REPUBLICANS HOLD CITY CONVENTION

Baylor for Mayor, Rawls for Clerk, Cook for Treasurer and Wescott and Schulhof for the School Board.

From Saturday's Daily.
Last evening the republicans of the city gathered at the office of Judge Allen J. Beeson in the court house to hold their city convention, and there was quite a number of the faithful present, both of the bull moose and regular persuasion, when Dr. E. W. Cook, as chairman of the city central committee, called the meeting to order and announced the purpose of the convention. In his remarks he urged the placing in the field of a strong ticket. William A. Robertson was pressed into service as the secretary of the convention and both of the gentlemen were elected as permanent chairman and secretary of the convention.

When the main feature of the performance, that is selecting candidates, was reached, the name of Henry A. Schneider was presented to the convention, for mayor, but that gentleman killed the boom quickly by arising and declining the honor offered him and placing in nomination the name of Chester W. Baylor, and the nomination of Mr. Baylor was made without a dissenting vote. Hon. W. H. Newell, one of the leaders of the party, arose from his place in the Third ward delegation when the office of city clerk was reached and placed in nomination R. G. Rawls, one of the young and energetic members of the party, for the office of clerk, and the nomination carried with great enthusiasm. For the office of city treasurer there had not been much doubt where the lightning would strike, and when A. L. Tidd arose to place the name of Dr. E. W. Cook, the present treasurer, before the convention there was little doubt as to the result of the nomination. Mr. Tidd explained to the convention the hopes that had been entertained by the friends of the schools of the city that there would be no politics displayed in the selection of the candidates for the office of members of the school board and suggested that the names of E. H. Wescott and John Schulhof be endorsed for the office they have filled so efficiently and well.

The different wards reported that the following named gentlemen had been nominated for the office of councilman in their respective wards: First ward, J. C. Linderman; second ward, Frank F. Buttery; third ward, Ed P. Lutz; fourth ward, J. C. Petersen; fifth ward, Robert Harris. Mr. Harris, however, made the announcement that he would not take the nomination and the committee will fill the vacancy.

For members of the city central committee the following were selected: E. G. Dovey, first ward; G. D. McMaken, second ward; R. Glen Rawls, third ward; Val Burkel, fourth ward; B. C. Hyde, fifth ward. The chairman and secretary of the committee will be selected later by the candidates. After hearing a number of stirring speeches from several of the local orators the meeting adjourned.

Fire at Mynard.

From Friday's Daily.
What might have proved to be a very disastrous fire was prevented by the timely arrival of neighbors at the residence of Henry Kaufman, in the south part of Mynard. In some mysterious manner fire was started in one of the bed rooms and before it was discovered by Mrs. Kaufman it had gained considerable headway, as curtains, bedding and articles of clothing were all on fire. It was fortunate that help was close by, as a few minutes longer and the entire building and contents would have been destroyed.

A FINE HOME FOR MR. AND MRS. EMIL A. LORENZ JUST COMPLETED

One of the handsomest homes that has been fixed up during the past season is that of Emil A. Lorenz on Oak street, and the owner has taken a great pride in seeing that the place has been fitted up with a view to comfort, and the result of his careful planning and the excellent work of the different parties who had the construction and remodeling of the house in charge. The house is a spacious one of seven rooms, with a large and well arranged entrance hall, and has been equipped with water and lights and fixtures of the latest and most improved type and is heated by a furnace that insures the comfort of the owner and his family. Everything that has entered into the remodeling of the house has been of the best and Mr. Lorenz certainly has secured a home he will well feel proud of. The carpenter work on the house was carried on by Frank Konfrst, the brick work by Emil Walters, while the painting and decorating was done by J. R. Rimmerfield, all of these gentlemen having carried out their work in fine shape and have certainly delivered the goods in the home they have turned over to Mr. Lorenz.

ATTENDED THE MEETING OF LEGISLATIVE LEAGUE IN LINCOLN

From Friday's Daily.
This morning Hon. R. B. Windham departed for Lincoln, where he will attend the meeting of the Nebraska Legislative League this afternoon at the state capital and the big banquet this evening in that city. Mr. Windham was first elected to the legislature in 1879, and served in the 15th, 16th and 17th sessions of the legislature and then retired to look after his business affairs until he was elected again to the 28th and 29th sessions, serving in the house of representatives. These meetings are always a great pleasure to Mr. Windham, as it brings him in touch with many old friends he knew while serving as a member of the Nebraska lawmakers.

