Try them. Price 25c, at F. G. Fricke & Co.

The Semi-Weekly Journal.

Since the installation of the Journal's new Goss Press we have added one column more of reading matter to each page; this change was made so that we might have a small amount of reserve space at times when it will be needed on our eight-page edition. When advertising business is rather slow we will be compelled to issue a six-page paper. At the present time we will issue an eight-page paper on Thursday, at which time we have considerable country news matter, and will need most of this space at all times. On Monday for the present at least, we will issue a six-page paper. There were months in the year when the old size of the Journal was ample to accommodate all the news of the country with room to spare. With an eight-page paper on Thursday and a six-page on Monday, we will still have two columns more space than under the two former eight-page papers, and give us two pages in reserve for the Monday issue when we need it. We trust that our readers will be pleased with the new arrangement.

VERY BAD AUTOMOBILE ACCIDENT NEAR EAGLE

The following account of a very severe automobile accident, in which a resident of the west part of the county was one of the victims, appeared in the State Journal of this morning and will be of much interest to the friends of the injured man throughout the county:

Dr. J. S. Anderson of Seward, president of the state board of examiners for veterinary surgeons, and Frank Lanning of Eagle, were injured in an automobile accident a mile west of Eagle, Neb., at 11 p. m. Saturday.

Dr. Anderson was thrown over the windshield of the car and was considerably bruised. Frank Lanning, whose machine crashed head-on into Dr. Anderson's, was more seriously bruised. Both machines were badly broken by the impact.

Dr. Anderson had driven to Eagle to make a professional call and was on his way to Lincoln when the accident occurred. He was driving toward the west, just starting to descend a hill, when he saw the lights of another machine approaching some distance away. He slowed his machine down as he neared the turn at the foot of the hill. Lanning's car came at a faster pace, down the hill from the west.

Dr. Anderson drew to the right side of the road, but Lanning swung sharply, rounding the turn, colliding with the doctor's machine.

Both men were thrown out of their cars and bruised considerably. Both were picked up by passing motorists and taken to Eagle, where their injuries were attended to.

REX YOUNG WAS IN PLATTSMOUTH SATURDAY AND IS RECOVERING

Saturday afternoon D. A. Young, accompanied by his son, Rex Young, came up from their home near Murray and spent several hours here looking after some business, and while in town D. A. stopped at the Journal headquarters to make a short social call, and one that was much appreciated. This was the first visit of Rex to this city since his accident some few weeks ago, when he was run over by an automobile, and he is still compelled to get around with the aid of a crutch. The injuries he sustained in the accident were more serious than was at first supposed, as he had three ribs broken, besides being badly bruised and cut in places all over his body. The accident was caused by his falling out of the rear of a wagon that was towing a disabled automobile, and the car passed over the body of Rex, inflicting the injuries that laid him up for such a length of time.

Platform Dance Next Saturday.

The Tuene Bros. have arranged to give another of their delightful platform dances on Saturday evening, August 30th, at their grove west of this city and a cordial invitation is extended everyone to be present. The music will be furnished by the Svoboda orchestra and a good time is assured to all.

Congregational Meeting.

A Congregational meeting of the First Presbyterian Church of Plattsmouth, Neb., will be held at the church, Wednesday evening, September 3rd, at 8 o'clock p. m., for the purpose of considering the calling of a pastor. All members of the church and congregation are urged to be present.

By Order of the Session, 8-26-13d.

Notice.

During the Cass County Teachers' Institute which will be held in this city during the coming week the State Library Commission will have an exhibition at the public library in this city, a Traveling Library. This library is considered one of the most helpful to the teachers and all the teachers are invited to call at the library and see it. The public library of this city will also have some of their reference books and books which will aid the teacher in her work on exhibition. The library hours are from 2 to 5:30 p. m. and 7 to 9 p. m.

A Successful Fair.

901 arrangements have been made for one of the most successful state fairs in the history of Nebraska. It will be held at Lincoln September 4-5. All live stock, race and horse entries have been made. A large force of men is now at work preparing the grounds for the reception of the throngs of visitors.

Attractive Exhibits.

In order to see what Nebraska can produce in a dry year, attend the state fair at Lincoln, September 4-5. The agricultural, horticultural and fruit displays will be especially strong this year. Many counties have prepared exhibits which will surprise those not familiar with the resources of the state.

Which Daily Paper?

Readers of The Lincoln State Journal are getting some very important news nowadays about the tariff, the currency bill and the trouble in Mexico. This paper wants you to read it awhile just to see if it is not the paper you will want all the time. A cut-price offer is made of one dollar from now until January 1, 1914.

for The Daily and Sunday Journal. The paper will be stopped at that time. This special rate is made only to induce you to try the paper and find out for yourself if it is not Nebraska's greatest newspaper. The sooner you send in your dollar the more papers you will get for your money. Address State Journal, Lincoln, Neb.

Death of an Infant.

This afternoon at 1:20 the little 3-weeks-old baby boy of Mr. and Mrs. Charles Gradoville died at the home of the parents in the west part of the city of stomach trouble. If the brother, Charles Gradoville, jr., can reach here this evening from Havelock the funeral will be held tomorrow from the Holy Rosary church.

100 PICNICERS HERE SUNDAY FROM OMAHA

There was a gala occasion at the T. J. Sokol hall in this city yesterday, when one hundred pupils of the Bohemian school in Omaha, accompanied by their parents and friends, visited this city to hold their annual picnic in the cool shade of the pleasant Sokol park. The visitors came loaded down with good things to eat and to have a good time and that they realized their purpose was evident from the pleased expression on the faces of the company as they proceeded to the Missouri Pacific depot, where they boarded the 7:15 train for the metropolis, all of them thoroughly tired out, but feeling that the occasion had been one of more than usual enjoyment. The reputation of this city as a place to spend an enjoyable time is growing in the metropolis and a trip "down to Plattsmouth" is always looked forward to with great pleasure and each Sunday sees several parties from Omaha coming here to spend the day in the cool and shade of the country.

Parents, send your boys to join the Boy Scouts, Mr. McLafferty is a bright, capable young man. He will "show the boys a good time." They learn nature, courtesy and patriotism. No expense.
