The Picnic.

The picnic Saturday was a big success, in spite of the threatening weather. Louisville was well represented. The band came down on No. 33 in the morning and played two selections up town at 10:30, and then went to the grounds, where they played two pieces at 11:45. Then everybody opened their well-filled buckets and ate to their heart's content of the many good things the ladies had prepared. At 1 p. m. Rev. Norman took charge of the band boys and they played two fine selections which were enjoyed by all. At 1:30 Rev. Embry was introduced and made a fine talk. At 1:45 Rev. Sprengle was introduced and made a nice talk in German, which was greatly enjoyed by all, as Rev. Sprengle is an old-timer here, being pastor of the German church for a number of years. Rev. Swartz spoke at 2 o'clock on a most interesting subject. At 2:30 the little girls' race was called, Ella Lohnes winning the race; there were eleven entries. At 2:45 the young boys' race, Marion Ossenkop winning, there being eight entries.

At 2:50 the young men's race, there being seven entries, and Frank Winn won this race. At 2:55 the married men's race was called with six entries as follows: Jake Meisinger, Frank Solsburg, John Gauer, Otto Sprain, Rev. Norman and J. R. Mayfield; Mayfield won the race by about three feet, with John Gauer second. The fat ladies' race was next, there being only four entries, Mrs. J. W. Wolf, Mrs. Jake Tritsch, Mrs. William Dasher and Mrs. Philip Tritsch; only two ladies crossed the home plate, Mrs. Philip Tritsch winning, with Mrs. Jake Tritsch close behind; Mrs. Dasher lost out about half way and Mrs. Wolf slipped and fell soon after the start. Everybody enjoyed the races, but for the lack of space we cannot give all the names.

At 3:10 the ball game was called. The Nehawka boys arrived about 2 o'clock and soon got practicing. The diamond being wet it could not be gotten in shape, so the game had to be played on the grass, but the boys on both sides started out in dead earnest and the first inning was marked by no

the same as in the seventh. In the ninth Cedar Creek got 1 score. Third, Nehawka 1, Cedar Creek 3. Fourth inning neither side got a score. In the fifth Cedar Creek got 3 scores, while Nehawka got nothing. In the sixth Cedar Creek got 4 and Nehawka 1. In the seventh both teams got a goose egg. In the eighth both tallied the same as in the seventh. In the ninth Nehawka got 1, making the final score, Cedar Creek 11, Nehawka 3. Cedar Creek struck out 8 and Nehawka 10.

The band played a selection at 3:10. The ball throwing contest was great amusement, Mrs. Hattie Meisinger winning the prize over the other ladies, of which there were about ten in the contest.

Mr. and Mrs. John Lohnes, sr., won the prize for being the oldest married couple on the grounds. Mr. John Meisinger, sr., won the prize for being the oldest man on the grounds. Grandma Schaefer won the prize for being the oldest woman on the grounds.

The children's blindfold fish pond was greatly enjoyed by the young folks.

Cedar Creek is greatly indebted to Rev. Norman and his band boys for the help they rendered in entertaining the visitors at the picnic, and also to the speakers. It was a day that will long be remembered by all who were present.

An Old Soldier.

Mr. Jacob Bitner, of Dayton, Ohio, knows the dangers of the postponing of the treatment of a disease. He says the following: "I received Triner's American Elixir of Bitter Wine and it is doing me very good. I wrote you that I had a swelling on my back and asked you to help me. I received Triner's Liniment, which is excellent and invaluable. It greatly relieved my pains. Every housekeeper should have it at hand, but people are postponing like I did, but that was a great mistake. I did not know that you have such a strong, so to say, miraculous liniment. Jacob Bitner, Soldiers' National Home, Dayton, Ohio." Whoever needs a remedy for rubbing painful or swollen parts of the body, should rely on Triner's Liniment. Try it in rheumatism and neuralgia. Price 25c and 50c, postpaid, 35c and 60c.