FOUND HER SISTER'S HUSBAND IN A VERY CRITICAL CONDITION

From Saturday's Daily.
A letter has been received by Judge M. Archer from his wife, who was called to Chicago a few days ago by the death of her sister in that city, and in the letter Mrs. Archer informs her husband that on her arrival in Chicago she found her brother-in-law lying at death's door from pneumonia, the same affliction from which her sister had died, and he was in such a critical condition that his recovery was hardly looked for. Mrs. Archer will remain in Chicago until the condition of her brother-in-law improves or he passes away.

VERY BEAUTIFUL HOME WEDDING LAST WEDNESDAY

Two of Cass County's Popular Young People United in Marriage at the Home of the Bride's Parents.

A very beautiful home wedding took place at the home of Mr. and Mrs. F. M. Massie on Wednesday evening, March 18, when George H., their youngest daughter, was married to Grover C. Hoback.

Rev. J. F. Hedges was the officiating minister, using the beautiful ring service in full. At precisely 8 p. m. the wedding march began, with Mrs. Gilmore of Murray at the piano. The bridal couple, preceded by Rev. Hedges, followed by the ring bearer, Miss Treitch, a niece of the bride, marched into the parlor and took their positions under a festoon of white wedding bells and carnations. The words were then spoken which united the happy couple. About 50 invited guests were present to witness the ceremony and congratulate the bride and groom. The bride wore a very beautiful dress of brocaded net over white satin. The groom wore the conventional black. The bride carried a bouquet of bride's roses. The parlor was decorated with white wedding bells and carnations and the dining room in pink and white.

The bride has grown to womanhood at the present home of her parents, seven miles northwest of Nehawka. She is an accomplished young lady, being a good musician and beautiful singer and by her kind manner and ladylike ways she has won the affection of a wide circle of friends.

The groom is the son of Mr. and Mrs. B. F. Hoback, who live four miles south of town. Grover grew to young manhood on his father's farm, but of recent years has been clerking in F. P. Sheldon's store. He is a young man of splendid character and has been a clever and accommodating clerk and has thereby won for himself a wide circle of friends. The young couple will make their home in Nehawka. A dainty wedding supper of two courses was served to the entire company. —Nehawka News.

SEVERAL FINE FARMS CHANGE HANDS AND OWNERS IN PAST WEEK

During the past week there has been a change in the ownership of a number of very valuable pieces of farming land in this section of the county, and the fine price paid for them indicates the faith that is held in the value of Cass county farming lands by the farmers and investors in general. The eighty acres west of this city on the Cedar Creek road has been disposed of by the owner, Wash A. Young, to August Nolting, one of the sturdy German farmers of that section, for the sum of \$8,700, while Mr. Nolting has sold to George Born a fine piece of land consisting of forty acres for \$5,000. Henry A. Schneider has sold a farm of 160 acres in the neighborhood of Cedar Creek to Metzger Brothers for \$26,000, and Mr. Schneider in turn has purchased a tract of 100 acres from Henry Inhelder, paying for the same \$14,000. All of these farms lie in this part of the county and are all deemed bargains at the prices paid for them and the purchasers are congratulating themselves that they have made a splendid investment. The residence property of Mrs. Agnes Chapman in this city has also been disposed of, C. H. Fuller having purchased it and will make his home there in the future.

Hits the Bull's Eye.

An exchange that understands the advertising question, makes a good shot in the following words: "The advertiser, while benefiting himself, helps his town. A town in which the business men advertise in the newspapers is always a live town. The merchants who use printer's ink are always the progressive spirits of the place, and deserve the patronage of the community they help support and push forward. Deal with the business man whose advertisement you see in the newspaper and you will make no mistake."

