JOHN W. CRABILL

Boys Out on Parole.

The three young boys, Ernest Verhue, Arthur Harness and Frank Marsh, aged 9, 12 and 10 years, respectively, were arraigned this morning before Judge Beeson, charged with stealing brass and copper from the Western Machine and Foundry Co. After giving the matter consideration the judge decided that instead of sending them to the state reformatory at Kearney, he would release the boys on parole for thirty days, pending good behavior. This case is unusual for the extreme youth of the culprits and their apparent incorrigibility.

Departs for Home.

Dr. J. A. Fogarty of Neola, Iowa, and Dr. F. D. Caldwell of Baneroff, Neb., were in the city this morning, and had the distinguished honor of being introduced to the reporter for the Journal by our mutual friend Mr. Ed Schulhof. These gentlemen were in the Glenwood Institution for the Feeble Minded at the time Mr. Schulhof was conductor of music there, and Dr. Caldwell is quite well known here. Dr. Caldwell and wife, nee Miss Lillian Kauble, of this city, departed this afternoon for their home at Baneroff.

Messrs. Frank and Albert Schuldice, Claus Jess and William Fritchman of this city were so well pleased with Allman Bros.' carnival that they paid a visit to South Omaha yesterday evening and took in the performance in that city. They report that the carnival company seems to be having a continuation of the success which marked their visit to this city.

George A. Davis of Lincoln is stopping at the Riley hotel. Mr. Davis represents the Metropolitan Life Insurance Co. here.

Our Fine Bread Goes Furthest!

Hot from Omar's Oven.

And, as the cook baked, those who stood before the counter shouted: "Open then the door!"
You know how little time we have to stay
And, once departed, may demand no more.

Our fine, sweet and wholesome bread is well worth waiting for.

But you don't have to wait. Our baking is done in large quantities and at regular hours.

Let us deliver to you. Begin now. The children love our bread.

KENSINGTON CLUB SPEND ENJOYABLE AFTERNOON AT L. B. EGENBERGER HOME

The Kensington club was entertained yesterday afternoon at the cosy home of Mrs. L. B. Egenberger on lower Main street, in the usual charming manner that always characterizes the entertainments of the hostess. The house was decorated very tastily in the flowers of the season, making a very beautiful appearance. The dining room was a scene of great beauty, as the table, sparkling with china and silver, was crowned by a large floral center piece and with the delicious three-course luncheon made this room one of the most attractive in the home. Mrs. Egenberger was assisted in serving by Misses Opal Fitzgerald and Theresa Droge. As a guest of the occasion, Mrs. H. R. Neitzel of Boise, Idaho, was present.

Return From Hastings.

Messrs. William Starkjohn and Frank Neumann of this city returned this morning on Burlington train No. 6 from Hastings, Neb., where they have been for the past few days attending the state convention of the Sons of Herman. They report that they had a most enjoyable and instructive time at the convention, in spite of the fact that the weather was somewhat inclement, in fact it rained nearly every day. However, the delegates from this city did not allow that fact to interfere much with their enjoyment, especially in view of the fact that in the contest which was on at the convention in regard to the proposed increase in rates for the coming year, our delegates were lined up on the "insurgent" side, and succeeded in carrying their point by a single vote. Although this is a narrow margin it is still very effective and the delegates are well pleased.

Special Policeman Out Today.

The mayor has Special Policeman William Gravett out today with a shotgun looking up the matter of the stray dogs which infest our city. Mr. Gravett informed us this morning that he had already diminished the canine population to the extent of six of its number, and was on the lookout for more. This is strictly according to Hoyle, and the honorable mayor's pronouncement which appeared in the Journal

Mrs. Dwyer Shows Improvement.

The many friends of Mrs. D. O. Dwyer will be pleased to learn that this estimable lady is feeling much improved and her condition is such that her physician and family feel much more pleased than for the past few days. Mrs. Dwyer was quite low on Friday and Saturday, suffering from what seemed an attack of blood poison, and for a time she was quite critically ill, but has since rallied in fine shape and now seems out of danger.

A Full Fledged Mason Now.

Last evening at Nehawka Jack M. Patterson had conferred upon him the final degree in the Masonic fraternity. Those in attendance from Plattsmouth were: Michael Hild, James M. Robertson, William A. Robertson, Robert Sherwood, R. Glen Rawls, Lynn O. Minor and Emil J. Weyrich, all going down by way of automobiles. A very enjoyable time is reported and a great many were in attendance.

Messrs. Count Leonard Kluffinger, Matthew Gering and Peter Wahl, nephew of Count Kluffinger, were passengers for Omaha on the early train this morning.

T. H. Seagraves, who is now stationary engineer for the Kimball Laundry Co. at Waterloo, Iowa, is spending the week visiting at the home of his mother and other relatives and friends.

