BIG REBUILDING SALE

**THE FREE FERRY TRYOUT A SUCCESS AND IS FREE AGAIN SATURDAY**

The free ferry proposition was given a tryout last Saturday and the result was quite satisfactory for the first time, as there was a noticeable increase in the number of persons crossing from the Iowa territory to this city, and they all left a considerable amount of money in the city, which will aid the business men and the city in general. The days will become more popular as they go along and can readily be made the means of bringing here a large number of strangers who have not heretofore made this city their trading point, and by careful effort and work on the part of the business men a lasting and permanent trade can be built up on the east side of the river, as this city is the natural trading point for the western part of Mills county and the farmers of that locality will be glad of the opportunity to come here to trade, and it is up to the business interests of the city to see that they are given this opportunity. Another free day will be given on next Saturday, and all farmers on the Iowa side should avail themselves of the chance to come here.

**PUPILS REMAINING OUT OF SCHOOL WITHOUT PERMISSION**

The school authorities have had in the past few months considerable difficulty to retain youngsters in school, and in many instances the parents do not exercise the proper authority over them to require the children to attend school, and as a result they are allowed to fall behind in their studies and it inflicts a lasting injury to the boy or girl that they later realize to their sorrow. The law in regard to the attendance of children at school is very strict and there must be reason that is good and sufficient before the authorities can allow children to remain out of school and fall back in their studies. The coming year there will be a strict enforcement of this law and the children who should be attending school will be looked after.

**Gets in Mixup With Coon.**  
Last evening while the carnival company was unloading their shows at the Burlington yards one of the coons escaped from the cage in which it was confined and made a dash for liberty, pursued by a number of the hands connected with the company, and William Gravitt who was standing nearby, rushed out to assist in the capture and grabbed Mr. Coon by the neck, and as a result is wearing both hands bandaged, as the coon showed fight and bit and scratched Bill in a very severe manner that necessitated the services of a surgeon to repair.

**FAREWELL PARTY AND PICNIC IN HONOR OF MISS ALMA HOLLY**

**From Friday's Daily.**  
A very pleasant farewell party and picnic was given at Avoca on Wednesday afternoon by the friends and pupils of Miss Alma Holly, who has just closed a most successful school year at one of the schools near that place. The jolly gathering occurred at the home of Mr. and Mrs. W. O. Baier, where Miss Holly has been staying during her school term. There was a large number present to take part in the pleasures of the day and all united in making the occasion one of the rarest pleasures to the guest of honor. The luncheon and refreshments, consisting of ice cream and cake and fruit, was one thoroughly enjoyed and the delicious delicacies added much to the delight of the afternoon, being served both indoors and to the young folks assembled on the lawn. Miss Judith Straub furnished several very much enjoyed musical numbers during the course of the afternoon, which added greatly to the pleasure of the company, and it was a late hour when the guests departed, wishing Miss Alma a pleasant vacation and hoping to have her with them again next season. The guests present were: Messrs. and Mesdames G. W. Harshmann and family, M. M. Straub and family, Henry Young and family, Joe McDaniel and family, J. G. St. John and son, F. McAndrews and family, Mrs. F. Linville and daughter, Mrs. Jean Harshman and family, Anna and Gladys August, Inez, Walter and Hattie Royer, George, Wilmer and Marie Martin, Miss Frances Vette, Messrs. Peter Jorgenson, Clair Bell, Misses Bessie and Elizabeth Holly, Plattsouth, and Mr. and Mrs. W. O. Baier and daughter, Hazel Catherine.

**DEATH OF AN AGED MAN AT MASONIC HOME**

James L. Ebersole, One of the Oldest Masons in the State, Passes Away.

**From Friday's Daily.**  
Yesterday afternoon one of the oldest members of the Masonic fraternity in the state of Nebraska passed to his final reward at the Masonic Home in this city at the ripe old age of 93 years, in the person of James L. Ebersole. Mr. Ebersole was born February 18, 1881, at Shepherdstown, in what was then Virginia, but is now included in the state of West Virginia, and here he lived for many years until he came west to locate in the state of Nebraska. He was a member of Auburn Lodge No. 124, A. F. & A. M., and came to the Home here to reside on March 11, 1909, and had since resided here, where he had made a great many friends, as he was a very pleasant old gentleman, and despite his great burden of years and the infirmities that the hand of time had laid on him, his mental faculties were very bright and it was always a pleasure to meet and converse with him. In his death the members of the Home feel they have lost a dear, kind friend, and his passing will be sincerely regretted by all who knew this kindly old gentleman. The funeral was held this afternoon at 2:30 at the Home, under the charge of Plattsouth Lodge No. 6 of the Masons, the sermon being delivered by Rev. F. M. Druliner of the First Methodist church of this city, and the body was tenderly borne to its final resting place in beautiful Oak Hill cemetery, where it was consigned to the silent dust from which it sprung. A son, James M. Ebersole, of South Omaha, and two granddaughters, Mrs. C. W. Conrad of Nehawka, and Miss Winifred Ebersole of South Omaha, as well as the little grand-grand child, Baby Conrad, were here to attend the funeral of this good man.

**Second Ball Team Loses One.**

The second base ball team of this city yesterday morning departed for Pacific Junction via the carryall route, and after a contest covering several hours were bumped to the tune of 4 to 4 by the Iowa boys, who took most kindly to the opposition furnished by the team from this city. Anton Hula and Vern Long did the throwing for Plattsouth, while Charles Hadraba had the receiving end of the argument. The boys, however, are just starting out without any practice aside from the trimming they received yesterday, and before the season is out should be able to give a good account of themselves.

**MISS MARIE KAUFMANN RETURNS FROM PENMANSHIP CONVENTION**

**From Friday's Daily.**  
Last evening Miss Marie Kaufmann, instructor of penmanship in the city schools, returned from St. Louis, where she was in attendance at the meeting of the Nation Association of Penmanship Supervisors. The meeting was a most successful one in every way and the different instructors, who were from every section of the United States, secured many good ideas that will aid materially in the advancing of the art of penmanship in the different schools of the country. All the representatives of the schools brought with them to the meeting specimens of the work in their school, and how well the Plattsouth school stood may be shown by the fact that all agreed the work of the students here compared favorably with those from other larger cities, where the course had been in the school for years, while here this is only the second year for it. Miss Kaufmann has some fifty specimens of work with her and all but twelve were taken by other supervisors to use as specimens for the benefit of their schools, and many of them go to New York, Philadelphia and Cincinnati. Miss Kaufmann secured many valuable ideas at the meeting that she will utilize here in the advancement of the work in the schools.

**FIRE ALARM TURNED IN SATURDAY AFTERNOON**

Last Saturday afternoon the fire alarm was sounded about 4 o'clock, summoning the fire department to the north part of the city, where a small shed at the residence of John Iverson was in flames. Before the arrival of the fire department several men from town who arrived at the scene of the fire got busy and formed a bucket brigade, with the result that they held the fire down and practically had it out when the fire boys turned on the hose and it only required a few minutes' work to extinguish the flames. The loss to the structure will amount to but little. There was considerable confusion created by the fact that the alarm as sounded was for the Fourth ward when it was located in the First ward, but there was little time lost, as the fire department had been informed by the telephone office of the exact location of the fire and were only a short time in getting to the scene of the conflagration. With the high wind the fire, if it had gotten a good start, might have done considerable damage to some of the surrounding homes, but fortunately it was put out without delay.

Bernard Middlemeyer of South Omaha came down Saturday evening and visited over Sunday here with friends, returning home on the late Missouri Pacific train.
