

SCHEME CALCULATED TO BENEFIT THE CITY

If Carried Out Properly it is Bound to Result in Great Good to the Business Interests.

From Friday's Daily.
This morning O. W. Holt of Manhattan, Kansas, representing the Holt Feature Film company of that city, was here looking after a project that if handled properly will develop into a splendid advertisement for the city and its resources. Mr. Holt has met with great encouragement in his proposition of taking a series of moving pictures of the different points of interest in the city that will be shown in the different moving picture houses of the country and spread far and wide the beauties of Plattsmouth, the garden city of the state. It is expected to arrange a great gala day when the farmers and residents of the country districts will be invited here to take part in the movies and have their likenesses placed on the films which will be distributed throughout the picture show houses of the country. On this day there should be several hundred in to take part as it is desired to get as many as possible here to be in on the pictures. To stimulate the interest in the pictures they will be interwoven into a photo play that will have a sweet story, as the plot and in the different scenes shown will be pictured the points of interest in the city including the Burlington shops and the principal buildings of the city as well as the prominent persons who will be found necessary to have in the cast to make the picture a success.

This feature service is worth \$500 and the film company will give the Commercial club full value received in the splendid pictures that will be presented showing the resources of the city. It is a fine chance to secure a moving picture reproduction of the city and should be taken advantage of without fail by the commercial interests of the city.

Mr. Holt returned to his home in Kansas this afternoon, but will return later to complete the arrangements for staging the pictures and when the big day is announced every person in the vicinity of Plattsmouth should make it a point to be on hand and enjoy the occasion.

SON OF AUGUST RHEINACKLE, FORMERLY OF THIS CITY, DROWNED AT SEATTLE

The news has been received here of the drowning of Robert Rheinackle, a nephew of Albert Rheinackle of this city which occurred in a small stream not far from Seattle, Washington, where the young man was engaged in hunting. He had evidently been caught in quicksand and was unable to get out in time to escape drowning and succumbed to the force of the sand dragging him down until death finally stifled his struggles. The young man was a son of August Rheinackle, formerly of this city and was about nineteen years of age, and at the time of his death was attending college in Seattle.

He had gone out on a short hunting trip with several companions and separating from them in pursuit of game, and here met his death. The friends of the Rheinackle family will be greatly grieved to learn of the unfortunate accident to the young man who has been cut down just in the dawning of a bright future in his young manhood.

Caught a Bad Cold.

"Last winter my son caught a very bad cold and the way he coughed was something dreadful," writes Mrs. Sarah E. Duncan, of Tipton, Iowa. "We thought sure he was going into consumption. We bought just one bottle of Chamberlain's Cough Remedy and that one bottle stopped his cough and cured his cold completely." For sale by all dealers.

Funeral of W. B. Mayes.

From Friday's Daily.
The funeral of the late W. B. Mayes was held this morning at 10 o'clock at the home of John Jess, on South Sixth street, and was entirely private, only the members of the family being in attendance. The services were conducted by Rev. H. G. McCluski, and following the short but impressive service the body was conveyed to Oak Hill, where the interment was made there in the family lot. Three of the brothers of Mr. Mayes were present to attend the funeral, but it was impossible for the mother, who resides in Virginia, to reach here in time for the service.

SOUTHEAST NEBRASKA LADIES' AUXILIARY OF EPISCOPAL CHURCH MEET HERE

From Friday's Daily.
The district convention of the southeastern Nebraska Ladies' Auxiliary of Nebraska is holding their annual convention at St. Luke's church in this city today taking up the work for the forthcoming year in this splendid branch of the church work. After the morning session this morning the ladies were entertained at luncheon at noon at the Hotel Riley where Mr. and Mrs. Robb had prepared a delicious menu for the delegates and members of the local ladies auxiliary. Covers were laid for some fifty-two of the members of the convention and the occasion was one of the most pleasant features of the enjoyable convention. The dining room was lighted with soft shaded lights which cast a rosy hue over the room while the table set apart for the members of the convention were all very prettily decorated with bright colored flowers. The convention continued their session this afternoon at the church, taking up the closing features of the convention and the election of officers of the organization.

FRIENDS SURPRISE MRS. HENRY HORN ON HER FIFTIETH ANNIVERSARY

From Saturday's Daily.
Last evening Mrs. Henry Horn residing west of this city on the Louisville road was most agreeably surprised on the occasion of her fiftieth birthday anniversary by a large number of her friends and neighbors who had gotten together and decided to give their friend a most delightful reminder of the happy event.

The guests numbering some sixty persons assembled at the Horn home with well laden baskets of good things to eat and proceeded to make the birthday anniversary a most delightful one. The older members of the party spent the evening in playing cards while the younger folks played games to while away the hours in a most agreeable manner. The sumptuous luncheon was spread at a suitable hour and to this the company did ample justice and departed for their homes late in the evening, wishing Mrs. Horn many happy returns of the day and trusting that they might have the pleasure of meeting with her on a great many more happy birthday anniversaries.

