

DRIVING THE PEOPLE FROM GOD AND BIBLE

Are "Doctrines of Demons" Responsible?

Satan's Successful Method—Why God Permits Darkness For Light—Faith and Love Tested—Responsibility of Preachers—God Slandered—Everybody's Duty—Truth Soon Triumphant—They Shall Be Ashamed.

Pittsburgh, Pa., May 9.—Pastor Russell gave two addresses here today. We report the one from 1 Timothy 4:1, 2. It is a severe arraignment of education, and especially of ministers, notwithstanding its moderate language. The Pastor said:

We are gradually awakening to the fact that the world does not love God, but merely fears Him; and that few of the churches recognize Him as the gracious Heavenly Father. Although the Bible has told us repeatedly that God is Love, that His mercy endureth to the limit, and that from Him comes every good and perfect gift, nevertheless the doctrines of demons instilled into our minds from childhood have hindered us from appreciating these statements.

Back in the Second Century, when Bibles were printed by pen and very expensive, and when few had the education to read them, Satan laid the foundation for gross errors. The clergy began to claim Apostolic Succession for the bishops, who assumed the title of Apostolic Bishops. This meant that they were successors to the Apostles, and consequently that their teachings were of equal authority. Gradually the deception fastened itself; nobody was allowed to preach except those authorized, or ordained, by those claiming to be inspired successors of the Apostles. The result was the separation of the Church as the clergy—the public being called the Children of the Church, or sometimes referred to as the laity.

A little later the Apostolic Bishops, with Emperor Constantine, started creed-making. Thereafter creeds took the place of Bible study; for the Emperor decided that the Nicene Creed would be the standard of Orthodoxy, and that any one differing from its teachings would be a heretic and subject to persecution. Any Bible study therefore meant liability to be counted a heretic and suffer accordingly. This Bible study was crowded out, and any reference to the Bible was considered a slight to these Bishops and the creeds, which they had made.

How long did this last, you ask? We answer, twelve hundred years; then the authority of the Bishops as Apostles began to be questioned. The Bible began to be sought and studied, but all who did this were esteemed heretics, or in danger of becoming such by getting out of touch with the creeds. How much error could be brought into the Church in twelve hundred years! Is it any wonder that now we find that our creeds are more than half error, and that the doctrines of devils which were worked into them as leaven have corrupted them entirely and made them injurious to spiritual health?

I remind you that this was the very prophecy which Jesus made—that leaven, corruption, would be hidden in the family portion. (Matthew 16:8, 11, 12; Luke 13:21.) Again, Jesus pictures the matter in Revelation 17:4, 2, where a woman is shown, having in her hand a Golden Cup filled with her own false doctrines, with which she makes drunk all the inhabitants of the earth. The whole world has been stupidly drunk for centuries and now is awakening—some dazed, some angry, some hysterical, etc. But thank God we are getting awake; and that with our waking we perceive that the glorious Morning of the Millennium is near at hand. There, as promised, Messiah will assume His great power and begin His reign, and will roll away the ignorance and superstition from the world and let in the true light of the knowledge of God's glory.—Isaiah 60:2, 3; Habakkuk 2:14.

Organized Opposition to the Bible. I am not blaming our forefathers—Catholics or Protestants. Doubtless, there were bad men amongst them, but I believe there were also good men and sincere. I am blaming the great Adversary, Satan, and his demons, the fallen angels, as the Apostle does. We have been debauched by these "doctrines of demons," as the Apostle in our text declares prophetically. It was about the year 1500 A. D. that the people began to desire the New Testament and to doubt the inspiration of the Apostolic Bishops. About that time Prof. Tyndale translated the New Testament into the English language, but could not get it printed in Great Britain, because of the power of the Bishops—Protestant Bishops, mark you, afraid that the Word of God in the hands of the people would discount their authority. Tyndale persevered, had his New Testament printed in Germany, and then imported it to London. Although few of the people could read, they began to buy the books

they are really more alive than when they were alive. This is the fundamental doctrine of the demons. Think how many false doctrines that have troubled us are based upon the thought that the dead are alive! And remember what the Bible says; namely, "The dead know not anything" (Ecclesiastes 9:5); "The wages of sin is death"—not eternal torment anywhere (Romans 6:23); and, "The soul that sinneth, it shall die" (Ezekiel 18:4, 20). If we had believed the Bible, we would have spared the nonsense, the fear, the torture, the delusions, which have troubled us. But we neglected God's Word and took the word of Satan, the Serpent. These doctrines of demons include Purgatory and masses to get out of Purgatory. They include the work of spirit mediums; for as bishops and priests are deceived, so are mediums. They verify that they are communicating with dead humans; whereas the Bible makes clear that they are being deceived by the fallen angels, the demons, who know all about our dead friends, and through these mediums try to impress upon us that our friends are alive, thus giving the only confirmation there is to Satan's lie that the dead are alive. Poor creatures who come under the influence of evil spirits tell us distinctly that the spirits who once claimed to be their dead friends declare plainly, after getting control of these unfortunate, that they are demons, and then proceed to terrify their victims by telling that they will soon have them in eternal torture.