RURAL ROUTE CARRIERS TO MEET IN WEEPING WATER DECORATION DAY

Saturday, May 30, all rural route carriers are requested to attend a convention in Weeping Water. Every carrier in Cass county should be present, if it is possible for him to do so, as many matters of interest will be discussed. The rural routes have become a matter of business, and the matter of organization keeps them in closer touch with one another. As Decoration day is a holiday it gives every carrier an opportunity of attending without losing any time, and will prove very advantageous to anyone who puts in his appearance at Weeping Water and meets with his comrades in business.

PLATTSMOUTH MOTORCYCLISTS ORGANIZE CLUB

The Motorcycle Enthusiasts in the City Meet and Organize for Their Own Benefit.

Last evening a meeting of the motorcycle enthusiasts of this city was held at the office of the Plattsmouth Cycle Co., at Sixth and Pearl streets, for the purpose of organizing and electing officers for the ensuing year. Fred Dawson was chosen president and Edgar Steinhauer, secretary.

Outside of the selection of officers and effecting an organization, nothing of importance was done. However, there will be another meeting held next Wednesday evening, May 27, at the same place, when it is desired that all the motorcycleists of this city and surrounding territory be present. Everyone interested in motorcycles is invited to be there and a large attendance is desired, as the boys wish to push this club along and make it a success. The object of this organization will be to promote interest in touring, road races and hill-climbing contests and the sport in general, and it is also hoped that the club will be able to curtail some of the abuses of the rights of the highway which are at present so aggravating.

Scheduled club runs, or closed contests will always insure a club member good company, or competitive sport for which he may plan beforehand, while the rider who is not a member will be barred from entering.

It is the plan of the club to have Sunday or week-end runs occasionally to the surrounding towns. Those who desire to make motorcycling a clean and entertaining sport should attend the next meeting of the club next Wednesday evening at 8 o'clock, at the office of the Plattsmouth Cycle Co., corner Sixth and Pearl streets, Plattsmouth.

A WELCOME FOR ALL DURING WESCOTT WEEK

There Are Many Interesting Moments of Former Days in Plattsmouth.

There are many articles relating to the early history of Plattsmouth on exhibition this week in the show windows at C. E. Wescott's Sons store that are of great interest both to citizens and strangers. There are framed pictures of Plattsmouth's streets and buildings; pictures of places and prominent men taken as long ago as 1870, and from that time down to 1880. There are a number of election ballots giving the names of office-holders and aspirants for office of the long past. Some of these are still living in Plattsmouth, some have moved away and many are dead. There is an exhibit of rare coins covering a period from 1840 to the present time.

One exhibit which reflects particular credit upon the house of Wescott is a coat and hat sold by the elder Wescott to a customer 34 years ago. The coat is still in excellent condition and of a quality of material difficult to get in these degenerate days. The Wescott trade mark that "Quality Counts" is amply verified by this exhibit. There are also in the window pictures of the old B. & M. band, the old Plattsmouth ball team and many other interesting things that claim the attention of passers-by.

The anniversary week for the Wescott brothers is being filled with many pleasant episodes and will long be remembered as a period of good feeling and renewed friendships.

IMPROVEMENTS AT THE GEM THEATRE, FOR COMFORT OF PATRONS

A very much appreciated improvement has been made in the Gem theater in this city in the installation of a large 24-inch exhaust fan that will be used to purify the air in the auditorium of the theater, as the fan will carry 5,000 cubic feet a minute and will assure that there will always be a constant supply of pure, fresh air in the room and do away with the inconvenience so often found of a close, warm room when it is filled with a large crowd of persons. The fan was installed for Mr. Shlaes by the firm of Wurga & Schuldice, who have the contract for the placing of a number of fans in the different business houses of the city during the coming season.

Child Cross? Feverish? Sick?

A cross, peevish, listless child, with coated tongue, pale, doesn't sleep; eats sometimes very little, then again ravenously; stomach sour; breath fetid; pains in stomach, with diarrhea; grinds teeth while asleep, and starts up with terror—all suggest a Worm Killer—something that expels worms, and almost every child has them. Kickapoo Worm Killer is needed. Get a box today. Start at once, you won't have to coax, as Kickapoo Worm Killer is a candy confection. MRS. J. W. GAMBLE PROMINENT IN THE MENDELSSOHN CHOIR

From Wednesday's Daily. Among the singers who have taken part in the festival of music at the Omaha auditorium, which was held Monday and Tuesday by the Mendelssohn choir of Omaha, under the direction of Thomas J. Kelley, in association with the Chicago Symphony orchestra, was Mrs. J. W. Gamble, formerly of this city. Mrs. Gamble is gifted, as everyone here knows, with a splendid voice, and has taken advantage of the occasion to enlist in this splendid musical organization, and derives as much benefit as possible from the instruction of Prof. Kelley. This musical event was one of the largest ever held in Omaha and has been pronounced one of the greatest triumphs ever scored by the choir. The Symphony orchestra is the same as was presided over by the late Theodore Thomas, and is under the direction of Frederick Stock, the famous conductor, known the world over.