New Postmaster on Duty.

As stated in last week's issue a new postmaster was appointed for this place, W. M. Sikes being the new official. His commission came a few days ago, and Wednesday night he and W. H. DuBois, the retiring postmaster, "checked up" the inventory and accounts and Mr. Sikes became postmaster, going on duty yesterday morning, with Alva L. Sikes as his deputy. After several years efficient service Mr. DuBois feels greatly relieved at securing his freedom from the official duties as postmaster.—Union Ledger.

DISASTROUS FIRE IN EIGHT MILE GROVE PRECINCT

Complete Destruction of the Home and Barn of Sam Hackenberg, Together With Horses and Other Contents of Barn.

From Saturday's Daily.
Last evening about 8:30 o'clock fire was discovered at the home of Sam Hackenberg, in Eight Mile Grove precinct, and despite all that could be done by the family and neighbors every building on the farm was swept away in the flames, with a loss that will total several thousand dollars, although at this time it is impossible to give the exact figures.

Mr. Hackenberg and son was in Plattsmouth during the afternoon and returned home about 8 o'clock, and hastened to the pasture quite a distance from the house to drive up the cows, and while there glanced back to see the blaze bursting out on the barn roof. They ran to the scene at once and started in to attempt to save the stock that was in the barn, and succeeded in getting out two horses, but eight head of horses perished in the barn's destruction together with several hundred bushels of oats which were stored there. Mr. Hackenberg had only the day before marketed his wheat which fact saved this from the general destruction. As the place mounted higher from the barn which was situated southeast of the house, the sparks carried by a strong wind from that direction fell upon the residence and in a few minutes the house was wrapped in a gulf of flame that swept it away in a very few minutes and it was with difficulty that any of the household articles were saved from the first floor of the house. After a few hours, the flames completed the work of destruction and left the family homeless, without a roof to cover their heads. This was owned by Mr. James Terryberry and it is stated that he had no insurance whatever upon the house or barn. Mr. Hackenberg has some insurance on his horses, but just what could not be learned.

Degree of Honor to Meet.

There is a great deal of interest manifested here in this city over the convention of the Degree of Honor that meets in Fremont on October 13, 14 and 15th as there will be several contests over the different officers and the large membership of the order here is vitally interested in as much as Miss Teresa Hemple, the former efficient grand recorder is again a candidate for that office, and her friends are enthusiastic over her candidacy. There will be a large number of attendance from here at the convention in all likelihood.

Enters Plea of Not Guilty.

From Friday's Daily.
This morning Tony Hutchinson was arraigned in the county court to answer to a charge of wife desertion, and to this charge he entered a plea of not guilty and asked that a continuance be given to him in order that he could secure counsel for his defense. The bond was fixed at \$1,000, which the defendant will attempt to raise if possible. The case will come up for preliminary hearing on October 9th. The man did not know of the death of his wife, until his arrival here with the sheriff from Marysville, Missouri.

Duck Hunting Now On.

The duck hunters of this vicinity have been quite busy in the past week or two in hunting those fowls along the state streams and lowlands, but have carefully avoided getting out on the old Muddy where the Federal game law has thrown up a guard for the ducks there that has for the past two years cut out all shooting there. According to dispatches yesterday from Washington, however the amendment to the agriculture bill carries with it a provision granting an open season of from October 1st to January 1, 1915, along the upper Missouri as far north as Sioux City, whereas before the limit was just above the Kansas state line. If this dispatch is true it certainly will be good news to the hunters in this locality.

QUITE A LIVELY MIX-UP ON MAIN STREET LAST EVENING

From Saturday's Daily.
Quite a lively mix-up occurred last evening on Main street when "Queen" Miller became involved in a struggle with Officer Neumann that finally resulted in the young man being escorted to the lockup by Chief of Police Rainey who arrived on the scene just in time and subdued the spirits of the young warrior. Miller had been drinking quite heavily all day and toward evening was noticeable on the street in his actions, and after supper was admonished by officer Neumann to go home and not make an exhibition that would get him into trouble. He went as far as the lower end of Main street, but decided that he would not be ordered around and accordingly came back up the street to celebrate further and ran onto Mr. Neumann near the corner of Fourth and Main street, and here Miller started to argue with the officer and generally make a nuisance of himself, and finally laid violent hands on the officer of the law and attempted to choke him and beat him up, and was making away with it pretty well when the chief arrived on the scene, and in a few minutes Mr. Miller was on his way to the city prison in a much sadder and soberer condition to await the action of the court on his case.

"Queen" this morning was brought before Judge Archer who after hearing the statement in the case charging the defendant with being drunk and disorderly decided \$25 and trimmings would about suit the deeds of the young man, and this sum was placed upon him and by failure to liquidate it he will languish in jail or be compelled to work it out on the streets.

