After a Sickness.

Some time ago we received the following letter: "As you know, I asked you where I could buy Triner's American Elixir of Bitter Wine. Just then Mr. J. Hrabak received some, and I am now buying it from him. It is indeed a very good medicine. Without, after such a serious stomach disease, I suffered from, I doubt if I could walk today yet, as I was as weak as a new born baby. Mrs. Agnes Dobias, Maynard, Ohio." In weakness after a serious illness, Triner's American Elixir of Bitter Wine has always been a success as a most valuable tonic. It does not allow clogging of the intestines, but keeps them strong and clean. In diseases aggravated with constipation or bodily weakness you should rely on this preparation. Price \$1.00. At drugstores. Jos. Triner, Manufacturer, 1333-1339 S. Ashland ave., Chicago.

If you need a remedy for rubbing the body in rheumatic or neuralgic pains, in swellings and strains, in muscular weakness, select Triner's Liniment. Price 25 and 50c, post paid 35 and 60c.

Roads Are Fine.

Have you taken notice of the condition of the roads in and around Cedar Creek this fall? Don't they look fine when the weather of the past summer is taken into consideration? Many rains make bad roads, and bad roads cannot be worked when there are many rains. Our popular road overseer, J. H. Busche, has done his part all summer, but the telling blows have been made during the past few weeks while the weather has been in favor of the work. He has been making a general roundup, and has repaired a number of very bad places.

Good Cheer

Rooms that are thrown together have a cheerful appearance—there's a homelike "get together" atmosphere about them.

The picture at the left shows how a bookcase colonnade can be used to good effect between two rooms. It fills the opening acceptably and provides two bookcases. The bookcase colonnade makes good use of space that would otherwise be useless. A colonnade costs very little, if any, more than lath, plaster and a door for the same space. It's an economical way to improve the interior appearance of the home.

The design shown in this picture is only one of many. Come in and let us show you other designs equally beautiful.
