The water will be tested, the mowing machine will be kept busy, and not a thing will be out of place when the reunion days get here, to put on one of the best Old Settlers Reunions ever held in Union, and they have had some pretty good one during the past twenty-seven years.

FROM PERU NORMAL.

Peru Normal played two very interesting ball games last week with the Oklahoma Indians. On Tuesday the score was 1 to 0 in favor of the Indians, with Long pitching and Blankenship catching for Peru. On Wednesday each team had a change in the pitchers' box and the score resulted differently. Dewerff pitched for Peru. Each side got plenty of hits and enthusiasm ran high. The normal was in the lead until the ninth inning when the score was tied. However the Normal succeeded in scoring again and carried off the victory.

On Friday evening all students and friends were guests of the Philomatheans at their final program which was given in the chapel. They presented the play entitled, "From Sumpston to Appomattox" and are receiving much well deserved praise for their splendid work. The Philomathean orchestra under the direction of Har-

old Chatelaine furnished excellent music.

One of the most enjoyable numbers on the summer entertainment course was given on Monday evening at which time a company of musicians known as "The White Hussars" rendered a decidedly pleasing entertainment.

Students of Peru will not soon forget the jolly time spent Saturday evening at the Annual "Stunt Night." Each boarding or rooming house group was requested to come dressed to represent some nationality and the response exceeded all expectations. Germans, Mexicans, Irish, English, Arabians, Hoboes, Indians, The Thirteen Original Colonies, Uncle Sam, Charley Chaplin and scores of other groups in regal array from the dormitory to the gymnasium where each group put on a stunt characteristic of the nation represented.

Miss Frances Tuthill, who has had charge of the physical training for women during the absence of Miss Koch, has accepted a position in Wichita, Kansas.

AUGUST 31 TO SEPT. 4.

"Home Coming" week is going to a hummer for Plattsmouth. While we are making fair average sales on honey, we are not "speeding" because we have a Chicago Ave. "cop" up here that keeps fast goes within bounds of the law. 2lbs. of Comb Honey for 35c is not a big price when there is a big crowd in town.

The World's Most Powerful Low Priced Car 31 1/2 H.P.

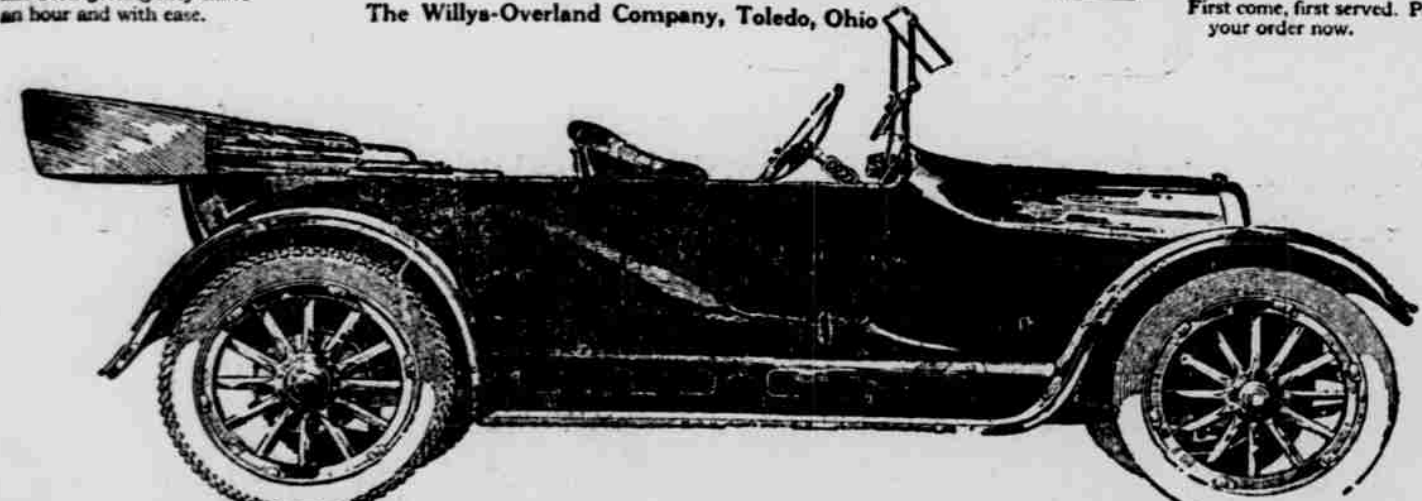

ANNOUNCING THE NEW SERIES

\$635 **75 B Overland** \$635

f.o.b. Toledo f.o.b. Toledo

- This newest Overland is the world's most powerful low-priced car.
- It has a 31 1/2 horsepower in-bloc motor that is a perfect marvel for speed, power and endurance.
- By increasing the bore of the motor from 3 1/4 to 3 1/2 we are able to offer a power plant which at 1950 R.P.M. develops full 31 1/2 horse-power.
- Tests under every condition in all parts of the country demonstrate that it easily develops better than fifty miles per hour on the road.
- Speed of course varies under different conditions, but in practically every instance it has been getting fifty miles an hour and with ease.
- We have scores of telegrams showing that eighteen to twenty-five miles per gallon of gasoline is not unusual.
- The performance of this car is almost beyond belief.
- Take any other low-priced car on the market. Pit it against this new Overland. Compare them for their speed, for abundance of power, for riding comfort.
- 4 cylinder in-bloc motor 2 3/4" bore x 5" stroke 104-inch wheelbase 4-inch tires
- Cantilever rear springs Streamline body Electric starter Electric lights
- Magnetic speedometer Complete equipment 5-passenger touring \$635 Roadster \$620
- And mark these words—the car is destined to be regarded and referred to as one of the really great achievements of the great automobile industry.
- Yet it only goes to prove how big production can cut cost and save you money.
- First come, first served. Place your order now.

JOHN BAUER
The Willys-Overland Company, Toledo, Ohio

Within two weeks we will also be able to show you the new large Four at \$795 f. o. b. Toledo. This Four is an enlarged and refined Model 83, of which 100,000 were sold last year, and the new light Six at \$925, which are also startling values. The Willys-Overland Company are producing 1,000 cars a day at the present and in spite of this enormous production are unable to keep up with orders.