MRS. F. R. GOBELMAN ENTERTAINS IN HONOR ADAM AND MISS ANNIE BURKLE

From Saturday's Daily.
Last evening Mr. and Mrs. Frank R. Gobelman entertained in a most delightful manner at their home in honor of Mr. Adam Burkle and Miss Annie Burkle of Portsmouth, Ohio, who are here for a short visit at the home of their brother Val Burkle and family. The evening was one that will be very pleasantly remembered by the guests as the event was filled with great delight to all and in the enjoyment of the gracious hospitality of the Gobelman's. Each guest was requested to contribute to the entertainment of the evening with a "stunt" of some sort and the rest was one of great pleasure as all responded with a speech, reading or a musical number and these all served to make the time pass most pleasantly. A most delicious luncheon was served at an appropriate hour that added much to the pleasantness of the evening and it was with regret that the company wended their way homeward bidding the guests of honor a pleasant trip on their journey to Ohio, and trusting that they all might have the pleasure of meeting in the future.

L. D. Hiatt, J. M. Holmes, Arthur Baker and wife and Mr. and Mrs. M. G. Churchill and wife were among the Murray visitors in the city yesterday to attend the ball game between Plattsmouth and Avoca.

GOOD GAME BETWEEN AVOCA AND RED SOX

5 to 4 in Favor of the Red Sox, But the Avoca Boys Played Good Ball.

The base ball season closed here yesterday, when the Red Sox won what seemed for several innings a hopeless cause from the Avoca ball team. The chilly damp weather had a tendency to keep the fans from attending, but those who braved the threatening weather were repaid with a most thrilling game staged by the Sox who snatched the victory from the visitors in the last inning.

The Avoca team opened up strong on the locals who displayed poor judgment and allowed four tallies to be registered up against them by the boys from the southern part of the county. The Avoca players rapped the ball hard and consistently in this inning and seemed to have the game on ice. The Sox gathered in one lonely run in the second which stood as their only score until the eighth inning when they were able to get to Gysinger for two hits which netted them three runs and tied the game.

Beal, Arries and Vernon were on the bases with one gone, when C. Smith placed one over second that went through the guardian of the center garden and allowed the three men to race home and Smith roosted at third after the visitors had settled down from their boodle, but Smith was unable to advance farther, and was left there.

The startling change in the appearance of the game was thrilling and the fans were on their toes when the visitors came up in the ninth and although they succeeded in getting Pitman to third they were flanked. In the ninth the Red Sox were able to foreclose on the game when with two gone Vernon hit safe to center, scoring Mason and winning the game as the throw to first to catch Vernon was wild and Gruber was unable to hold it, and this gave the game to Plattsmouth by the score of 5 to 4. Starting out very uninteresting, the game became better as it progressed and finally resulted in a victory against heavy odds for the Sox. In the first of the ninth Glen Parriott, the fast little fielder, who covered third was injured while chasing a fowl ball to the left field fence, and in so doing came in contact with the large score board and coming at quite a lively speed he was put down and out for a few minutes. This closes the season in this city as far as the Red Sox is concerned, and they will be allowed to rest until next season, while the football team will occupy the center of the stage.

PAST CHIEFS ENTERTAINED AT THE HOME OF MR. AND MRS. W. H. BUNCH

From Saturday's Daily.
Yesterday afternoon the members of the Past Chiefs of the Degree of Honor were entertained in a most delightful manner at the home of Mr. and Mrs. W. H. Bunch in the north part of the city. After the guests had all been welcomed the business session of the lodge was called to order by Mrs. Homer McKay, and the routine matters were taken up.

Mrs. W. E. Maxon, who has just recently returned home from the canal zone was present and gave a most interesting paper on the different kind of wood that is native to the Panama canal zone, which proved most interesting and instructive. At the close of the business session, Mrs. Maxon presented the Past Chiefs with a bangle made from Nazerina wood bangle and Cora Bella wood head, which will be greatly appreciated by the ladies in their meetings. After the presentation, Mrs. Leesley responded in thanking her for the gift on behalf of the ladies in a very pleasing manner.

At a suitable hour the guests were invited into the dining room

which was tastefully decorated in green, red and yellow, while a large bouquet of nasturtions served as an ornament to the center of the table. The luncheon served was most delicious and greatly appreciated by the gathering of the ladies. This will be the last meeting with Mrs. McKay as both Mr. and Mrs. McKay will accompany their daughter, Mrs. Maxon back to the Panama canal zone, leaving here the 17th. The invited guests were: Mrs. W. E. Maxon, Miss Annie Burkle, Portsmouth, Ohio, Mrs. Ed. Spies, Mrs. E. F. Grybsky, Departing the Past Chief's all wished Mrs. Maxon and Mr. and Mrs. McKay a safe journey to the canal zone.