GREAT PARKER CARNIVAL COMPANY TO VISIT PLATTS-MOUTH WEEK OF MAY 10TH

This city is to be visited by a carnival company this season, and the amusement-loving public of the city are anticipating a splendid treat from the attractions offered by the Alman Brothers' Big American shows that will occupy the date for the second week in May. Mr. W. E. Kerns, general agent of the company, was in the city yesterday looking over the field and closed the negotiations with Messrs. J. E. McDaniel, John Cory and J. C. York, the committee representing the Improved Order of Redmen for the appearance of the company here. This is one of the best carnival companies on the road today and consists of a twenty-car company, with ten or more attractions and two splendid free acts, as well as a band of extra high quality. The carnival will be located off of the business streets of the city and will be able in this way to put up the shows in better shape than if they were placed on the streets, and the advance man is loud in his statements as to the fine shows that will be brought here by the company. The proposition is a mighty good one and the Redmen and the committee should be encouraged in their efforts to make the carnival a great success in every way. Mr. Kerns, the advance man, is a very clever gentleman and if the company is as good as its representative they are certainly all right. This company will also appear at Council Bluffs and South Omaha before they visit this city.

EX-CONGRESSMAN E. M. POLLARD MAY BE CANDIDATE FOR GOVERNOR

The "More or Less Personal" column of the Lincoln Journal of Thursday contained the following: Quite a number of republicans in Lincoln are wanting to bring ex-Congressman E. M. Pollard out of Nehawka for governor. They think he would not only make a clean-cut and effective campaign, but would also make a forceful and effective governor. Mr. Pollard has an immense pride in the state and would like to see a number of reforms effected, especially those dealing with public finance and the welfare of the farmers. There is talk here of drafting him for the race this year, with the idea if the two wings of the party cannot be brought together now he will be in a position to be made governor without much trouble in 1916.

DEMOCRATES NOMINATE EXCELLENT TICKET

Strong Ticket is Placed in the Field for the Different City Offices.

The democrats of Plattsmouth met in their city convention at the city hall Saturday evening and placed in the field one of the best tickets they have had for years. Preceding the convention the different ward primaries held their meetings to select their representatives to the convention and there was a full representation of the different wards present when Chairman John Lutz called the convention to order, and on motion J. P. Falter was elected as chairman of the convention and Frank Smith as secretary.

On the call for nominations for the office of mayor of the city, the Second ward presented to the convention the name of Mayor John P. Sattler, who has served the people of the city so faithfully and well in that office, and his nomination was made unanimous.

For the office of city treasurer the name of H. M. Soennichsen was placed before the convention and received with great enthusiasm by the delegates and it was carried without a dissenting voice.

On the question of city clerk there were several names discussed, but the honor was finally conferred upon John Nemetz, one of the hustling business men of the city, and who will be one of the best men ever nominated for any office in the city.

On the matter of the members of the school board the convention was heartily in favor of the non-partisan plan, as has been followed in the last few years, and placed in nomination John A. Schulhof, the retiring democratic member of the board, and endorsed the nomination of E. H. Wescott, the republican member of the board retiring. This action of the two parties speaks well for the two and their fairness in preserving the best interests of the city school system from the effects of partisan politics.

For the office of city engineer the name of Fred Patterson was placed before the convention and the nomination made unanimously.

The different councilmen nominated in the various wards and precincts were called for and the following selections ratified by the convention: First ward, R. F. Patterson; second ward, Fred Wagner; third ward, Frank M. Bestor; fourth ward, John Kopp; fifth ward, George Klinger, jr. For the chairman of the city central committee J. P. Falter was selected and will guide the destinies of the party during the ensuing campaign.

The convention was very harmonious throughout and there was a feeling in the meeting that the whole ticket was one that would be carried to victory at the polls on election day on April 7th. The convention was one of the most harmonious that has been held in recent years and the members of the convention were enthusiastic over the ticket put in the field that is composed of good clean men from top to bottom and one that will guarantee to the citizens and taxpayers of the city a city government in sympathy to the needs and wishes of the residents of the city, regardless of politics. There is no reason in the world why any man cannot vote for the democratic city ticket and feel that he has done the best possible thing for the welfare of the city, and that they will register their approval of the convention's choice at the polls there is little doubt.

The fact that Mayor Sattler, who is to be the standard bearer of the party, was not able to be

present at the convention was greatly regretted by the delegates, but the mayor had been indisposed for the past few days and was confined to his home.

