Mabel Ledgway gave as her offering, Dvorak's "Humoresque" and this was given with unusually good expression. "The Flower Song" was played in an excellent manner, with much expression by Edna Born. One of the most delightful numbers was "Simple Confession" by Ruth Jacks, and it was thoroughly enjoyed. The duets, "Golden Rod" by Una and Eva Crook, and "Approach of Spring" by Ruth Jacks and Mabel Ledgway were enthusiastically received and brought to a close a most delightful program.

FIRM FOUNDATION

Nothing Can Undermine It In Platts-mouth.

People are sometimes slow to recognize true merit, and they cannot be blamed, for so many have been humbugged in the past. The experience of many Platts-mouth residents, expressed publicly through newspapers and other sources, places Doan's Kidney Pills on a firm foundation here.

J. L. McKinney, Granite street, Platts-mouth, says: "Doan's Kidney Pills, procured from the Crescent Pharmacy, are the best medicine I ever used for disordered kidneys. Whenever I have had occasion to take them they have never failed to give the best of results." (Statement given April 10, 1912.)

On February 22, 1916, Mr. McKinney said: "I am ready to back up what I have said before regarding my experience with Doan's Kidney Pills. I have never found anything else to them for lame back and a few doses has always done good work."

Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McKinney has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

READY TO BOOM THE BIG HOME COMING WEEK

Executive Committee Held Its First Meeting This Morning to Start the Ball A-Rolling.

The executive committee of the fall festival held their first annual meeting this morning to discuss the arrangements for the event that gives promise of being the greatest event that has been held in this city in a number of years. The definite dates for the event was set forth Thursday, August 21, to Monday, September 4, and will give five big festival days full of enjoyment and pleasure to Platts-mouth people and the visitors who will be gathered for this great big time. The heads of the different committees their part of the program to make the celebration a winner in every way. On the different committees the following chairmen were selected: City Government, Mayor Sattler; Finance, J. E. Falter; Home Coming, R. B. Windham; Baseball, Claud Smith; Decoration, C. E. Haney; High School, Raymond Larson; Stock Show, Dr. O. Sandin; Publicity, H. A. Schneider; Concessions and Grounds, Dr. D. I. Reynolds; Entertainment, J. V. Hatt.

It is expected to start the ball rolling at once on the work of preparation for week and the amusements and free attractions which will be a part of the entertainment features will be secured and advertised while the general plan of the festival is being laid out. The Home Coming feature of the festival will be opened on Friday, September 1st, with a well balanced program that will furnish plenty of entertainment for the former residents of the city, in addition to the other amusements that will be secured to add to the pleasures of the event. On the first few days the Cass county residents will receive special honors and in the baseball game, the teams from the county will be secured if possible and it is probable that Eagle will play here either on Thursday or Friday, and on the last three days the crack teams of Omaha will be here to play the Red Sox. On Sunday, September 3d, the churches of the city will entertain the old residents of the city with special services as well as other attractions. The closing day, Labor Day, will be set aside for the laboring people with a great demonstration that will prove a fitting close to the event and one long to be remembered.

The occasion is going to be the greatest boost the city has had in years, and all of the citizens are urged to aid it in every way possible so that the fall festival can be recorded as a red letter event.

VERY INTERESTING TALK AT THE PRES- BYTERIAN CHURCH

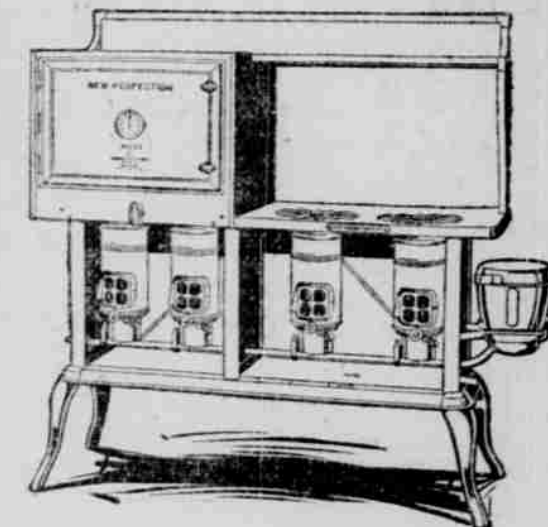

A large number of the members of the C. E. Society of the Presbyterian church and members of the church and congregation gathered in the endeavor room at the church last evening to hear Mr. George C. Reed of Weeping Water, who has been engaged in the missionary work at Morocco for the past sixteen and one-half years. It was a most interesting and instructive talk, and was most highly appreciated by the large number in attendance, and fortunate enough to hear him. Mr. Reed first spoke of and told why we are to go to all lands and preach the gospel. He had a large map of Africa displayed and pointed out the various countries and told of the various people located in that land. He also told of some of the work done by Moffatt and Stanley, who were among the first missionaries to that land. Mr. Reed then took up Morocco, the portion of Africa where he spent so many years, and then told of the inhabitants, some of their customs, characteristics and laws. He said that most of the inhabitants of Morocco are of the Mohammed religion, and that it was very hard to convince them that there was a better religion, and one that would make them live better lives. At the close of this splendid talk an offering was taken.