Why Would Demons So Teach? At first thought it would appear as though Satan would not favor anything telling about future trouble; and thus many are deceived into thinking that whatever tells of the goodness and love of God must be a deception of the Devil. Let us notice carefully the line of the Adversary's attack. He skillfully uses preachers, evangelists and the profane—all to tell about Hell and devils, and the creeds to tell that all that is God's Plan. Thus effectually he puts a barrier between God and the people, and drives them from God and from the Bible. Have not these "doctrines of devils" led thinking people away from God and religion into social furies and nonsense? Have not some men been led to plunge into business, others into novel reading, theater-going, drinking, carousing, gaming—anything to keep their minds off the most important things, the things of God, the things which the Bible teaches? Surely it is so! And yet there are thousands of ministers who are preaching Hell-fire torment, but who do not believe a word of what they say, and who think they are doing it to keep people from going into sin. Do they think that they are wiser than God? Do they expect to hear the Master's "Well done, good and faithful servant," for having slandered God's name, His character and Message, for having deceived the people, when He plainly told them that the Truth alone will sanctify?

I sympathize with the preachers; they are in a terrible place, as the Apostle describes in our text, "Speaking lies in hypocrisy; having their conscience seared with a hot iron." Only a badly seared conscience could approve of the slandering of Almighty God and the representing of Him as being worse than the worst of all human beings—worse than the worst of devils we could possibly imagine. It would be a hard matter for these gentlemen, so long looked up to as standard-bearers for God and the Truth, to come humbly down from their pedestals and tell the people plainly, "We have been deceiving you all, or at least have been keeping you in ignorance of the Truth, for the sake of the salaries we received. A few, we may surely expect, will do this. They are coming nearer and nearer to the point every minute. But they will be few. The majority will brazen the matter out, adding falsehood to hypocrisy. How sad! And every day that they delay to step out on the side of Truth will make their case the worse. The people are becoming enlightened, and are ahead of the preachers in knowledge of God and honesty of thought and word. Quite recently I heard from a young man, who went to his pastor, saying, "Do you really believe in Hell fire as the punishment for sin?" The answer was, "Yes, certainly, of course—we all do." Then the young man told what he had been thinking, and as he was leaving the minister's study, the latter put his hand on the young man's shoulder, saying, "George, I do not believe in eternal torment, but you know we must preach it. Otherwise, we would be out with our denominations and creeds, out of everything; and perhaps the people would be the worse off."

What Are Doctrines of Demons? From first to last, the "doctrines of demons" are various falsehoods designed to misrepresent God's character and dealings, and thus to hinder the light of God's Message from taking effect in human hearts. But, you say, could not God have hindered Satan from thus practicing deceptions and slandering His character? Surely He could, as He declares He will soon do. But repeatedly the Lord indicates that it has been His purpose not to use force in the gathering of the Church. As St. Peter declares, "God hath given us to us exceeding great and precious promises, that by these we might become partakers of the Divine nature." (2 Peter 1:4.) We are God's workmanship; but He is working merely through His promises and seeking a class who will respond to His Message and promises. By and by, through Messiah's Kingdom, force will be used for the instruction of others; but those now being selected from the world are to be taken out without hands—without human power, without any power except that of the Truth. "Sanctify them through Thy Truth, Thy Word is Truth." (John 17:17.) To whatever extent God's Word is received into a good and honest heart, it does a work of transformation—"transformed by the renewing of your mind," through the Holy Spirit.—Rom. 12:2.

Satan, personally and through his demon hosts of fallen angels, seeks to misrepresent God's Message, God's character. St. Paul tells us this, saying, "The god of this world hath blinded the minds of those who believe not, lest the light of the glorious Gospel of Christ, who is the Image of God, should shine unto them." (2 Corinthians 4:4.) If the light of God's goodness shine into any heart, it will be by the Truth shining in, which will have the effect of scattering the error and sin and of drawing that person nearer to God. So I am hoping today that more light of Divine Truth will shine into all our hearts, that we may be drawn nearer to our God and separated more and more from sin and everything opposed to God.