All members of the church and congregation are urged to be present.

MISS BESSIE DELES DERNIER MARRIED TO MR. WILLIAM PENTERMAN

Wm. Penterman of Manilla, Ia., son of Mrs. L. K. Penterman of this city, and Miss Bessie G. DelesDernier, daughter of Attorney and Mrs. Wm. DelesDernier, were quietly married in Lincoln on Tuesday last by Judge Risser. The event marks the culmination of a long and happy courtship, and the young couple have many warm friends with whom this paper is pleased to join in wishing them a long and happy wedded life.

The bride was one of our very proficient corps of teachers in the high school, she having served the district on her fourth year. She was born and reared to womanhood in Elmwood and was always considered one of our most handsome, talented and accomplished young ladies.

The groom has until recently been connected with Penterman Bros., one of our foremost general merchandise firms. He is a splendid young man of sterling worth and ability, and enjoys the confidence and esteem of all whom he comes in contact. He takes his bride to Manilla, where a fine home has been placed in readiness for housekeeping, and where the best wishes of all attend them.—Elmwood Leader-Echo.

REV. CHARLES ROLLIT OF RED WING, MINNESOTA AN INTERESTING TALKER

The visit of the Rev. Charles C. Rollit of Red Wing, Minnesota, secretary of the Sixth missionary department of the Protestant Episcopal church to this city was one of great interest to the members of St. Luke's parish in this city. Rev. Rollit arrived in the city Saturday noon and held a short service at the church at 2:30 which was attended by a number of the ladies of the parish, the meeting being especially for their benefit, and a great deal of profit, as well as pleasure, was derived by the ladies at this meeting. Saturday evening Rev. Rollit gave a very interesting talk on the mission work of the church in China, and the lecture was illustrated by slides showing the work of the church in this far-off land and the effects of its influence for good on the people of that country. The talk of Rev. Rollit was one of the most interesting that has been heard in this city along these lines and opened the eyes of his auditors to the scope of the work in the foreign mission field. Yesterday morning Rev. Rollit had charge of the services at the church, holding a celebration of the Holy Communion, as well as the service at 11 o'clock, at which time he gave a very strong and able sermon and one that made a deep impression upon his auditors.

FORMER LADY OF PLATTSMOUTH DIES IN OMAHA

Mrs. A. P. Campbell Passes Away at the Hospital in Omaha From the Effects of an Operation.

The relatives and friends of Mrs. A. P. Campbell were greatly shocked yesterday to receive the sad notice of her sudden death in an Omaha hospital, where she had recently been operated upon. She, in company with her daughter, Mrs. Olga McFarland, entered the hospital for treatment some days ago, and little alarm was felt concerning the outcome of their cases. However, Mrs. Campbell could not respond to the treatment given, and her death came very suddenly on Thursday afternoon. Mrs. McFarland is still confined to her bed, and while in a very weakened and prostrated condition, resulting from her operation and the loss of her mother, is expected to recover.

The body of Mrs. Campbell will be brought to Plattsmouth Sunday afternoon at 1:15. The funeral will occur at the First Methodist church.

The death of this worthy lady will bring sadness to the heart of everyone who knew her. She came to Plattsmouth about 1899, and with her husband and daughter, Olga, resided in South Park for many years, removing from the city about six years ago. Mrs. Campbell was a most estimable Christian woman, her long and constant devotion to the Methodist church, of which she had been a member since childhood was a matter well known by all who knew her, and especially to the congregation of that church. She was for several years director of the choir. Her services in music and other assistance in the worship in the church of her choice will ever linger in the memory of all who frequented the various appointments of the church. She was faithful, always prompt and preserving in the work to which she contributed so generously of her time and talent. Ever full of hope and courage concerning the work of the church, thoughtful and kind to all whom her duties called upon her to serve. Her's was a real ministry of consecrated Christian service.

Mrs. Campbell had been residing lately with her daughter at Lexington, Neb. The sympathy of all friends and acquaintances will go out to Mrs. McFarland, whose loss will bring to her a great sense of loneliness and sorrow. Mrs. D. S. Smith of this city is an aunt of Mrs. Campbell.