In diseases of the stomach, the liver and the bowels, complicated with constipation and weakness, we wish to recommend you Triner's American Elixir of Bitter Wine. Price \$1.00.

Mr. Gregory, our enterprising landlord at the Saunders House, has fitted up both rooms, very neat and good—only 25 cents a bath; try them.

Mrs. Julius Jepperberg returned and took possession of her new house—bay windows and all—yesterday. It was a hard fight between Julius and the painter, but Julius won at last.

The old wire ferry down here is doing a good business, despite the hot weather, and taken all in all, as "Rans" says, she is about as good a ferry and as reliable as any on the Missouri river. No trouble since the high water.

Andy Taylor has the nicest, coolest barn, and the biggest, reddest, blackest Lawton blackberries we ever saw. Great high bushes, just crowded with black, juicy berries; they are a sight to see. His young fruit orchard, too, looks nice, and his prospects for peaches are excellent. Andy has a good home and is a No. 1 farmer; made it all himself, too, and can sit down under his own blackberry "vine" and laugh at hard times.

We could not help noticing the beautifully improved appearance of the road along by John Cummins' place, where he has cut the weeds down. A smooth carpet of grass covers the ground it looks so grateful and pleasant to the eye that we should think every farmer would follow his example. It takes so little time and does help the looks of the country so much, besides the weeds will take the farms soon here if allowed to grow as this year.

The infant son of Mr. and Mrs. B. McMurtie, formerly of this place, died at Topeka, Kansas, and was buried in the Plattsmouth cemetery on Tuesday last at 1 o'clock.

Louisville.—A scourge has entered the house of Mr. J. D. Ferguson in the shape of malignant scarlet fever. February 10th a child was seized with fever, soon after another. On Monday the 17th, four boys were taken, three of them dying within forty-eight hours: George Edwin, aged 14; Leon and Clark, aged 11; Elmer Leslie, aged 8. On the 20th the three were laid in one grave, the stricken parents going out to bury their dead, leaving three suffering ones at home. On the 21st, Willie, aged 17, was taken down, making eight, leaving only the ninth, an infant, yet unscathed. Truly the house of our dear friend has become a house of mourning. The chances for living or dying are about equal with some of those yet alive. Yours, etc., Benj. F. Diefenbacher.

P. S.—This (Monday) morning, three of the remaining ones are worse. Another case now in the neighborhood.

MRS. C. F. VALLERY ENTERTAINS KENSINGTON CLUB

Yesterday afternoon Mrs. C. F. Vallery entertained at her beautiful country home, southwest of this city, in honor of the members of the Kensington club and a few invited friends. The hospitable Vallery home was filled with a most delightful gathering of ladies and the pleasures of the afternoon will long be remembered very pleasantly by those present. The guests arriving at the home shortly before 1 o'clock, were ushered into the dining room, where a most delicious repast was spread before them, and there was nothing that could add to the delights of the splendid dinner that was put on the table, and the treat was one thoroughly appreciated by the jolly party of ladies. The table was decorated in a very pretty manner with a color scheme of lavender and green, with the flowers of the late summer and the green foliage making a very charming setting for the dainty dinner provided. Mrs. Vallery was assisted in entertaining by Mrs. Lee and her daughter, Miss Josephine Vallery. After the dinner was thoroughly enjoyed the ladies spent the time with their fancy work, as well as listening to a number of musical selections by members of the party. As guests of the occasion Mrs. Joseph Lake of Tacoma, Washington, and Mrs. W. E. Rosencrans were present in addition to the club members.

BRIGHTEN YOUR BUSINESS NOW WITH ELECTRIC SIGNS

Now that the electric light question has been settled by the contract made by the city, as well as the concessions made by the light company with the private consumer, and which will make the expense of the light much cheaper to the users of current, the matter of electric signs for the business houses is something that can be taken up by the merchants. The use of these signs adds very much to the appearance of the business section of the city and in most progressive towns they are in use quite extensively, but here the high cost of the current has kept many from using the electricity for illuminating their store windows and in signs which might attract the attention of the general public to the stores when the shoppers might be down town in the evenings. The signs would brighten the appearance of the streets and make the general aspect one of push and energy. A few of the business houses believe in keeping their places well lighted, and a few have adopted electric signs, and in all cases they have attracted a great deal of attention.

