### SOCIAL DANCE AT THE ELKS CLUB ROOMS

Last evening the members of the Elks and their families and ladies were entertained at a very pleasant informal social dance at the club house on North Sixth street, and the occasion was one filled with much delight to those in attendance. In keeping with the harvest season the refreshments consisted of cider, apples and doughnuts, and was a pleasing feature of the evening. The music was furnished by the Holly orchestra. These dances will be given by the Elks every two weeks during the winter season and are growing in popularity at each dance.

#### Distress in the Stomach.

There are many people who have a distress in the stomach after meals. It is due to indigestion and easily remedied by taking one of Chamberlain's Tablets after meals. Mrs. Henry Padghan, Victor, N. Y., writes: "For some time I was troubled with headache and distress in my stomach after eating, also with constipation. About six months ago I began taking Chamberlain's Tablets. They regulated the action of my bowels and the headache and other annoyances ceased in a short time." Obtainable everywhere.

### FRANK MANLEY, NOW IN EUROPE, WANTS BIRTH CERTIFICATE

City Clerk John Nemetz has just received a letter from Rugby, England, in which the writer, Frank Manley, desired to have sent to him without delay a birth certificate of the fact that he was born in this city on December 9, 1880, and which he is very desirous of having. The city has no department looking after the issuance of birth certificates and the clerk will endeavor to get in touch with someone who is familiar with the birth of the young man or the attending physician who can make affidavit to the effect that the young man is a citizen of the United States. He states in his letter that his parents resided in a house on Gold street between Eighth and Ninth streets. Anyone who can shed any light on the fact of the birth of the young man in this city should call at the clerk's office and get the necessary papers made out, as it may save the young man from having to serve in the trenches fighting for King George.

Miss Dora Fricke returned home this afternoon from a trip of several weeks' duration at the San Francisco exposition and points along the Pacific coast and has had a most delightful visit in that section.

### FUNERAL OF DAVID JOEL PARKER FRIDAY AFTERNOON

The funeral of Joel David Parker, the son of Mr. and Mrs. J. D. Parker, who died at his home early Thursday morning, was held yesterday afternoon at 2 o'clock from the home on Elm street. There were a large number of sorrowing friends of the family present to attend the services and share with the bereaved family their grief over the loss of the bright little son who had been taken away so suddenly from their midst. The services were conducted by Rev. F. M. Druiner of the Methodist church, who spoke words of comfort to the sorrowing family and friends, giving them hope of the future time when they might meet again their loved one. During the services several of the old well loved hymns were sung by Misses Alice Tuey, Mrs. Edward Roman and Mrs. Hugh Cecil. The body was laid to rest in the family lot in Oak Hill cemetery, the pall-bearers being selected from the neighbors and friends of the departed lad.

#### Card of Thanks.

To the many kind friends and neighbors we take this means of showing our heartfelt appreciation for their kindness and sympathy shown us in this, the last long sleep of our beloved son and brother, and also to those sending the beautiful floral tributes. May these kind friends receive the same loving care in their hour of need.

Mr. and Mrs. J. D. Parker.

### IN SUIT FOR DAMAGES ZIMMERER AND MARQUARDT BLAMELESS

From Saturday's Daily. Harry Marquardt and Joseph Zimmerman of Avoca, who were several months ago made co-defendants in a damage suit for \$25,000, filed in Douglas county by a man named Dougherty, against the Omaha Speedway company and the two Cass county men, have just been held blameless in the matter by the jury in the court of Judge Troup. The jury, however, gave a verdict for \$10,000 against the Speedway association. The accident occurred a few years ago and the car in which Mr. Zimmerman and Mr. Marquardt were riding was crossing the track when it was run into by the racer, Dougherty, who was rather badly injured as a result, but the two men showed clearly that it was necessary for them to leave the speedway, and the only way open was to cross the track, and in doing so they collided with the racer. D. W. Livingston of Nebraska City was the attorney for the defendants.

### OUR OLD FRIEND JAMES M. STONE CALLS ON THE JOURNAL

This morning James M. Stone, one of the old residents of the county and one of the loyal democrats of Cass was in the city for a few hours, en route to his home in Nebraska from Omaha, where he has been taking treatment from Dr. Gifford for the relief of his eyes, which have occasioned him considerable trouble in the last few years. Mr. Stone has recently returned home from the San Luis Valley, of Colorado, where he spent a short time with his son, Lester Stone, who has a large farm in that section, and the trip seems to have been of great benefit to our old friend, who at this time is feeling fine with the exception of his eye trouble. While in the city Mr. Stone paid the Journal office a brief call and spent some time visiting with the editor, and it is unnecessary to state that the visit was one of the rarest pleasures as there are no finer men in the county than Mr. Stone. He spent the day here as the guest of his daughter-in-law, Mrs. Chas. S. Stone.