What is to crush this slander against the Almighty, which Satan has manufactured? He got us to believe that before God created man He made a great place called Hell, Sheol, Hades, supplied it with fire-proof devils and with fuel to last for all eternity, and then made man, knowing that nearly everybody would go to that awful place, only one in ten thousand being subtle enough to escape it. Additionally, we were taught that we would be rendered indestructible, in order that our torments might last eternally. I refuse to believe that any human mind could ever make up such doctrines. I think too highly of my fellow creatures. I accredit those doctrines, as the Apostle does in our text, to demons; and as he explains, their object was to separate us from God and from the Bible, God's Word.

When Satan's Work Began. Satan has been working his plan of opposition to God for more than six thousand years. He began by telling Mother Eve that her sin would not bring the punishment of death, as God had said; and he has kept up that statement until today. He has now convinced the whole world that when

they die they are really more alive than when they were alive. This is the fundamental doctrine of the demons. Think how many false doctrines that have troubled us are based upon the thought that the dead are alive! And remember what the Bible says; namely, "The dead know not anything" (Ecclesiastes 9:5); "The wages of sin is death"—not eternal torment anywhere (Romans 6:23); and, "The soul that sinneth, it shall die" (Ezekiel 18:4, 20). A PLATTSMOUTH GIRL HAS QUITE AN EXPERIENCE

Miss Marie Robertson, Attending the University, and Companion Imprisoned in Room, but Get the Train.

From Friday's Daily. A Plattsmouth girl, Miss Marie Robertson, had the experience of being one of the chief figures in an exciting class mix-up at Lincoln on Tuesday, together with a fellow student, Miss Alice Miller, of Kearney, both being members of the senior class at the state university. It seems that Tuesday was the annual "snak" day of the senior class, and the whole class had planned to go to Crete to spend the day. Both Miss Robertson and Miss Miller are members of the Delta, Delta, Delta sorority, and it was the under class members of the sorority who came near causing the girls to miss the outing of the seniors. The freshmen co-eds locked the two girls in their room to prevent them leaving the sorority house and joining the seniors, and from the room the girls escaped to the roof of the building, from where Miss Robertson escaped after spending several hours there in the almost freezing temperature prevailing, and was preparing to assist Miss Miller to escape, when the trick was discovered by the freshmen and the rescue prevented, although Miss Robertson succeeded in making her escape and hastened to the railroad station, where Chancellor Avery was informed of the condition of affairs and ordered the train held until a rescue party could hasten after Miss Miller. The girls at the sorority house refused to answer the bell and it was necessary to place a ladder from the porch of the E. G. Evans' home next door to the sorority house to the room of Miss Miller and she made her escape, and borrowing a change of costume was able to join the seniors in their outing. The joke was one greatly enjoyed by the under class members of the sorority.

ATHLETICS MEET DEFEAT AT CEDAR CREEK YESTERDAY AFTERNOON

The Athletics of this city, armed with their trusty war clubs, yesterday motored out to our neighboring town of Cedar Creek and attempted to take away the baseball game from the aggregation of that city, but in this they were worsted by a score of 10 to 9, and returned home well pleased with the trip, although defeated.

The boys from this city made a good showing against the Cedar Creek team, which is a pretty fast organization, and as good as can be found in any of the small towns of the county. For the Athletics Vern Long done the tossing and throughout did very good service and retired a number of the husky Cedar Creek boys by the strike-out route. One of the stars for the Plattsmouth bunch was C. Dalton, who filled the position at the second sack, as he was in rare form in his batting, as well as base running, and was able to secure a home run and added two scores to the list of the Athletics by his excellent base running. Frank Marshall, the star first baseman and .400 hitter, was out of the game yesterday, due to an injured arm, and his place was filled in good shape by Clarence Mason. A. Hula was one of the most successful run producers for the Athletics, as he was able, through his hitting to score a number of his teammates. J. Wolf, the veteran catcher, was the star for the Cedar Creek aggregation, and in his work was ably assisted by Keil, the mound artist of the team, who was in the best of form. C. Hadraba, the right fielder of the Plattsmouth team, was the bright star of the entire game, as he made a very sensational play when, with three men on bases, he caught a fly in right field and by his peg home saved the Athletics from being scored on. Those in the lineup were:

Cedar Creek—Wolf, catch; Keil, pitcher; Ralph Meisinger, center field; Salsburg, second base; W. Schneider, shortstop; L. Schneider, left field; P. Meisinger, third base; R. Meisinger, first base; Busche, right field. Athletics—Briggs, catch; Long, pitcher; Hula, center field; Dalton, second base; Grassman, shortstop; Hadraba, left field; Noble, third base; Mason, first base; Hasson, right field.