SERVICES BY REV. JOHN A. CONNELLY HERE TONIGHT

This afternoon Rev. Robert A. Connelly of Bethany, Neb., will arrive in this city to hold services this evening at 8 o'clock at the Christian church, and the official board of the church will hold a meeting after the close of the services to take some action in regard to the securing of Rev. Connelly as pastor of the church in this city. He comes here very highly recommended and the members of the congregation are requested to be present this evening at the church to attend the service and become acquainted with the minister.

THE GREAT VAUDEVILLE SHOW HERE TOMORROW NIGHT

James Bogard and Florence Nicoll, who are on the bill at the Parmele theater tomorrow night, are one of the best known comedy teams in vaudeville. Mr. Bogard is an excellent silly kid or rube comedian of the old school and Miss Nicoll proves an excellent foil for him. Their material is new and their songs and parodies very catchy. Mr. Bogard is known all over the world as a yodeler of exceptional merit, and the appearance of this team promises exceptional entertainment for this community. Remember the date—Friday night, September 17.

General Admission Prices.

The prices for the vaudeville show at the Parmele on Friday evening have been reduced to 15 and 25 cents, as the company finds in their great successes elsewhere such crowds as enables them to show to packed houses at the lower prices, and they will accordingly give all the opportunity of attending. The prices will be 25c for adults and 15c for children and no reserved seats will be sold, as the house will be offered to the first-comers, who will receive their back of the seats. Two shows will enable everyone to see this great performance.

Secures New Buick Car.

R. A. Bates, the publisher of the Journal, is boasting of a fine new Buick "Six," which was delivered here on Tuesday through T. H. Pollock, the local agent. The car is a fine one and of the latest model and equipment and a machine that is certainly satisfaction in the way of a modern automobile. The car is a five passenger vehicle and thoroughly equipped for pleasure and comfort in driving. Mr. and Mrs. Bates went to Lincoln and drove the car down in company with T. H. Pollock and Dr. Cook.

SCHOOLS MAY BAR CHILDREN.

Common colds are contagious and boards of health in many cities are considering barring children with colds from school. Foley's Honey and Tar is an old and reliable family medicine and frees children from coughs, colds, croup and whooping cough. Parents may save trouble by giving before school opens. Sold everywhere.

ANOTHER OMAHA TEAM TO TRY THE RED SOX SUNDAY

As the opponents of the Red Sox Sunday the Chris Lycks of Omaha, one of the leading teams of the metropolis, will be with us and should, judging from their record during the season, give a fine exhibition of the art of base ball that will satisfy the most exacting of the fans. The base ball season has been very successful in the work of the locals, and while they were unable to secure any of the greater Omaha teams on account of their league in that city, they have staged some very fast contests that have given the fans as good an exhibition of the great national pastime as they could ask for, and this has been appreciated by the greater part of the citizens. The Chris Lycks will have with them a number of the best known amateur players of the state, and if the Sox are in their usual good form there will be big doings in the base ball line on this occasion.

CALLS CONSULS FROM MEXICO

Washington Instructs Them to Return Home.

Washington, Sept. 16.—American consuls and consular agents in northern Sonora and Chihuahua have been ordered by this government to withdraw to the United States because of the danger in border uprisings and inability of Mexican military leaders to protect them. The order to the consuls followed action by the state department in repeating advice to American citizens in northern Mexico to remain away from that country for the present. The government, it is said, wishes to forestall difficulties which may arise over acts of marauding bands which are threatening more depredations in northern Mexico. In several instances, it is reported, Mexican military leaders have said they would not be responsible for the safety of American citizens or officials.