#### Visiting in the City.

Yesterday the pleasant home of Mr. and Mrs. W. E. Rosenkrans in this city was the scene of a very pleasant occasion when a number of their friends gathered to spend the day in their hospitable home. The party was composed of Mr. and Mrs. B. I. Clements and son, Guy, of Elmwood; F. A. Raker and wife of Imperial, and E. T. Hughes and wife and little daughter and Mr. and Mrs. Samuel Raker of Gretna.

#### Suffers a Serious Accident.

Rex Major, who was injured a few days ago at Dunlap, Iowa, when he had his right hand come in contact with a buzz saw used in cutting wood in a sawmill near that place, came in yesterday and will visit with relatives until his hand is healed up. The little finger of his right hand was cut entirely off and all the others badly lacerated, but it is thought that they will be saved to him. He had only been feeding wood to the machine when the accident occurred.

### "THE PLUNDERER" COMING TO THE GEM TUESDAY NIGHT

One of the feature pictures to be shown here will be that of "The Plunderer," with William Farnum in the stellar part, and the strong feature of the photo play makes it more thrilling than that of "The Spoilers," in which Mr. Farnum appeared. This will be shown at the Gem theater on Tuesday evening for 5 and 15 cents, and is a six-reel feature that is well worth seeing.

"The Plunderer" affords for William Farnum a real "Farnum Part"—big Bill Matthews of the Croix d'Or mine, a doughty, splendid steel-knit fellow, with a big, warm heart and a punch in each hand. Bill and his partner are harassed by a secret enemy who imprisons them in a mine shaft, causes a strike of the workmen and blows up the reservoir upon which the power of the mine depends. These are only a few of the thrills that keep you breathless—hanging on to the arms of your seat. The final climax, where Big Bill and his partner discover their enemy, is the most stirring of all.

A pulse-stirring battle with bare fists in which Big Bill bests a score of drink-crazed miners in a fight that for sheer thrills and heart-catching excitement has never been excelled on the stage, or screen, is one of the big features of this super-picture.

Then, too, there is a splendid double love story which leaves a happy glow in the spectator's mind. In fact, "The Plunderer" is as perfect a photoplay as has yet been achieved, and deals with clean, manly men, affecting sentiment, the lust for yellow gold and swift, dynamic drama.

### PARTIES GO AFTER JOE SMITH'S CHICKENS AGAIN

From Friday's Daily. Joseph H. Smith, residing on Wintertown Hill, in the past few days has suffered the loss of a number of his fine Plymouth Rock chickens, which were made away with by some hard-hearted person. The chickens, it is thought, were shot, as Mr. Smith reports having heard shots a short time before missing the chickens on Wednesday night, and all signs of the fowls gone, and he thinks that whoever was the person committing the outrage they made away with the chickens and later enjoyed a feast on the fowls. These chickens have been great pets of Mr. Smith and he feels very much wrought up over the affair.

### THE BARCLAY RESTAURANT TO BE OPENED THIS WEEK

The restaurant which was formerly operated in this city by the firm of Drum & Parker, and which has been closed for a week, pending the adjustment of the affairs of the concern, will be re-opened this week under new management as the late firm and Mr. Barclay, the owner of the building and fixtures, have reached an understanding whereby the lease will be turned over to Mr. Henry A. He is a gentleman who should make a success of the business and is most accommodating in every way and will strive to give the people of Platts-mouth a first-class eating house. John Major and little daughter departed this morning for Dunlap, Iowa, where they were called by a message announcing the fact that Rex Major had been injured there in a saw mill accident. The message did not give any of the particulars or the extent of the injuries.

Omaha, Nov. 6.—Notwithstanding the order of the federal court, permitting the Missouri Pacific to advance its passenger rates from 2 to 3 cents per mile, the old rate is still in effect. However, it is expected that the advance will be applied not later than the last of this week. It is understood that the offices in St. Louis have the new passenger rate tariffs prepared and that the tickets are being printed. As soon as they arrive the new rates will go into effect. The advance is going to be considerable. For instance, at this time the rate from Omaha to Plattsmouth is 38 cents, under the increased rate it will be 57 cents. Similar advances will apply between all stations in Nebraska. The advance applies only to intrastate business and does not maintain with reference to interstate travel.

A want ad in the Journal will bring results.
