For Social Enjoyment

The young ladies of the Alvo vicinity met at Miss Miller's Friday afternoon and organized an eight weeks club. The following officers were elected: Miss Strong, president; Miss Newkirk, secretary, and Miss Wagner, treasurer. The club will meet on Friday afternoon of each week, among the different members. The time will be spent with a small program and some fancy work. Although this being a new organization among the Alvo girls, we sincerely hope the club of the I. F. S. will prove a success.

Celebration a Success

The celebration here on July 4th was well attended despite the rain in the morning. It is estimated there were about 800 to 1000 people on the grounds from all surrounding towns. The program was carried out and all were well pleased with their entertainment. The two ball games resulted in Alvo defeating Gillen & Bonney, of Lincoln by a score of 6 to 1, and Greenwood defeating Alvo 7 to 6. The fireworks in the evening were enjoyed by all. The music furnished by the Havelock band was greatly appreciated by Alvo people and all visitors.
